have purchased the City Meat Market of E. F. Rhodes. Messrs. Rhodes & Kent have also purchased a fine band of Coos county cattle, and are now prepared to please the public in their line. We bespeak for them a liberal patronage.

Friday morning a small land slide occurred on Pass creek, near the depot, which materially interfered with the S. P. Co's side track. The foundation, for several feet in length, made a dive for the river leaving the ties and rails almost suspended in mid air. A full force of men have been busy the past week filling in the vacancy with rock, and will soon have a good solid foundation. Frank Jordan, the Postal Telegraph line repairer, was immediately summoned, as one or two of their poles went down with the slide.

**Oakland Items.**  
(From the Oakland Gazette.)  
Ben Shambrook spent Sunday in Oakland.  
W. Turner of Portland spent Sunday with Oakland friends.  
Johnny Beckley of Roseburg was in Oakland Monday.  
Uncle Jap Hunt is "courting" at Roseburg this week.

Mr. D. W. Stuart, who has spent the winter in Portland, has returned to the Park.  
Miss Mary Churchill of French Settlement is visiting at the home of John Churchill.  
A rush of business called Deputy W. R. Medley into active service in the sheriff's office this week.  
Miss Grace Beckley reached Oakland Monday morning. Grace is looking splendid after her long trip in Missouri, and her many friends are glad to see her home once more.  
Ethel Anna, daughter of Mr. and Mrs. Mooney of English Settlement, born March 1, passed away March 15. The parents are very much grieved over the loss of their little bud.  
Miss Mae Stearns and Miss Lura Pinkston, teachers in the Presbyterian Sabbath school, received their respective classes at the residence of George J. Stearns Wednesday.  
E. C. Stunt of the Chenoweth Park orchard, is displacing peach trees with prunes and apples. About 500 of the latter will be planted.  
Mrs. Angeveno and Mrs. Wo. took left for Seattle last Thursday night. Mrs. Angeveno will join her husband. After a short stop at Seattle, Mrs. Woodfolk will proceed to her home in South Dakota.  
A little son of Mr. and Mrs. John Elliott of Kellough, was painfully recalled one day last week. He was playing near a boiler of hot water and while trying to put the lid on the boiler fell in, burning his hands and arms. He was immediately attended to, and his burns will not prove to be very serious.  
The Gardiner Mill Company is preparing to start their logging camp near Scottsburg, on the Umpqua, as soon as the weather will permit. This camp is located about a mile from tide-water, and from there the logs will be hauled by teams and dumped into the river and floated to the mills. The camp will be managed the coming season by Chris Hacker, who is an old hand at the business, and who expects to make things rattle this summer.  
The overturning of a can of turpentine at the Collins Hotel last Tuesday noon, created a fire which caused a loss of about \$150. Carpets, walls and ceilings were damaged, and the family wardrobe was an entire loss. Prompt action certainly averted a serious fire. A strong wind was blowing and the subsiding of the flames was simply miraculous. Had the fire gotten beyond control, nothing would have saved the town. Are we to have waterworks or a fire?

For fine tone and high grade piano get a Neelham. They speak for themselves. It does not take a cracker jack at a big salary or a paid musician to sell them. All we ask is to look at the instruments, try the tone yourself, and you will be convinced that Neelham's are the best pianos on the market, except Chickering or Steinway. For reference see O. F. Godfrey, A. C. Marks, or I. B. Riddle, who has just received at his home a beautiful one in figured mahogany case. The price of these pianos are the most reasonable for the quality of goods ever offered in this city. I can also give you inside prices on any make of piano. Call at 115

To tell the truth my mother has lived with one foot in the grave for several years. She has been a perfect wreck for seven long years. No words can describe what she has suffered. She could not sleep on account of severe pains. She tried every doctor around here and spent hundreds of dollars without benefit. After hearing of your wonderful remedies I wrote to you. My mother has taken six bottles of the "Golden Medical Discovery" and is now perfectly cured. Please receive the heartiest thanks and blessings from my father and seven children for saving the life of dear mother. May God bless you and your Institution, is the wish of your friend.  
Tens of thousands of women have found complete and permanent relief from obstinate and seemingly incurable disease by using the wonderful remedies referred to above. In the special weaknesses and diseases of the feminine organs, the "Favorite Prescription" is a perfect and positive specific. It is the only scientific medicine prepared for that purpose by an educated physician and specialist in that particular field of practice.
