When our little eigligen-months-old girl was stricken with croup. I gave her this medicine, and ipside of twenty minutes she vemited and was better right away. During the winter she had croup four times, and it brought her through each time all right. I, myself, had bronchitis pretty bad, and Acker's English Remedy cured me completely.

Before I close, I want to tell you of my neighbor's boy, named Jobe Nana. He had bronchitis, too. He got worse all the time. My husband went over to his house and told him about my case. Then his mother went to town, got a so-cent bottle of Acker's English Remedy, and he took it. He came over to our house a few days later and said he was all right, and also said two doses relieved him from the start. You can understand by my letter why I think so much of Acker's English Remedy. I repeat, that God's blessing must surely have been bestowed upon Dr. Acker." (Signed) MRS. JOHN YEAGER, Rochester, Pa.
