LABORERS SCARCE.

The Republican Wave of Prosperity Has Also Struck Lane County,

POPULISTIC CORRESPONDENCE was through here a short time ago he those works. But owing to exposure to the inclement weather and the danger ous character of this work good men were loath to accept an offer of this kind. Then the agent hinted that \$2.25 per day might be paid for experienced men, bu none were to be found at that price. The agent is reported as saying men accident fallen into the hands of a friend think that there will be work for all who would be brought from Portland, but we desire from Lane county.

The Booth, Kelly Lumber Company is advertising for men at \$1.75 and \$2.50 per day in their logging camps, and these works will continue indefinitely, besides The "Watchman," as is well known, is hop picking. Taking all this into conthe number required in harvest and sideration it is hard to see where Mr. want-work gets off at in Lane county just at present. If he is weak and can't do heavy work, why ! then their is the hop picking and the fruit gathering and iting my aid in the circulation of the then there is the choring on the farms. the straw-stacking at the threshers and milking, etc., and in-door work in fortunate enough to receive, am free to then there is the heavy work in the towns. And if he is strong the woods, at the machine in the fields and on the government work and the pay is certain; but if he is strong and lazy then there is nothing for him to do but to sit by his back-woods fireside or lounge about the street corners and howl bearer. But concerning the platform I and this costs him nothing and he gets
