SUCCESS IN SIGHT.

Address Delivered Before the National American Woman's Suffrage Convention in Washington D. C. Feb 14 1900 by Abigail Scott Duniway

Susan B. Anthony, had discovered the prosperous.

by a destiny they could not foresee or his death, an uncompromising equal cess. ual and collective liberts in the gem- following his example; and if, with his heading my address with the inspiring On the reverse side is the United States studded waters of the Pacific ocean and great soul and manly goodness of heart, caption, "Success in Sight!" The new government seal, impressed open the red searchlight of their expanded vision friend God ever gives to man, what shall as weary as ourselves of these times that British sticker, rescaling the letter after northward, they would see yet other we say of the lives of many—alas, how are out of joint. So they have submitit had been opened, bears the potential initials, "V. it." the initials of the clerk hyperborean altitudes of remote Alaska, noble than he, whose toil has brought in the legislature, an amendment of our who opened the letter, the name of the pedition ought to have been, by mothers, ciation and far less of liberty?

When I was asked to include in my remarks tonight a brief regital of the progres made during the century by the mothers of the race in the far-off corner of our continent from which I come, these facts crowded themselves upon me for expression, hence the introduction.

inalienable rights of women as much apthe son of the pioneer graw up and left to do. It would, indeed, humiliate our horses bought here for the English govpreciated as on the newly settled borders the farm, with its old-lashioned, meager returned veterans were they to see these ernment left inst Wednesday." of these United States. Men have had equipments, which satisfied the good old noble women defeated, at the June electopportunities in our remote countries to father, who, while he lived, had tried in ion; these women, who, though fettered see the worth of the civilized woman vain to corb the aspirations of the bay, at the end of the governmental lariat, who came with them or among them to have settlements after the Indian wonew settlements after the Indian woactor, a speculator, a printer, a publishto whom women had given life, exhibit-

paraeitic woman who inherits wealth, or a banker, a broker, an editor, a politi- corps' affairs as has challenged the adthe equally selfish woman who lives in cian, a merchant—an anything but a volunteers from Asihtic seas, but those idleness upon her bushand's toil, but as plodding, hall-way tiller of the soil his from Idaho, Montana, Nebraska, Dakotheir belpmate, companion, counsellor parents loved. and fellow-homemaker, rejoicing with Then, the daughter, finding the young cheered and feasted and sant on their them in the homes they have earned together, and in the sons and daughters

Then, the daughter, unding the young
way rejoicing amid the glad acclaim o
music, guns and bells. And the homecity, and began to crowd her brother in they have reared in the hope that each the race for livelihood. The young man hearing all this and taking courage would follow in the other's sex the good co-operated with his fellows and built a old plodding paths of industry and peace. Clubbonse—and still the maiden was anti-suffragist to attempt it and none But, in spite of theories or regrets, the alone. But he would work cheaper than other tries. But their cry is for an equa world is moving and woman is moving he, chiefly because she could not run chance with man in the great arena with it—not always, maybe, in the best life's race with him except in ruinous holders, and very few in any state where competition. So she lived in a 7 by 9 women vote, aspire to office. The men our brothers-but always moving on- room with an oil stove and a folding bed; of Oregon are tired of seeing their wives ward in some direction toward a higher and more and more she crowded him to and daughters rated in the political categoal. There came a time in Oregon, in the wall. And it was a life of independ. gory of idiots, incane persons, criminals the days when Washington, Montana ence compared to that which she had settled over our political arena, but it is and Idaho were as yet a part of Oregon's left. Her meager wage sufficed for food the calmness that precedes the success territory, when men said to the intrepid and clothes and shelter. She had dis- that is in sight, women who were helping them to sub-due the wilderness, "You shall be en-satisfied. She was not compelled to Oregon. Her capacity for homes is as dowed with property rights of your own, marry from mercenary motives, and unlimited as is the azure of her skies on upon confen under an act of congress, nied the nuptial bond.

our women pionecrs. inal owners of the soil; and it is safe to she is no longer satisfied. say, that, such is woman's innate love of She sits alone at night in her little God.

The Paradise of the Pacific Northwest, soil, from which no speculator could dis- which and herself there is a great guit complicity in the Goebal assassination, from whose summer lands and sun-down lodge bim. Woman always was fixed. Or she reads of her as presiding was brought here from Louisville, waivseas I have traveled four thousand miles and always will be the best and truest languidly in her palace at a meeting of examination before Judge Meran and

to greet this brilliant gathering, was, un- riend of man. And I say again, as I called to oppose the political liberties of was admitted to hall. Whittaker, who til within the past few years, so remote have often said before, "God bless the such toiling women as berself. She can be also charged with complicity in the in time, as well as in distance, from the men! We couldn't do without them if not have a gilded or even a humble assassination, was also released from older settled portions of this North we would; we wouldn't if we could." home, for herself, because there is no Louisville and turned over to the local American continent, that nobody living And yet, it is well known that the man left to marry her, and her wages anthorities. He will not waive examinaoutside of our great bailiwick, except very best men are not always the most hardly support her daily existence.

shortly prior to her advent, discovered 1881. Mr. Applegate says: "She was and I am not content?" So she is call- the federal court. Judge Evans held covery, headed by Lewis and Clark, be- duct than my better informed judgment. the hall of representatives, and to all colored people is their right of suffrage, 1804; it started westward from a point pilgrimage on earth. might have been ing, "Men and brethren! The times persons from conspiring to injure and oped its transcontinental travels through make all happy around her would not away, but not all things have become the free exercise of their right of fratas the Middle West, and came, at last, Ah, many and many have been the Why should we wear manacles? When pass such laws as the only real guarantee to Oregon, leaving its familias at home. Women of my bailiwick, who, like Mrs. you say keep to your home, she is com- of liverty, and that it was the duty of The results of that important journey Applegate, have "gone to their graves in pelled, alas, to answer that she has no the court to see that the provisions of will remain through all time to mark the deep penury," whose "untaught in- home to keep!
