For fine tone and high grade piano get a Needham. They speak for themselves. It does not take a cracker jack at a big salary or a paid musician to sell them. All we ask is to look at the instruments, try the tone yourself, and you will be convinced that Needhams are the best pianos on the market, except Chickering or Steinway. For reference see O. F. Godfrey, A. C. Marks, or I. B. Riddle, who has just received at his home a beautiful one in figured mahogany case. The price of these pianos are the most reasonable for the quality of goods ever offered in this city. I can also give you inside prices on any make of piano. Call all day.
