A MOST REMARKABLE CASE.

Deafness Cured in Ten Minutes by Electricity After All Other Remedies.

To the Editor: Since I was 14 years old (I am now 29) I have been troubled with deafness. Of late I could scarcely hear anything from one ear, and the other was partially deaf. The cause of the deafness was discharging ears. All known remedies to science failed to cure me, until Dr. Darrin treated me with electricity and other remedies. I was perfectly cured of deafness and ringing noises in my ears in ten minutes. Refer to me at Ballston, Or., where I am working on a farm for Mr. Noah Gregg.
J. S. McALLISTER.

State of Oregon, County of Multnomah, I, J. S. McAllister, first being duly sworn, depose and say that the foregoing statement of the treatment and cure of deafness set out in the foregoing statement signed by me is true.
J. S. McALLISTER.

A Notary Public for said County and State.

Dr. Darrin—Dear Sir: I write to inform you that my son David is cured. I received your medicine by letter the 13th and commenced treatment the 14th, and his ears quit running in a few days and he can hear as good as any child. I shall never forget your kindness and benefit to my child. Please accept my gratitude. Refer to me at The Dalles, Oregon.
Dr. Darrin can be consulted free at the McCallister House, Roseburg, until March 15. Hours 10 to 5 and 7 to 8 daily. The poor free, except medicines.

The cure of seminal weakness, best manhood, varicose veins, syphilis and stricture, a specialty, as well as all chronic diseases. Batteries and belts furnished if necessary. Catarrh cured for \$5 a month. All cases taken until March 15, at half former prices.

To Indian War Veterans.

Eugene, Or., Feb. 15, 1900.
Eugene Post-Journal: Please allow me space in your columns to say that I wish to obtain the address of all Indian war veterans, who have not obtained a copy of the book entitled "Early Indian Wars of Oregon," for the purpose of making them a proposition they are sure to accept, and which will not be open but for a short time. All are veterans who were in the service prior to 1857. This offer applies to widows of veterans also.
Send name of captain and company. It will be to your advantage to write to me on once.
S. HANDSBAKER,
Co. B, 2nd Regt., O. M. V., '75-'76.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a running sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.
We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

YOUR FACE

Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and raw complexion, pimples and skin eruptions. If you are feeling weak and worn out and do not have a healthy appearance, you should try J. C. Marsters' Blood Purifier. It cures all blood diseases where cheap Sarsaparil and so called purifiers fail; knowing this, we sell every bottle on a positive guarantee.

Lady Agents Wanted.

GRANDMA HAD CONSUMPTION

and I am afraid I have inherited it. I do not feel well; I have a cough; my lungs are sore; am losing flesh. What shall I do?
Your doctor says take care of yourself and take plain cod-liver oil, but you can't take it. Only the strong, healthy person can take it, and they can't take it long. It is so rich it upsets the stomach. But you can take

SCOTT'S EMULSION

It is very palatable and easily digested. If you will take plenty of fresh air, and exercise, and SCOTT'S EMULSION steadily, there is very little doubt about your recovery.

There are hypophosphites in it; they give strength and tone up the nervous system while the cod-liver oil feeds and nourishes.

See and feel. All druggists, SCOTT & BOWNE, Chemist, New York.
