TO REGISTER VOTERS.

Full Text of the New Law Drawn by Harmon.

WILL BE FIRST TRIED NEXT YEAR

Electors Are Required to Register Between January 1 and May 13—County Clerk's Fees.

SALEM, Feb. 21.—The registration law passed by the legislature and approved by Governor Geer is Harmon's senate bill No. 6, as amended. Registration blank B, which is referred to in the body of the law, is not part of the act. It was designed to enable electors to cancel their registration after they had moved out of a precinct, so they could register in the new precinct. Registration is free, but the county is required to pay the county clerk 10 cents for each registered voter who votes.

Section 1. It is hereby made the duty of the county clerk of each county in this state, between May 1 and December 15, 1899, and biennially thereafter between said dates, to procure a sufficient supply of all the books and blanks required by the act and to register all the electors in the county. The board of commissioners of each county shall order to be paid out of the county treasury the reasonable and necessary expenses so incurred by the county clerk.

Sec. 2. Said registration book shall be ruled and printed upon 16-pound cap, superfine white paper, so that each double page will be 17 inches wide and 14 inches long. They shall be ruled and printed alike for all counties in the state. There shall be one or more volumes well bound, with leather back and corners and cloth pages, for each county, large enough to contain the names of all the electors in the county, called the general county register. Each general county register shall have four blank leaves, suitably ruled, in the front to facilitate making an index to the several precincts in the county, and the pages shall be numbered consecutively in the upper right-hand corner of each double page. Each county clerk shall before proceeding to register electors, suitably divide his general county register into as many parts as there are election precincts in his county, and index the several precincts in the front of the volume. There shall be one registration book bound in tabular form, with cloth strips on the back, for each election precinct in each county of the state, called the precinct register for ——— precinct, ——— county; and its pages shall be alphabetically indexed on the margin, so as to facilitate registering the electors in the precinct in alphabetical order, according to surnames. These precinct registers shall be bound in different sizes, so as to suit the different precincts. Size 1 shall contain eight double pages; size 2 shall contain 16 double pages; size 3 shall contain 32 double pages; size 4 shall contain 48 double pages. The paper, size of pages, ruling and printing shall be the same as used for the general county registers, but the pages need not be numbered. Said registration books shall be ruled and printed substantially in the following form:

Official Register of Electors for Precinct, _____ County, Oregon. (No. of Page.)

No.	Name	Residence	Occupation	Age	Sex	Color	Education	Declaration of naturalization	Residence	Signature of elector	Signature of elector	Remarks

Sec. 3. The following registration blanks, designated as registration blank A, and registration blank B, shall all be printed upon 16-pound cap, superfine paper, 8 1/2 inches wide and 14 inches in length, with a blank margin of one inch on the left-hand side of the blank, the back of which shall be gummed five-eighths of an inch in width. They shall be furnished in pads of 100 each.

Sec. 4. In Multnomah county, and in all other counties in the state which have no county clerk, the clerk of the county court shall perform all the duties required by this act to be done or performed by the county clerks in other counties, and he shall be compensated in the same manner.

Sec. 5. It shall be the duty of every elector in the state of Oregon, between the first Monday in January, 1900, and 5 o'clock p. m., of the 15th day of May, 1900, and between the same dates and hours biennially thereafter, to register with some notary public or justice of the peace, or with the county clerk of the county in which the elector resides, in accordance with this act.

Sec. 6. It shall be the duty of the county clerk in each county, between the first Monday in January, 1900, and 5 o'clock p. m., of the 15th day of May, 1900, and between the same dates and hours biennially thereafter, to enter upon the proper registers every person who complies with the requirements of this act, and claims to be an elector residing in the county. If the clerk refuses to enter the name of any qualified elector, such elector may proceed by mandamus to compel him to do so.

Sec. 7. Every elector may be registered without charge by personally appearing in the office of said clerk, and after being duly sworn, stating the following facts, which the clerk or his deputy shall appropriately enter in black ink, at first in the general county register. The electors shall be numbered, consecutively, 1, 2, 3, etc., in each precinct, as they are registered in the general county register. The clerk shall inquire of the elector, and enter the following information in the general county register, in the division set off for the precinct in which the elector resides, to-wit:

1. The registration number of the elector.
2. The date of registering the elector.
3. The full name of the elector.
4. Leave a blank space in which the judges of election shall enter in the precinct register the pollbook number of each elector when he has voted.
5. The business or occupation of the elector.
6. The age of the elector in years.
7. The country nativity.
8. If naturalized, the time, place and court of naturalization or declaration, as evidenced by the legal proof thereof, exhibited by the elector.
9. The actual and precise place of residence of the elector at the time of his registering, stating first the precinct,

and, if in the country, the section, township and range; and in cities and towns having streets, by specifying the name of the town or city, the street or other location or dwelling place of the elector, with the number of such dwelling, if the same has a number; if not, then with such description of the place that it can readily be ascertained and identified. If the elector be not the head or proprietor of the house, then it must show that fact, and upon what floor thereof, and what room such elector occupies in such house.

