**Prisoners Mutinied.**

WASHINGTON, July 6.—A special dispatch to the Star, dated off Santiago, July 6, says:  
"After the destruction of the Spanish fleet 440 men from the Marie Theresa were placed as prisoners on the Harvard. For some reason these men mutinied. The officers and crew of the Harvard were prepared, and the mutineers were fired upon. Six Spaniards were killed outright and 12 wounded."  
**Advices Peace.**  
The Paris Temps, commenting upon the late disaster to the Spanish says: "Perhaps the only service which Senior Sagasta can now render Spain, his party, liberalism and himself, is to open negotiations for peace. There has been enough bloodshed, battles, and destruction of ships, forts and lives. If the Spanish honor is not now satisfied when in the name of heaven will it be?"  
**Appealing Disaster.**  
A French steamer sunk. Only 200 saved out of 833 souls on board. The steamship La Bourgoine collided with the Cromartyshire off Sable Island, July 4th. The La Bourgoine went down and 170 passengers and 30 of the crew only were saved and 633 were drowned.

**INDEPENDENCE DAY.**

The 122nd anniversary of 1776: has come and gone, a day that will become historic in the world's annals. It has been replete with memorable occurrences. A thousand years have converged into the last two months' eventuality. The Anglo-Saxon race, like the sun in his rising brightness and cheering glory, is beginning to pour down upon the dark pieces among the nations of earth, its civilizing power. Militarism is doomed. Spanish barbarity has aroused humanity to put forth its latent energies. In the crucible of war the pure metal, liberty, is being freed from the dross. The nation that three hundred years ago was one of the foremost nations on earth, is now in the throes of death. The history of the United States for the last two months reads like a romance. The energy of the English speaking race is moving on and conquering to conquer, not for conquest of territory but for right and a growing humanity under the inspiring banner of "Liberty and Right."

In Roseburg the day was quietly celebrated. An oration at the Richardson bicycle track was delivered by Hon. Fred Page-Tustin who made the American eagle scream quite lustily for Cuba libre. He eulogized American citizens and institutions and paid a glowing tribute to patriotic and American patriots. Games of various sorts were indulged in by the young people and hugely enjoyed by young and old alike. The several events resulted as follows:  
Half mile bicycle race, novice's prize, silver medal, Sherwood, of Cottage Grove, won in two heats with Tolles second, time 1:28.  
Half mile bicycle race, boys under 16 years, prize, sweater, Murphy won in two heats, Morris second. Best time 1:25.  
Free for all bicycle race, quarter mile dash, prize, medal, Hassell first, Tolles second, Murphy third, time 0:34.  
Hurdle race, 120 yards, prizes, \$5.00 cash, Faulkner first, McKelvin second, time 0:24.  
Foot race, 100 yards, Bombrake first, Boyd second, time 0:12.  
Pole vault, prize, \$3.00 cash, Faulkner won at 6 ft. 3 inches, with Langenberg second at 6 ft. 2 inches.  
Broad jump, \$3.00 cash, Drager first, Wilkins second, best distance 16 ft. 4 inches.  
A baseball game was also played during the day, for a cash prize of \$15, by the Roseburg and Mt. Scott teams, Roseburg winning by a score of 53 to 27.

The firing of cannon by the old vets of the Home was one of the enjoyable episodes of the day. At night a brilliant and pleasing pyrotechnical display was witnessed by fully two thousand people on the vacant lots south of the Old Fellows Temple supplemented by a similar display of fireworks on Mt. Nexo west of town till ten o'clock.  
At Myrtle Creek the people enjoyed the usual festivities of our natal birthday. Hon. G. W. Wasson, representative elect, delivered the address, which was reported excellent. The Declaration was read by Thurman Chaney. After the intellectual feast the well filled baskets of good things that delight the temporal taste furnished another feast which further augmented the pleasures of the patriotic occasion.

The baby show was quite exciting. About 25 babies were exhibited. Mrs. Dr. P. A. Harris' baby won the prize—a silver dollar—while the other 19 mothers were disappointed. In the evening there was a fine display of fireworks and a dance as a finale to the programme.  
At Coles Valley Geo. M. Brown was the orator of the day, and it is reported, maintained his reputation as an orator. A basket dinner was duly discussed after the intellectual feast. The exercises closed in the evening by a platform dance.

