MAY SOON COME HOME

The Volunteers Will Be Mustered

Ont.

REGULARS TO REPLACE THEM.

Cannot Be Done, However, Until After Congress Meets Next Month.

A dispatch received recently from Denyer, Colo., states that Governor Adams has received a message from Adjutant-General Corbin to the effect that the to embark. volunteer regiments now on daty in the Philippines will be ordered home as soon as the troops now en route reach

unteer regiments now on their way to date. Manila are to take their places.

Until congress shall take action in the matter it will be impossible to replace them with United States regulars, as the standing army now cannot number more than 25,000 men. The present state of affairs existing in the Philippines and the other Spanish islands will require the presence of a strong army for a good while, and all are unanimous in the belief that the government will pursue the policy of putting regulars in the place of

to increase its strength sufficiently to permit of it. In speaking of the volunteers comis

home, a man who stands high in local "I think that is the policy of the go rnment. A great deal of pressure is beteers who are anxious to come bome. Then, too, the boys claim, and justly so, that they only volunteered for the war, face of the city in the streets and yards and that being over they are ready to re-

"A great many are really sick. No doubt about that. But many of them who have left comfortable homes and a good climate are simply homesick, and

no one can blame them. "The boys have done well and deserve great credit, but for garrison duty there is no question about men who go into the army as a business being more satisfactory, and the government will beyond doubt replace the volunteers as soon as it is possible."-Portland Telegram,

A Significant Circumstance.

NORFOLK, Va., Nov. 14 .- Twenty thouand six-pound shells will be shipped to the Mere island navy-yard Monday. Three freight cars will be required to convey the ammunition across the conti- the scales at 40 pounds. nent. Orders have been received at the yard to work night and day on the gunboat Princeton in order that she may as to the Woolen Mills Company, of Bansoon as possible join the squadron which don, 9000 pounds of wool. is to assemble in Hampton Roads, of Work on the building of the Hunting-

The order also stated that work must be pushed on the monitors Paritan and Terror, so that they will be available for service on short notice.

The activity indicated by the shipment of ammunition from the Atlantic to the Pacific and the ordering of night work for the first time since the auxiltary fleet was being equipped for service at the beginning of hostilities, is signifishipped to Mare island is in all probability going to Manila, for the American equadron has shot away much of its rapid-fire ammunition.

Archbishop Gross Dead.

PORTLAND, Or., Nov. 14 .- Archbishop William Hickley Gross, of the Oregon Roman Catholic church, died at St. Joseph's hospital, Baltimore, Md., this morning. His grace had been in illhealth for some time, and during the first week of last September he decided to visit his old home in Baltimore.

Under his administration the Catholic Church, on the Pacific Coast, has made thus probably averting an appalling great strides; and he was universally loved and respected. He will be buried in Baltimore, and no prelate from this coast will be able to reach there in time

Fire at Dawson City.

burned. The blaze was started as the esult of a row between two women of the town, in which one of them, Belle Mitchell, threw a lighted lamp at the tised war between Great Britain and other. The lamp broke, the oil spread, France is beginning to take on the asand in a few seconds the building was on peet of a pink tes. fire. The fire of a year ago was caused by this same woman, who threw a lamp

at a man with whom she had a quarrel. Spanish Soldiers Mutiny.

KEY WEST, Nov. 14 -Private reports from Puerto, Principe and Nuevitan, Cuba, state that 7000 Spanish soldiers mutined, demanding their pay before dent military governor, General Emilio done. March, who finally induced them to re-

Orden Publico forces, which for three Mauila. C., Nov. 14.-Returning Klondik- and cattleraisers in that section, and it is ers today bring news that the city of the opinion of Edler that some cattle Dawson has been visited with a \$500,000 fire, in which 40 buildings were depreciation.

Constipation is the all-embracing cause of ill-health. Dr. Pierce's Pleasant Pellett cure it. They never gripe.

## State Press Comment

Moro Observer: That widely adver-

Hillsboro Independent: Americans are not silly on all off years. Protection and gold, and territorial expansion, and the building of a mercantile navy bave been indorsed.

Pendleton East Oregonian: The republicans will be in power in both the house and senate, and no time should be wasted in retiring the greenbacks and embarking for Spain. Four thousand of treasury notes. We can never have the them, fully armed, surrounded the resi- benefits of sound money until this is

Grant's Pass Courier: Emperor Willturn to their quarters. The croiser Al- jam of Germany and the Sultan of Turfonso XII and two gunboate are on the key are in close friendship since Willway to Nuevitas to compel the soldiers iam's visit to the latter. As we have said before, the Sultan is one of the shrewdest rulers of Europe, and he HAVANA, Nov. 14,-The mutiny of the knows how to manage things to save his own scalp.

Portland Telegram : Roosevelt, with his fearlessness and intelligence, is the rears and the promise of full liquidation, ally giving New York the administration

E. E. Phippe, of the Medford Monitor-Miner, makes a vigorous altack upon arms, among other blessings of the past the fact that our cause was just, while there was nothing right or humane back of the Spanish cause. The fact is Phipps has "soured" on himself and everybody else and has became a chronic grumbler. He would have come nearer rejoicing and returning thanks, perhaps, man !- Myrtle Point Enterprise.

## Havana Again is Quiet.

NEW YORK, Nov. 15,-A dispatch to the Tribune from Havana says:

Havana is quiet since the strife of the agreement on the date of evacuation will. Orden Publico was suppressed, but the strain is intense and the outlook does De O'Reilly who has been ordered to not improve. The population generally report in Washington, will leave for the shows a peaceful disposition, looking upthe impatience for American control

Little can be learned of the feel ng among the troops, though the evidence cleaning the city. Careful estimates of unrest is pronounced, and the resenthave been made, showing that the sur- ment against Arolas for the killing of one of the Orden Pablico is bitter. It is now admitted that his death was caused of not exceeding \$20,000. When it is by a blow from Arolas' machete, and

> Blanco is conciliatory and hopes to handle the dissatisfied soldiers by persussion, while Arelas is arbitrary and insists on exercising all his forctions as military governor. He would quell the incipient mutiny with cannon, but it is not certain that one body of troops would fire on the others. The plan has been to bring 'in battalions from the country who were not in association with the Orden Publico. It answers temporarily, but will not be a permanent assurance of peace.

The statement is made that all men of the Orden Publico have been disarme!, but this is doubted. Small payments to other battalions of arrears due makes a palliative but not a cure. The bankers say that \$2,000,000

of it has gone to the soldiers. "Sweet Bells Jangled Out of Tune."

some poison for a bear that had been killing calves in that neighborhood, and soon after found him dead. It was a large cinnamon bear and weighed about 1100 pounds.

At the close of the dance following a show Tuesday night at Burns, the large iamp in the front of the hall set the ceiting on fire, causing the lamp to fall, out fortunately the light was extinguished in falling before striking the floor, thus probably averting an appalling disaster.

J. D. Edler's sheep camp, in Klamath county, was destroyed by fire last week. What could not be destroyed by means of the torch was demolished with an ax. Everything, was destroyed. He was compelled to move his sheep to another.
