A "traveling troupe," consisting of Judge A. F. Stearns, J. H. Shupe, J. A. Black, A. K. Mattoon and A. F. Brown, candidates on the republican ticket, and Hon. Frank Motter of Portland, arrived at this place from Myrtle Creek Thursday evening, and went to Canyonville Friday morning where Mr. Motter entertained a large audience by addressing them on the political topics of the day. Returning to this place in the evening they were greeted by a large and enthusiastic audience at Jackson's hall where Mr. Motter again sent "broadside" into the enemy's camp, only a few exceptions was not there. No, with a few exceptions they stay at home. His arguments were invincible, proving the utter absurdity—if proof were needed—of the free-silver and free-trade doctrine. But you can't overcome prejudice when obliquity is its chief support. Mr. Motter is an entertaining speaker and doesn't allow his hearers to become weary.

ANOTHER BATTLE

Santiago Is Bombarded

THE FORT DESTROYED

Spanish Loss Believed to be Heavy.

FEW IF ANY AMERICANS HIT

Little Damage Done to Warships of Either Fleet.

CAPE HATTIES, May 31.—Advice just received from Havana says that since 2 o'clock this afternoon the American fleet at Santiago de Cuba has been bombarding the batteries of Morro castle, La Scaipa and Punta Gorda. At the same time, it is added, the American ships have been engaged with the Spanish warships. The firing was extremely heavy.

At 3:45 p. m. the commanding became less heavy against the fortifications and was more accentuated in the locality where the fleets were engaged.

6:40 p. m.—At this hour the cable is still working from Santiago. Private messages intimate that there has been a severe fight between the American fleet and the outer fortifications and the Spanish fleet. The fight lasted the greater part of the afternoon. The advantage appears to have been with the Americans.

Story of the Bombardment.

NEW YORK, June 1.—An Evening Journal special from Cape Hatties says: The torpedo-boat Porter arrived at Mole St. Nicholas, at 1 o'clock this morning with dispatches for Washington to sea, the following story of the bombardment of Santiago was obtained: The American squadron, augmented by the torpedo-boat Porter and an auxiliary cruiser and the protected cruiser New Orleans, approached the entrance to the harbor of Santiago at about 12:30 p. m., the Iowa leading. Inside the entrance to the harbor was seen one warship of Cervantes's fleet, stripped for action. As the American fleet drew near, the New Orleans was detached and steamed ahead of the Iowa, Texas and Massachusetts. One of the forts opened fire on her, and she replied, the other ships directing their fire at the battery on Punta Gorda within the harbor and to the westward of the position occupied by the Spanish ship. The latter replied to the fire and immediately became a target for all the American ships engaged in the battle. She retired behind the protecting headlands and was not seen again during the engagement.

The Woodmen.

At the semi-annual election of officers of Oak Camp No. 125, held Monday evening, the following were chosen: H. M. Wood, C. C.; C. P. Coshaw, A. L. L. Wimberly, Mgr.; H. L. Marsters, escort; John Botter, watchman; Thos. Gibson, sentry. A district convention of delegates from all the camps in Lane, Douglas, Coos, Curry, Josephine and Jackson counties will be held in Roseburg on Wednesday, June 15th. This convention will transact district business and elect delegates to the Head Camp session which will convene in San Francisco in August. The delegates chosen to represent Oak Camp in the district convention are: Thos. Gibson, N. T. Jewett, L. Wimberly, B. W. Strong, V. C. London, Alternates: R. S. Sheridan, J. R. Chapman, W. T. Wright, P. H. Burt, H. L. Marsters. A committee on entertaining the convention was appointed as follows: O. P. Coshaw, Geo. Carpy, Thos. Gibson.

Another Account of the Battle.

Port Prince, June 1.—The following additional details have been received from a Spanish source at Havana of the engagement reported off Santiago yesterday.

The Spanish batteries first answered the fire of the American squadron in a lively manner. After 20 minutes' firing, directed in a superior manner upon the part of the American fleet, the Spanish batteries began to weaken, and the American ships concentrated a violent fusillade upon El Morro, destroying it completely. The forts at Scaipa and Punta Gorda fired the last shots.

The Spanish loss must have been considerable. Details are lacking as to the American loss.

The Spaniards pretend to have struck the American vessels several times, but this information is accepted with reserve. At 4 o'clock yesterday afternoon the American squadron ceased firing. At that hour there was no Spanish vessel in sight.—No news has been received here from the dispatch boats.

The Spanish Account.

HAVANA, June 1.—The following Spanish account of the engagement off Santiago has been issued here:

The American fleet, consisting of the Iowa, Massachusetts, Brooklyn, Texas, New Orleans, Marblehead, Minneapolis and another cruiser, in addition to six small vessels, took up a position, May

31, in the eastern side of the mouth of Santiago channel, opening fire from the first five vessels.

The Spanish cruiser Cristobal Colon was anchored toward Punta Gorda, and could be seen from the open sea. The fire of the American fleet was answered by the Morro batteries and by the cruiser Cristobal Colon. The American fleet fired 76 shots without causing the least damage. The bombardment lasted 90 minutes and the American fleet retired with a trans-Atlantic steamer (auxiliary cruiser) damaged. Two shells were seen to explode on the Iowa's stern, and there was fire on board another battleship. Several projectiles fell inside the harbor near the Spanish warships.

There is great enthusiasm at Santiago and here.

About to Embark.

Washington, June 1.—Secretary Alger, in a letter to congress says that 15,000 or 20,000 troops will go to Cuba at once and be followed, as soon as possible by 50,000 more.

Loaded Down.

A gentleman who was in San Francisco when our Oregon boys went on board the steamers, bound for Manila, was in this city Saturday. He says the boys were fairly loaded down with flowers and eatables. The young ladies along the street threw wreaths of flowers about their heads. Passing down the street each man was presented with a bottle of champagne at one place, at another with a bottle of beer, while oranges and sandwiches by the wagon load were distributed among them. He says Oregon men may well feel proud of the young men she has sent forth, and that there was no hesitancy on the part of the people of San Francisco in showing their admiration toward them. The ovation given them on their departure was one they will never forget.—Eugene Register.
