Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a running sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.
We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

A New Cure For Their Diseases and Infirmities.
Scientific investigation, supplemented by experience, has shown that urinary diseases are more prevalent and destructive to life, health and happiness than any other class known to the medical fraternity. They are not confined to the old and degraded portions of humanity, as many suppose but are to be found among the pure of heart, the truly pious and the wealthy.
Many of them are transmitted from parents to children, from generation to generation. Thousands of people suffer untold agony from their ravaging effects, and meet an early and untimely death, often ignorant of the cause. Though transmitted innocently, the effects of these diseases are not the less terrible. It is a sad truth that the innocent are often greater sufferers than the guilty.
If all the organs of the body few are more important than those engaged in the urinary function. In perfect health—that great blessing which so few enjoy—one will scarcely direct a moment's thought to these important organs, and at the first unpleasant symptom good advice, such as may be easily obtained, should be immediately solicited.
Among the chief and most common diseases are renal weakness and nervous debility, or loss of nerve power. Thousands of young and middle aged men suffer with nervous disease for years and may be ignorant of the cause, when a little timely advice would make life's pathway full of cheer and happiness. When the first symptoms of renal weakness manifest themselves the sufferer is noticed to become dull and morose and is troubled with indigestion, though the appetite may remain good. But the strength vanishes and the patient grows thin. He becomes indolent and debilitated, and loss of memory and all vigor of the sexual organs may follow.
In time he may fall into a complete state of impotency—total loss of sexual power. Among its terrible effects may be mentioned loss of memory, confusion of ideas, nervous dependency and general weakness. It needs no mirror, it reflects itself. The pale face, the sunken eye, the downcast countenance, the stooping, aged form—all serve to announce the victim's trouble. It seldom kills itself, but it opens the gates to other diseases, such as consumption and diseases of the heart. The unfortunate sufferer cannot sleep. In that intermediate state, between life and death, intended for the recuperation of the mind and body, he can know no rest, for his dreams are dark and troubling, and the constant drain upon his system robs it of vital fluid.
This affliction may be the result of excess in mature years. As "man is but a bundle of habits," how essential he should start right in life, that his mind should be full of sublime thoughts and pure conceptions. All of you who suffer from this disease should lose no time in consulting Dr. Darrin, for the time may come when you will be beyond the aid of all medical skill.
No matter what you have taken, or who has failed to cure you, call and see the doctor, as he can permanently, safely and privately cure you in one-half the time and one-half the expense required by others.
Dr. Darrin will be located at the McClallen House, Roseburg, until March 18, any one wishing to be cured of cross eyes, hydracels, varicocels, strichers or tumors can apply March, 1, 2, 3, and 4.

SCOTT'S EMULSION
is a food medicine for the baby that is thin and not well nourished and for the mother whose milk does not nourish the baby.
It is equally good for the boy or girl who is thin and pale and not well nourished by their food; also for the anemic or consumptive adult that is losing flesh and strength.
In fact, for all conditions of wasting, it is the food medicine that will nourish and build up the body and give new life and energy when all other means fail.
Should be taken in summer as well as winter.

STRIKING EXAMPLES.
Of Dr. Darrin's Skill in Treating the Sick.
Dr. Darrin's skill can be seen in the person of Mr. Gorsline, of Looking Glass Oregon. Some years ago he was advised to visit the city for medical aid, his trouble being almost total deafness. His good genius prompted him to visit Dr. Darrin in Portland. He was under the electrical and medical treatment as given by Dr. Darrin, and his hearing restored. People who doubt the authenticity of the doctor's cures should interview Mr. or Mrs. Gorsline. The doctor's treatment is equally successful in all curable chronic or acute diseases. Read Mrs. Gorsline's card published below.
Mr. Emroy: I notice in your paper Dr. Darrin is in Roseburg, practicing. For the benefit of that people and the afflicted in general, I wish to state that he did for my husband, who visited him in Portland seven years ago for deafness and ringing noises in his ears. He was so deaf one could hardly talk with him. His hearing came gradually after undergoing the electrical and medical treatment as given by Dr. Darrin. His cure was permanent to this day. Refer to me by letter or in person.
Mas. S. P. GORSLINE, Looking Glass, Douglas County, Or.
It gives me pleasure to say that Dr. Darrin cured us of total deafness of 25 years' standing, five years ago, and that I still remain well. Constantly hearing the great benefit sustained, I most heartily recommend all others like and otherwise afflicted to go to him, as I am sure he can cure them also. Refer to me at LaCenter, Wash. SWAN JENNINGS, December 6, '99.
Mr. Emroy: For 20 years prior to going under Dr. Darrin's treatment in Portland five years ago, I had been badly afflicted with catarrh of the stomach and bladder. I was terribly bothered with dropsy and dyspepsia. I had given up all hopes of relief, but thanks to Dr. Darrin I was cured of all the above mentioned diseases, and I still enjoy the best of health. I reside at Coos City, six miles from Marshfield, and will gladly answer any questions by letter or in person. I heartily recommend Dr. Darrin.
C. C. PRATT, July 23, 1900.
Roseburg, Or.—Dr. Darrin: Please use my name as among the cured by you years ago. I had been afflicted with granulated eyelids all my life—there lashes all gone—I was almost totally blind and had to be led to your office. I have been perfectly cured for eight years.
Mrs. H. EASTON.
Dr. Darrin can be consulted free at McClallen House, Roseburg, until March 18th: Hours, 10 to 8 daily.
