"Out of Sight, Out of Mind."

In other months we forget the harsh winds of Spring, but they have their use, as some say, to blow out the bad air accumulated after Winter storms and Spring thaws.

This great Spring Medicine clarifies the blood as nothing else can. It cures scrofula, kidney disease, liver troubles, rheumatism and kindred ailments.

Jay will be brought to every heart in Oregon by the contents of the above dispatch, which means that if the boys of the Second Oregon do not spend the Fourth of July in Portland, their arrival will be delayed but a few days beyond that time.

If the boys start this week, as the dispatch states they will, they should reach here before the Fourth. They will come direct to Portland first, and later go to Vancouver to be mustered out of service.

It will take the transports from 25 to 30 days to cross the Pacific from Manila to Portland. Allowing for delays the Second Oregon ought to reach here in time for the Fourth.

After the dark, dreary months of waiting, their home-coming will be like a burst of golden sunshine.

Portland will be turned into a carnival of blessing. The zeal and patriotism which welled into citizens' hearts and burst forth unrestrained at the departure of the troops, has been augmented a hundred fold by the heroism of the American soldiers in the Philippines and will burst forth again like the pent-up forces of a mighty flood.

Indeed, it will be a gala day for Portland.

SUPERVISOR IN THEIR COUNTRY'S SERVICE.

DEFEAT OF FILIPINOS

Only Solution for the Restoration of Peace.

OREGON'S KILLED AND WOUNDED

Henry T. Wagner and Elmer C. Doolittle, Both of Cottage Grove. Among the Wounded.

NEW YORK, June 6.—A special to the Herald from Washington says: President Schurman, of the Philippine commission, in a dispatch to Secretary Hay, has, it is believed, recommended more liberal concessions to the Filipinos, with a view of ending the insurrection at once.

An official acquainted with the message said it reviewed the situation in the islands and was of an encouraging nature.

The dispatch was considered by the president and Secretary Hay and the president has sent a reply. The nature of the answer is not divulged. It is significant, however, that coincident with his message to Mr. Schurman, a telegram was sent to General Otis with instructions in line with the president's belief that the restoration of peace can only be reached by the complete subjugation of the Filipinos. General Otis will continue his military operations throughout the rainy season.

It is apparent that the president does not look for the close of the rebellion until the Filipinos are convinced of the military superiority of the United States.

The concessions already offered are liberal, the administration believes, and as far as the president can go without authority from congress, but it is doubtful if the new propositions made by the commission will receive their approval.

The war department is preparing plans to send 6000 men needed by General Otis to make up the 20,000 which he says he must have to control the situation.

Regiments will probably be withdrawn from Cuba and Porto Rico, sufficient with other regulars to be taken from the United States to make up the number desired.

General Otis advises the war department that the Oregon regiment will leave for the United States this week.

WAR TAX WILL CONTINUE.

SAN FRANCISCO, June 5.—Nathan B. Scott, United States senator from West Virginia, and until recently United States commissioner of internal revenue, is in this city on a brief visit.

He has much to do with framing the war-tax bill, which he says has increased the annual revenues of the government about \$100,000,000.

He thinks that with a few modifications the measure will continue in force for some time to come. In his judgment the Filipinos should be subdued and given a form of government based on home rule principles before the question of expansion is made a political issue.

Marshallfield, in Coos bay district, is said to be building rapidly, and business men are in high spirits.

JEFFERIES AND FITZSIMMONS

Both are in Trum for Their Big Fight

Champion Bob Fitzsimmons was 37 years old last Sunday.

He celebrated the event quietly. Fitzsimmons has been training energetically at Bath Beach, N. Y. for some weeks past, and he is in fine fettle.

He will go into the ring with Jeffries Friday, he is, he says in as good form as he ever was in his life.

He has done a vast amount of work, and has had his old handlers with him. His methods of training have been exactly those adopted by him when he fought Corbett, and Martin Julian says Fitzsimmons is in the best trim of his life.

The champion had a lot of visitors but he kept largely under cover.

Fitzsimmons is said to weigh about 163 at present.

Jeffries' training quarters at Asbury Park, fairly swarm with visitors.

The majority of them are disappointed, as they do not even catch a glimpse of him.

He did his work early in the morning, which was something out of the ordinary, as Jeffries' work since he has been training at Asbury Park has generally extended over the entire day.

Billy Delaney has been looking after Jeffries at his training quarters, and he and Maney Brady are thoroughly satisfied with the Californian's condition.

Delaney said today that Jeffries had worked himself down to about 208 pounds, and that he would be more than fit to meet Fitzsimmons at the Coney Island Club Friday night June 9th.

Mr. and Mrs. W. J. Plynale, who are stopping with Mrs. Joseph Scott, spent Sunday with friends here.

Miss Marie Savant, who is seriously ill with pleuro pneumonia, the doctor does not usually take country practice, but we are especially glad that he condescended to come so that Miss Marie is assured the best medical aid that can be had in Southern Oregon, and we hope under the doctor's skillful treatment to soon be able to chronicle her recovery.

Mrs. Margaret Martin, wife of Col. Wm. J. Martin, died at the family residence at Jacksonville, Oregon, June 4, 1899, aged 86 years.

Mrs. Martin, our revered mother was ill for eight months, and during her affliction manifested patient Christian resignation. She was a member of the M. E. Church, and leaves a large circle of friends, relatives and children, and an aged husband to mourn her loss. Princeton, Indiana and Skagway, Alaska, papers please copy.

MOLLIE.

There was a small dance on the evening of the 5th. The light fantastic was tripped, to some well executed music of the accordion.
