## From a G. A. R. Man

"My attack of Miller's Asthma was very bad. I was obliged to lie down at night for fear of suffocating. I couldn't get my breath. No matter how I tried to get the air in the house, it seemed as if there was no air and that I must surely smother to death. Mr. W. B. Long, of this city, called my attention to Ackers' English Remedy for Coughs, Croup, Whooping Cough, and Lung Troubles. I thought little of it but bought a bottle in the hopes that it might help me a little. It gave me wonderful relief, and the second bottle cured me completely. My recovery is permanent, too, for ever since I have not had the slightest return of my old enemy. I consider Ackers' English Remedy by long odds the best medicine in the world for hacking coughs, asthma and bronchitis. It completely restores those stubborn diseases that many people wrongly suppose to be incurable. If sufferers will just try a single bottle, it will prove every word I have said, and more too." (Signed) JOHN D. ELLIOTT, Commander John Megarath Post, No. 132, Portland, Mich.

Sold at 50c, 75c and \$1.00 bottles, throughout the United States and Canada; and in England, at 2s, 3s, 4s, 5s, 6s, 7s, 8s, 9s, 10s. If you are not satisfied after buying, return the bottle to your druggist, and get your money back. We enclose the above specimen.
