## Congressman Shattuc's Reply to Edward Atkinson's Threat.

Cincinnati, Aug. 26.-The following correspondence between Edward Atkinson of Boston, the anti-expansionist leader, and Congressman W. B. / Shattue, of Cincinnati, explains itself:

"Beston, Aug. 15. 1899 .- Hon. W. B. Strattuck, M. C., Madisonville, O .- Dear Sir: A copy of 'Anti-Imperialist' is returned to me with this indorsement: 'Respectfully returned. Take my name off your list. I am no traitor to my country."

"I am very glad to have the information that you are not a traitor. / Had you been, I should have taken your name off the list of members of congress, to all of whom my pamphlets in support of Senator Hoar and others are sent. I may add that since we may assume that you do not support the opponents of criminal aggression, our effort to take your name off the list of the mea bers of congress at the next election will be fully just i. fied. In the interval you may receive other copies of documents similar to / that which you have returned, because I cannot at present expurgate my Yours very truly, / mailing list.

"EDWARD ATKINSON." "Cincinnati, Aug. 19, 1899,-Edward Atkinson, Esq., Boston-Dear Sir: I have received your letter of the 15th inst., and beg to tell you that I would not, even for the nomination to congress, support those guilty of oriminal aggression against this government (as you are guilty.) Your intimation that you may be able to have my name taken off the list of the members of the next congress, because I decline to receive your treasonable documents, is already evidence of you monumental gall and egotism.

"You will succeed in your effort about as well as you did in getting your criminal literature in the hands of Aguinaldo and his followers. You knew what you were doing when you tried to get this trash into the rebels' I hands. Your purpose was to give the rebels encouragement to embarrars I the government of the United States and to induce the rebels to hold out. until perhaps you could try your luck in having the names of the local congressmen taken off the list at the next election.

"Not a precinct in the first Ohio congressional district would elect you or one of your kind as a delegate to a convention to nominate a director for / the county poorhouse. The citizens of this district are loyal, patriotic peo-/ people and I am sure they are not in sympathy with those who are doing all they can to embarraes President McKinley and the government in the effort to restore order and suppress the rebeltion in the Phitippines. When that is accomplished it will be to determine what form of government shall be established in those islands. Our people applaud the speech / made by our president recently, when he said, speaking of our flag, 'It is / the flag of the free, the hope of the oppressed, and whenever it is assailed at any sacrifice, it will be carried to triumphant peace.' That is the kind

"For fear that you will forget it, let me suggest that you make a memorandom that the nomination for congress in the first Ohio district will be made about September, 1900. It will be necessary for you to secure the desired result to commence your work a little before that time, the earlier the better, for I am assured that your friend Aguinaldo will cease to exist as a military chieftain long before that date. Very respectfully. "W. B. SHATTUC, M. C."