10. The fact whether or not the elector desiring to be registered is able to write his name and mark his ballot, and if he cannot do both, then the nature of such disability must be entered.

11. The elector shall then, next following the afore administered oath, sign his name in the presence of the clerk, or the deputy acting in the general register upon the same line where the preceding information is written, and the registering officer shall then sign his own name upon the said line, and add any remark required by this act or appropriate thereto for the information of the judges of election. If the elector is registered by the clerk in person, he shall sign his own name in attestation thereof; and if the elector is registered by a deputy then in addition to the name of the clerk, the particular deputy actually registering the elector shall sign his name, at length, in attestation thereof. If the elector declares he is unable to mark his ballot or sign his name, he shall state why and the clerk shall enter upon the register the reason. If the elector's inability to sign is apparent, in consequence of some physical infirmity, such as blindness or loss of limb incapacitating the electors from writing, he shall so state the fact; but if the disability is stated to be the illiteracy of the elector, the clerk shall, in addition to stating that fact, enter as full a description of the physical peculiarities of the elector as possible, giving his height, approximate weight, complexion, color of eyes and any visible marks or scars and their location, and attend the same.

Sec. 8. The clerk shall then enter in the separate precinct register of the particular precinct in which the elector resides, everything entered by him in the general register. He shall arrange the names alphabetically, according to surname, in the separate precinct register, but the same number given the elector in the general register shall be given him in the separate precinct register. The clerk or deputy shall then require the elector to sign his name, and, as in the general register, he shall attest the registration. The separate election precinct registers shall contain all the information concerning the elector contained in the general or county register, including the actual signature of the elector, if able to sign, and the clerk's or his deputy's signature attesting such registration.

Sec. 9. Every elector may be registered by personally appearing at the clerk's office and complying with the provisions of sections 7 and 8 of this act; but, if said elector is unable for any reason to conveniently register as aforesaid, he may register without charge, before a notary public or a justice of the peace in the county in which he resides by using one of the blanks designated as blank "A," in section 3 of this act, and filling out a in black ink such a way as to afford all the information which is sought otherwise to give to the clerk under section 7 of this act, and in addition thereto, signing the same three times in the presence of two witnesses, freehold-

ers of the county, who shall sign their names upon the same blank, and by the elector and witnesses making oath thereto as specified in said blank "A," which shall be duly certified by the notary public or justice of the peace and forthwith filed with the county clerk of the county in which the elector resides. The county clerk shall supply each registration officers, upon request, with a sufficient number of said blanks "A" and "B" free of charge. Each justice of the peace or notary public, who so registers electors shall at the time he registers them, enter the names arranged alphabetically, according to surname, and the date of registration and the precinct, in a record book kept by him for that purpose. He shall not charge the elector anything, but he shall be entitled to receive from the county the sum of 10 cents for each elector so registered by him whose affidavit has been duly filed with the county clerk and who has voted in the precinct where he registered at the ensuing election. After each general election the county commissioners shall audit such bills and order payment (Continued on 4th Page.)

W. G. WOODWARD

Life is a battle field. Every day brings its fierce, unceasing conflict; every night leaves its multitudes of dead. The horrors of war are no greater than the horrors of disease. If all the nations of the earth were at war against each other there would be no such carnage wrought within the year as that which is accomplished annually by one dread disease—consumption.

And yet this most fatal of all diseases is not without its remedy. It is no longer the irresistible destroyer that it was considered thirty years ago. An entirely new aspect is put upon the possibilities of this dreadful malady by the astounding remedial action of Dr. Pierce's Golden Medical Discovery, which cures consumption by nourishing the lungs with an abundant supply of pure, highly-vitalized blood.

This stops the formation of tuberculous matter, and builds up fresh tissue, muscular flesh and vital energy. It gives digestive power to the stomach which is too weak to assimilate oily emulsions.

Miss Lucy Kieffer, of Armada, Mich., writes: "When I was about eight years of age I had inflammation of the lungs, and from that time up I was sick nearly all the time and had a doctor nearly all the time. I would take cod as easily as I would go right to my lungs. At the age of nineteen I was very bad, there was pain in my lungs, tickling in my throat and my throat was stuffed with mucus; there was hoarseness and a oppression of voice, and difficulty of breathing. I doctored with out of our best physicians and he said he could not help me and I had prescribed cod liver oil and told my mother I could not live longer than three months. I kept getting weaker every day when at last a friend asked me why I did not try Dr. Pierce's Golden Medical Discovery. I thought there was no use, no more help for me as consumption was in our family. My father and also my sister died with it, but after taking the first bottle I felt better. My appetite was better and I kept right on taking it, with a bottle of the 'Discovery' once in a while, until I felt real well. Before taking it I weighed one hundred and ten pounds, after taking it, one hundred and thirty. I have not had a cough this winter."
