The crowd must have the said J. B. Eddy, in this personal more than a year before we bought reached the shere. it, neither is it any of our business.

"I expected to find Mr. McGuire there istrate, as well as possession of his prembut when 1 had sufficiently recovered issee and grounds. As I went along plaint that the Review Publishing them. labor was performed for 'the Review and none appeared to be excited. The cases are exactly similar. If not ewim, though he didn't say so. the editor of the PLAINDEALER had with the same propriety as the above a field to a house for assistance. I found renderings in various character. This with the same propriety as the above a field to a house for assistance. I found only some women at the house and had to go to another house, some distance of Pennsylvania; he illustrates the difpany had refused to pay this old away.

WORK OF OUR RENEGADES.

New York Journal.

Our troops in the Philippines are proving themselves irresisible, as usual, but gent Tagels have carried mourning into scores of American homes.

Who can measure the awful responsibility of those renegade Americans, who, dupes that we intended to reduce them to slavery, and thereby substituted manifound. tual slaughter for the humane work of reconstruction that Wood has been carrying on at Santiago and Henry in Porto Rico?

oreigner as to how many states the e safety until he saw the big waves, boys. His reply was the finest attestaare in the union, the Sait Lake Tribune Then he decided that no one could have too that words could give. "Ah! There Fays: "Forty-five state: and some ter gone through there and live-I on a cap- is a regiment of gentlemen." ritories; they fill all the space between sized box . the two great oceans, and at one bugle "My opinion is that Mr. McGuire encall last summer in every one, soldiers countered one of those big waves, which strangled bim, and that Senator Reed redriggist handed him a bottle of DeWitt's Little Early Rivers, the famous little like the tolling of the belis of destiny, mained on the boat until swept off by Little Early Risers, the famous little and the flushings of their standards re- ne of othe big waves.

THE PLAINDEALER flected back the sunlight through one eighth of the sun's daily round. And they all speak one language, all sing the same songs; all turn for inspiration to shores of the parion are shaken, for in c 00 u ajesty, in latent power, in unapproach-1 to able splendor, there is no counterpart for them in all the records of the nations that have existed, since nations were flot organized on earth,"
