NEARLY Fifty-eight Years Old !!!

It's a long life, but devotion to the true interests and prosperity of the American People has won for it new friends as the years rolled by and the original members of its family passed to their reward, and these admirers are loyal and steadfast today, with faith in its teachings, and confidence in the information which it brings to their homes and fireplaces.

As a natural consequence it enjoys in its old age all the vitality and vigor of its youth, strengthened and ripened by the experience of over half a century.

It has lived on its merits, and on the cordial support of progressive Americans.

It is "The New-York Weekly Tribune," acknowledged the country over as the leading National Family Newspaper.

Recognizing its value to those who desire all the news of the State and Nation the publisher of THE PLAINDALER, (your own favorite home paper) has entered into an alliance with "The New-York Weekly Tribune," which enables him to furnish both papers at the trifling cost of \$2.25 per year.

Every farmer and villager owes to himself, to his family, and to the community in which he lives a cordial support of his local newspaper, not works constantly and untiringly for his interests in every way, brings to his home all the news and happenings of his neighborhood, the doings of his friends, the condition and prospects for different crops, the prices in home markets, and, in fact, is a weekly visitor which should be found in every wide-awake, progressive family.

Just think of it!!!

BOTH One Year for \$2.25.
