What Scrofula Is.

Scrofula is a disease as old as antiquity. It has been handed down for generations and is the same today as in early times. It is emphatically a diase of the blood, and the only way to cure it is by purifying the blood. That is just what Hood's Sarsaparille does in every case where it is given a faithful trial. It eradicates all impur ties from the blood, and cures the sores, boils, pimples and all forms of ekin disease due to ecrofula tainte in e blood.
