THE GOLD DEMOCRAT.

We are becoming thoroughly tired and wards. We do dot mean that the money 10. She brings advices as follows : somewhat disgusted with the fulsome appropriated for these institutions should flattery and senteless praise which is not be expended with the greatest por Peking, Australia and City of Sydney being lavished on the so called "gold de- ible economy, but that they should not arrived at Honolulu together June 1. mocrats," by certain republican papers be crippled by the withholding of the As soon as the three vessels were in Oregon. In the first place there is necessary funds, not enough "gold democrats" in the

state, who voted the republican ticket. either at the last June election, or at the democrat," holds about the same past tion, with reference to politics, as dies the "eilyer republican." Both are privateers or buccaniers on the weat of politice. If a man don't like the republican become a bush-whacker or guerrilla,

whacking around between the lines, betraying the party whose name he still claims to bear. Republican leaders were went out of business last Monday, and in mighty poor business, when they were their copartnership with the democrats in mighty poor business, when they were their constraints with the concernance of the seatting the reception the steamers is fleet has occurred at Manila. One Honolulu, Others on the ship denied ington, importaning the administration be in order for the senior n emter of the to continue a democrat in the collector's late firm to continue business at the cid ing were througed with people. office, to which he was appointed as a stand under the sole name of democracy, democrat, because while still claiming to | -- Potiand Dispatch.

be a democrat, he betrayed his party. There is not now and never has been, We respect a democrat, who, while he claims to be a democrat, stays with his fusion or union, between the populasis party in adversity as well as in success, and democrats in Kansas. The populists publican," who, like Benedict Arnold, state officer, and the democrats were told only remains in the camp where they they could vote for them or let it alone have been bonored and rewarded, just as they pleased.

in order that they may betray and stab in the back these who have been their their commendation. We have no fault -North Yambill Record. to find with the man who, finding him-

self out of accord with his party, leaves it, but we despise the man, who remains with his party but to betray it.

THE SENATORSHIP.

If the coming legislature desire to do the very best possibly thing for the state of Oregon, in the election of a man to fill the vacancy now existing in the state's

congressional delegation, they will elect to that position Hon. Binger Hermann. There is no man in the state of Oregon

who is so well informed as to the nerds of the state as is Mr. Hermann. No man could be found who is so well acquainted with public men in Washington or
