MRS. KARO'S GRATEFUL TRIBUTE.

To Dr. Darrin now Practicing at the McClallen House, Roseburg.

LELAND, Or., Feb. 14, 1900.
 EDITOR PLAINEALER: Please publish this for the benefit of those afflicted with sciatic rheumatism. I had it and was cured by Dr. Darrin. I took sciatic rheumatism in November 1899, and had it till September 1900. My body was all drawn and bent to the right side; the pain was terrible in my back and hips and to my knees; sometimes I had to go on crutches, then again I would get so I could walk with a cane; then all at once I would be so I could not get out of my bed; my husband would have to put me in a chair; I suffered everything for nearly two years; I took all kinds of remedies I could hear of for sciatica, but they all failed to do any good; then I heard that Dr. Darrin was in Grants Pass, I made up my mind I would go to see him, I had heard of his wonderful cures, so I took the train at Leland and went to Grants Pass. I could only take a few steps at a time with the aid of a cane then I would have to stop and rest. Dr. Darrin's office was in the Josephine hotel.
 I took the first electric treatment on the 27th of September, on the 28th I went again and took another electric treatment. At the end of four hours, after I took the second treatment, I could walk all around in the house without the cane, and that evening I went out in the town to three different stores and bought a few articles and then I went to the depot and took the train and came to Leland. My daughter, Mrs. Walter, met me at the Leland depot, and when I left the car steps without assistance my daughter said to me, why mother! Then she said, how do you feel. I told her I believed I was getting well. I would laugh and cry together to think what a great change I had gone through in such a few hours. In a week I was doing my horse work. My case was a severe one and so Dr. Darrin gave me a three months' treatment, but at the end of six weeks I felt so well that I quit using the electricity.
 The treatment he gave me was electricity and medicine. I haven't had the slightest symptom of sciatica since.
 I hope all of those who are afflicted with sciatica will go to Dr. Darrin, he will cure them as he cured me.
 Yours truly,
 Mrs. G. KARO.

More Cases Cured.

July 23, 1900.

Mr. Editor: For 20 years prior to going under Dr. Darrin's treatment in Portland five years ago, I had been badly afflicted with catarrh of the stomach and bladder. I was terribly bloated with dropsy and dyspepsia. I had given up all hopes of relief, but thanks to Dr. Darrin I was cured of all the above mentioned diseases, and I still enjoy the best of health.
 I reside at Coos City, six miles from Marshfield, and will gladly answer any questions by letter or in person. I heartily recommend Dr. Darrin.
 C. C. PRATT.

 Total Deafness, Restored.
 Mr. Editor: I wish to state for the benefit of the public, what Dr. Darrin has done for me. For 35 years prior to going under Dr. Darrin's treatment for deafness, I have been totally deaf in my right ear and partially so in the other. With one month's treatment by Dr. Darrin and his new method of cure by electricity, I am rapidly gaining and can hear a watch tick and a clock tick in a
