For fine tone and high grade piano get a Needham. They speak for themselves. It does not take a cracker jack at a big salary or a paid musician to sel them. All we ask is to look at the instruments, try the tone yourself, and you will be convinced that Needhams are the best pianos on the market, except Chickering or Steinway. For reference see O. F. Godfrey, A. C. Marks, or I. B. Riddle, who has just received at his home a beautiful one in figured mahogany case. The prices of these pianos are the most reasonable for the quality of goods ever offered in this city. I can also give you inside prices on any make of piano. Call and see

The many friends of Miss Maude Beckley are much pleased to see her in their midst once more. She returned on the overland from California, last Sunday morning, and is looking well.

The cable which convers the boat across the Umpqua at Smith's Ferry, was broken by the late flood. The boat was not damaged but the cable went to the bottom and was buried under the mud and drift.

Mr. R. M. Kelley, who has a copper claim on Elk Creek, about six miles from Yoncalla, stopped in Oakland last Monday while on his way to Roseburg. Mr. Kelley had with him samples of ore taken from his claim so heavily loaded with copper that it needed no glass to see it and impressed one with the idea that there must be plenty more where that came from. Some of the mines around about here are likely to surprise people some of these days.

Glendale.

Mr. John Kelehr, who has been for several months in St. Mary's hospital at San Francisco, suffering from a refracture of the same limb he had broken at West Fork, last May, returned to home at Glendale Glendale, last week. Mrs. Alice Wright and her son, Vaughn, and Ida Kilgore, left yesterday evening for Goldendale, Wash. They will be much missed here.

Mrs. J. L. Winchell closed a nine months term of school at Glendale on last Friday. Her school has been a successful one. Her pupils here all made rapid progress under her tutelage, and it is to be deplored that we cannot keep her here. She and her husband, Prof. Winchell, will leave next week for Portland where they will reside in the future. Miss Norah Miser will probably accompany them.

Glendale is a very busy town, business of all kinds is prospering.

C. P. Totten and son Elmer have opened a blacksmith shop in town and are kept busy all the time.
