STRIKING EXAMPLES.

Of Dr. Darrin's Skill in Treating the Sick.

Dr. Darrin's skill can be seen in the person of Mr. Gorline, of Looking Glass Oregon. Some years ago he was advised to visit the city for medical aid, his trouble being almost total deafness. His good genius prompted him to visit Dr. Darrin in Portland. He was under the electrical and medical treatment as given by Dr. Darrin, and his hearing restored. People who doubt the authenticity of the doctor's cures should interview Mr. or Mrs. Gorline. The doctor's treatment is equally successful in all curable chronic or acute diseases. Read Mrs. Gorline's card published below.

Mrs. E. K. Gorline: I notice in your paper Dr. Darrin is in Roseburg, practicing. For the benefit of deaf people and the afflicted in general, I wish to state what he did for my husband, who visited him in Portland seven years ago for deafness and ringing noises in his ears. He was so deaf one could hardly talk with him. His hearing came to this day. Refer to me by letter or in person.

Mrs. S. P. GORLINE, Looking Glass, Douglas County, Or.

It gives me pleasure to say that Dr. Darrin cured me of total deafness of 35 years' standing, five years ago, and that I still remain well. Constantly realizing the great benefit sustained, I most heartily recommend all others like and otherwise afflicted to go to him, as I am sure he can cure them also. Refer to me at LaCenter, Wash. SWAN JOHNSON, December 6, '99.

Mr. Enron: For 50 years prior to going under Dr. Darrin's treatment in Portland five years ago, I had been badly afflicted with catarrh of the stomach and bladder. I was terribly bloated with dropsy and dyspepsia. I had given up all hopes of relief but thanks to Dr. Darrin I was cured of all the above mentioned diseases, and I still enjoy the best of health. I reside at Coos City, six miles from Marshfield, and will gladly answer any questions by letter or in person. I heartily recommend Dr. Darrin.

C. C. PRATT, July 25, 1898.

Roseburg, Or.—Dr. Darrin: Please use my name as among the cured by you years ago. I had been afflicted with granulated eyelids all my life—the eyes lashes all gone—I was almost totally blind and had to be led to your office. I have been perfectly cured for eight years.

Miss H. EASTON, Dr. Darrin can be consulted free at McClallen House, Roseburg, until March 18th: Hours, 10 to 8 daily.

This affliction may be the result of excessive mature years. As "man" has a bundle of habits, how essential he should start right in life, that his mind should be full of sublime thoughts and pure conceptions. All of you suffer from this disease should lose no time in consulting Dr. Darrin, for the time when you will be beyond the all of all medical skill.

No matter what you have taken, or who has failed to cure you, call and see the doctor, as he can permanently, safely and privately cure you in one-half the time and one-half the expense required by others.

Dr. Darrin will be located at the McClallen House, Roseburg, until March 18th. All wishing to be cured of croup, cough, cold, varicella, strich-cro or tumors can apply March 1, 2, 3, and 4.
