**Deafness Cannot be Cured**

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a running snout or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

**A Wonderful Cure—How it Was Done by An Advertising Doctor.**

A Card to the Public.—I feel that I could not be doing my duty to woman-kind if I did not let them know how badly afflicted I have been, and how and where to be cured. Ten years ago I was taken with painful menstruation and have been troubled that way since that time, accompanied with womb trouble in every conceivable way. About three months ago the climax came and I was prostrated with pain through the heart, chest and lungs, and confined to my bed from excessive hemorrhage or bowing. After nine doctors of different schools of practice gave me up, I applied to Dr. Darrin, and he has cured me so I can walk from my residence, 130 North Fourteenth street, Portland, to his office. I am overjoyed with the result of the cure.

Mrs. E. A. AHELY.

**AN OPEN LETTER.**

The Following Letter Speaks Volumes for Dr. Darrin's Mode of Treatment.

Dr. Darrin—Dear Sir: It is with great pleasure and a thankful heart. I wish to inform you that I am cured of salt rheum, which I have suffered with for 25 years, at times so bad that my hands would crack to the bone, and my body was also affected. I have no words that can express my thankfulness to you. Mrs. E. Sherbert, of Vancouver, Wash., has known my condition, and can be referred to.

Refer anyone to me at Gardiner, Or.

Very respectfully yours,  
Mrs. MARIHA DAILY.

Dr. Darrin will be at Hotel Riddle, Riddle, Or., March 19th to April 1st, and Briggs Hotel, Canyonville, Or., April 2d to 10th.

**Disturbed Brain.**

While traveling through the dense woods in the vicinity of Eel lake seven miles south of Gardiner last week, Fred Wells of Mapleton, and Henry Winters of Gardiner came suddenly upon a bear's den in the hollow of a large spruce tree. Her bearing as if trying to be disturbed came boldly forth, evidently intending to attack the intruders, but a well directed shot from a rifle in the hands of Mr. Winters at a distance of 20 feet soon ended her career. Upon investigating, two small cubs were found hidden far back in the dark recesses of the den. The cubs were disposed of at the Umpqua light house.—Florence West.

Rev. W. E. Stitzer, W. Eaton, N. Y., writes: "I had dyspepsia over twenty years, and tried doctors and medicines without benefit. I was persuaded to use Kodol Dyspepsia Cure and it helped me from the start. I believe it to be a panacea for all forms of indigestion. It digests what you eat."
