CONFIDE IN BROOKE AND LEE

Dislike Other American Officers, and Judge America by Them—Have Many Grievances.

New York, June 10.—The Rev. Alfred B. Brooks, who four months ago founded the Congregational church in the city of Havana, has returned to this country for a visit to his relatives and educational work in Cuba. Dr. De Barritt spoke to day about present conditions in Cuba and the possibility of an outbreak against the Americans.

"If this occurs," he said, "it will be the fault of the Americans. The Cubans are a peaceful people, but they are also proud and sensitive, and many things have been done to anger them. The Cubans feel that they are being treated very much as though they had been conquered by us. At any rate the Washington authorities should do away with the present military government. It is worse than unnecessary: it is doing an immense deal of harm. A great many of the American officers do not like the Cubans, and don't scruple to let the Cubans know it. How can you expect the Cubans to like them? Generals Brooke and Lee are liked and trusted, but their influence for good is nullified by the actions of the other officers.

TO AVOID FUSION.

The People's Party Maps Out Plans for the Future.

A Kansas City dispatch of May 28th, says: "The national organization committee of the People's party with the endorsement of the National Reform Press association, has issued an address to the Populists of the country. These two bodies, whose common object is to keep the Populist party in the middle of the road, avoiding fusion with other political parties everywhere, had been in session here since Tuesday morning, and the adoption of the address concluded their labors. All was not harmony among these middle-of-the-road leaders, and only after long and heated discussions was an address agreed upon. A hard fight was made to secure the indorsement of Wharton Barker and Ignatius Donnelly for president and vice-president in 1900, this the committee refused to recommend. Instead, a thorough organization of the middle-of-the-roaders in every section of the country is urged, with the understanding that they shall enter the next national campaign with the present populist organization. The alleged fainter tendencies of Marion Butler, chairman of the populist national committee are provided against in a clause which authorizes the national committee to call a national convention if they shall be convinced that the national chairman or the national committee are playing into the hands of the fusionists.