**A Rare Treat.**

A few male members of Rebekah lodge No. 41, who pride themselves upon their culinary knowledge, thought to give the lodge a sample of their skill in the way of refreshments last Tuesday evening at the installation. They presented themselves at the lodge door and demanded admittance, but being without the lodge pass were at first denied admittance, but when it was learned that they had the principal pass, bologna sausage, pickles, cookies and an ice cream freezer full of the delicious congealed fruit, the N. G. ordered the door opened and in stalked four stalwart bipeds of the masculine gender bearing the fruits of their labor, and soon there was a smacking of lips over the delicious morsels punctuated with the "jokes of the season" and commendations of their brothers for their Dewey-like bravery. The lodge surrendered to the invaders. It was a joyous affair and will long be remembered as one of the pleasant episodes of social life in Rebekah Lodge No. 41.

**Installation.**

At Roseburg lodge No. 41 of the Rebekahs, the district deputy, Miss Sarah Wimbly, installed the following officers for the next term, viz: Miss Amata Smith, N. G.; Mrs. S. F. Strange, V. G.; Miss Cora Benedict, secretary; Miss Mae Fisher, permanent secretary; Miss Lena Kearney, treasurer; Miss Martha Cummins, warden; Miss Anna Boggess, conductor; Miss Ivy Van Buren, O. **Land Office Changes.**

Hon. J. T. Bridges took his position as Register of the U. S. land office in this city Friday, July 1st. Hon. R. M. Veitch retiring. Mr. Bridges is so well known to the people of this county, having twice represented them in the legislature, that no words of introduction are necessary. Mr. Veitch has served several months more than the four years for which he was appointed, and upon his retirement it is the universal sentiment that the position has never been filled by a more honest, capable and obliging official. He will hereafter make his home at Cottage Grove, where he recently completed a fine residence. Mr. Thackrah will retain his position as clerk in the land office for the present. Mr. J. H. Booth, the new Receiver, will probably not take his position until about the 10th inst., his business affairs requiring his personal attention for several days yet.

**A Fine Present.**

Saturday afternoon when Judge J. C. Fullerton called court to order he was pleasantly surprised by being presented with a beautiful silver water pitcher as a token of the high esteem in which he is held by the members of the Roseburg bar and the officers of the court. Hon. Geo. M. Brown made the presentation speech and in an eloquent manner reviewed the six years which Mr. Fullerton has been on the bench, and how by his just and impartial decisions he had won the lasting esteem of not only the members of the bar but the citizens of his district. The judge responded in a pleasing manner sincerely thanking his friends for their expression of good will.

Ed Majorie and family attended the Fourth here.  
The weather was excellent the 4th, being cool and agreeable all day.  
The young people and some of the elder ones were having a fine time at the dance on the night of the 4th.  
The horrible details and dreadful results of the war are coming to us by personal telegram, and we hope it will soon cease.  
The launch, Umpqua, came up Sunday and returned, bringing up passengers and also taking some down.  
The 4th was a success in a small way, as nothing extensive was attempted. Miss Maimie Palmer presided at the organ. Several patriotic songs were sung, also some excellent recitations were delivered by Miss Blackman and Miss Josie Andrews. An original poem by T. W. Andrews was read. H. Weatherly read the Declaration of Independence and made some remarks. Mr. Farmer, late of Kentucky, also made some pleasing and appropriate remarks. A most bountiful dinner was spread and was enjoyed by all, and much was left, enough for another crowd. Every one seemed to enjoy themselves and all went home well pleased.

**The Crescent is the Best.**

Roseburg, Or., June 21, 1898.  
To whom it may concern:  
This is to certify that I purchased a Crescent tricycle of A. C. Marsters & Co. on April 16, 1898, and since then I have ridden it 1900 miles over rough, craggy highways and muddy mountain trails, without a single break and only one puncture, which I repaired myself. For strength, durability, beauty, finish and easy running the "Crescents" have no equal, for they have been tried and not found wanting in any of the above named qualities.  
I have owned and had the privilege of using several different makes of bicycles, but I would say to any one desiring a first-class wheel in every respect, and one that will stand hard usage and wear to purchase a high-grade "Crescent."  
Respectfully,  
W. WAGGON.

Gurney of Millwood, Oregon, who received the contract for carrying the mail from Roseburg to Millwood three times a week, entered upon his duty on the first day of July, 1894, finished his contract Friday with the government. You will find that Mr. Gurney has driven his stage in the last four years a distance of 28,704 miles, more than once around the world and from Roseburg to the Sandwich Islands.
