Some Early History.

The following article addressed to this paper from the pen of Hon. John V. Wright, who was a member of the 34th, 35th and 36th congresses from the state of Tennessee, and since that time one of the judges of the supreme court of Tennessee, will prove interesting to a great many old pioneers of Oregon. Mr. Wright is now quite an aged gentleman and is the only survivor of the congress which admitted Oregon as a state into the American union.

WASHINGTON, D. C., Sept. 25, 1896.

EDITOR PLAINDEALER: Oregon was admitted into the union as a state on the 13th day of February, 1859, now nearly forty years ago. Gen. Joseph Lane was the delegate who represented the territory in the congress. The other territories were Washington, Kansas and Nebraska. Great, and I may say almost violent, opposition was made to the act of admission. It was contended that the population of the territory was not sufficient, that it did not contain 90,000 inhabitants. It was also opposed on the ground that the constitution of the proposed state contained a clause providing that "No free negro or mulatto shall be entitled in the state at the time of the adoption of this constitution shall ever come, reside or be within the state, or hold any real estate, or make any contract, or maintain any suit thereon, etc."

CITY ELECTION.

The Present Administration Indorsed By the Citizens.

The city election, which took place on Monday, passed off quietly, and resulted in a sweeping victory for the friends of the present administration. The result by wards is as follows:

First Ward.—Alderman, F. P. Brown, 38 (no opposition); Recorder, West, 17, London 21; Marshal, Dillard 27, Kidder 11; Treasurer, Carpy 29, Kezartee 13.

Second Ward.—Alderman, W. R. Willis 44 (no opposition); Recorder, West 28, London 30; Marshal, Dillard 45, Kidder 11; Treasurer, Carpy 41, Kezartee 17.

Third Ward.—Alderman, W. J. Lander, 40, Harvey Jones 21; Recorder, West 27, London 36; Marshal, Dillard 50, Kidder 16; Treasurer, Carpy 46, Kezartee 19.

Fourth Ward.—Alderman (two to elect), F. W. Woolley 20, H. C. Slocum 23; J. C. Aiken 12, P. Benedict 14; Recorder, West 26, London 9; Marshal, Dillard 19, Kidder 16; Treasurer, Carpy 27, Kezartee 8.

SUMMARY.
Recorder.—P. S. West 95; V. C. London 36; West's majority, 2.
Marshal.—F. W. Dillard 141; A. L. Kidder 52; Dillard's majority, 89.
Treasurer.—Geo. Carpy 140; Geo. Kezartee 54; Carpy's majority, 86.
Aldermen elected.—First ward, F. P. Brown; second ward, W. R. Willis; third ward, W. J. Lander; fourth ward, H. C. Slocum, F. W. Woolley.

The hold over aldermen are: first ward, C. W. Parks; second ward, F. W. Benson; third ward, A. Fields.

The result had some surprises connected with it, which are not easily understood; the fact that Capt. Kidder received so few votes, was a surprise to many but is easily understood when it is known that he is the father-in-law of Dr. Walter Hamilton, and that the Review crowd, smarting under the defeat of the Review candidate two years ago, which they attribute to the fact that the Hamiltons supported Mr. Green for that position instead of the Review candidate, took occasion to get even with the Hamiltons by slaughtering Mr. Kidder, and they did it to a finish.

The ticket election is a good one, composed of representative citizens and business men, and will continue the popularity of the present administration.

At Variance.

The little river steamer Ralph of the mail line is lying tied up at the wharf in Gardiner for some non compliance of law, as is also the little Juno for some other reason. Complaints having been made of the same by the opposite parties. Public opinion seems to be in favor of mail boat, but, be it as it may, it is to be hoped that affairs will proceed to adjust themselves properly and each engage in their own line of business as heretofore, and as it is not always the best thing for one party to hold a monopoly of a traffic, it will be better for the general public to have more than one river means of navigation.
