Agosto 20,-Dear Father: Since finishing the letter I wrote to Hattie I have been to Cavite after our loggage. I left at 5 o'clock in the morning and soon had a caseo which we were towing on another, and a few minutes later tried to running into the rock wall along the partners. The injury was only to the walled up on both sides, but were lucky enough to get off with the boat damaged very slightly and some of the boys. were badly scared. I never langhed so in my life, some of them wanted to get are not sufficient dryers to handle it. off and go back. The trouble was that two or three of the officers were commanding and the native engineer could ging of potatoes is now in progress. not understand them nor they him. I got over to Cavite all right, but got back go off and leave me, so I had to stay until the next day. One of the boys in the hospital died with spinal meningitis the next day and got to Manila about 11 stayed at the dock with it all night. The next day I saw a lot of natives get of the soil. on the cane platform along the side of a casco, and it broke and let about tifteen or twenty of them into the river. You ought to have been there to see the fun. They didn't seem to mind their ducking. In the afternoon one of the herses got to bucking and backed off the wall.

They manage to catch the horse and pull him and the wagon back, but a Company II barrel went into the river tion, several tools and some other stuff ing. Frost occurred over the Plateau I was over to new Manila today and

bought a dinner which cost \$1.35. Bill of fare as follows: Macarroni soup, eggs, beefsteak, coffee, buns, cheese and the first meal I have bought since leaving Honolula and I never enjoyed any thing so well in my life. I think I will have to have another one in a few days. This was a Spanish resturant. We got is cheap here, only four cents, Spanish, per bottle which is a trifle less than two cents our money, and wine is ten cents. We have only five sick men in our company now and they are not very sick. I have a Spanish dollar I am trying to save to bring home. It was coined in 1797, during the reign of Carolus IV. I had to buy an outside pocketbook bein this climate.

After walking around awhile we boarded the street cars and at the City of Roseburg, Oregon. rode to the ends of all the lines. Enclosed find receipts which every one receives on the payment of his or her fare.

You can ride a long distunce here for two cents Spanish, which is about one cent in our money. It looks funny to see the little Shetland ponies pulling those large street cars. Some places they have only one horse, others two and three. Our car today, jumped the Has just received a new and extensive stock track and landed crossways of both tracks and it was a picnic to watch the Filipinos jump off.

When the car stopped we were the only passengers left on the car. We Ludies' Dress Goods, Ribbons, Trimmings, were also out to Malate, where the Eighteenth had a ecrap with the Spanish about the 1st of July. We hired a cab to come home in and the driver ran BOOTS AND SHOES into snother cab and nearly turned us

I am quite sleepy now and will close for tonight. Will write more in the morning, if possible, before the mail closes. Hamlin, Shambrook, Slocum, Day and Brown are all feeling quite well and are anxious to start for the U. S. May God bless you all, is the prayer of Your Husband,

Weekly Crop; Bulletin.

Western Oregon weather,-The mean temperature for the week averaged 62, day, and the lowest 44, on Friday morning. Rain fell on Monday, Wednesday and Thursday in amounts from 1.00 to

1.75 inches. Crops.-The ram was of benefit and yet of some injury. The benefits were, it softened the ground and allowed the commencement of tall plowing and seeding; it started the grass and improved Pasig river, which, through the city is prune crop; it caused the prunes to drop to rapidly and cracked some, though the damage will hardly be appreciable. Prune drying continues to be active; the crop is so large that there Late peaches and pears are ripening. The vegetable crep is excellent. Dig-

Hoppicking is completed. The season was very favorable to the growth and to the dock just in time to see the boat maturing of the hop crop. Hop drying and baling is now in progress.

Harvest of all products is practically completed. Late fruit is being packed while I was there. I left at 9 o'clock and shipped. Grapes are ripening. The grass is turning green. Work has o'clock. We unloaded the baggage and commenced for next year's crop. The Autum weather conditions have set

in. More rain, lower temperature and frosty mornings may now be expected. Eastern Oregon weather.-The mean temperature for the week averaged 61, which was 7 lower than for the preceding week and S lower than for the corresponding week of last year. The highest temperature during the week was 80, which occurred on several days. and the lowest was 36, on Friday morn-Region on several mornings. Bain to the amount of from 0.08 to 0.14 of an inch fell on Tuesday and Wednesday.

Crops,-Harvest is over: only a small amount of grain 'yet remains to be Spanish beans. You can see that things threshed. The season has been one of are quite high in the food line. This is the most favorable on record for the grain crop and for crops of all kinds. The bulk of the rgain crop is now in warehouses and elevators.

The rain started the grass and sprouta piece of meat about the size of a fig grain is sown every year in the dust and and it cost twenty cents. Bottled soda the first rains give it a good start. Pasture is improving and the movement of stock from the summer to the winter ranges has commenced.

Fruit is maturing and is being shipped. The fruit crop is unusually large; the same is true of the vegetable crop. Work for the crops of next year has commenced.
