MARCH 19, 1900.

A county convention of the republican voters of Douglas county, Oregon, is hereby called to meet at the Court House in Roseburg, Oregon, at 10 o'clock a. m. on Thursday April 5th, 1900, for the purpose of electing delegates to the state convention which meets at Portland, Or., April 12, 1900, and delegates to the Congressional Convention which meets at McMinnville, Oregon, April 11, 1900, and to nominate candidates for the various county offices to be voted for at the coming June election.

The primaries will be held in the respective precincts on Saturday March 31. The apportionment for said convention shall be 1 delegate at large for each precinct and 1 delegate for each 10 votes or fraction thereof of 10 votes cast for Hon. T. G. For governor at the state election of 1898, as follows, to-wit:

Table listing precincts and number of delegates: Roseburg, 7; Deer Creek, 9; Umpqua, 9; West Roseburg, 5; Kellogg, 3; Comstock, 3; Yonella, 3; Canyonville, 5; Colet Valley, 3; Mt. Scott, 3; Riddle, 3; Pass Creek, 12; Myrtle Creek, 6; Glendale, 3; Oriin Bend, 3; Wilbur, 3; Millwood, 3; Elkton, 7; Calpood, 7; East Umpqua, 3; Looking Glass, 3; Cow Creek, 2; Camas Valley, 3; Gardiner, 3; Lake, 2; Perdue, 2; Scottsburg, 4.

It was recommended that the voters of each precinct, nominate a candidate for road supervisor, for each road district in their precinct, as well as candidates for justice of the peace and constable, and certify their names to the convention for ratification. It is requested that the voters of each precinct elect one person to serve as a member of the County Central Committee, and that that person attend the County Central Committee for the purpose of meeting with the committee at its organization. It is further recommended that in the precincts of Roseburg, West Roseburg, Umpqua, Deer Creek, Oakland and Calpood the polls be opened at 1 o'clock p. m. and remain open until 4 p. m., and that in all other precincts the primaries be called to order at 3 o'clock p. m. and remain open as long as those in charge may think proper.

Dated at Roseburg, Oregon, this 6th day of March, 1900. E. D. STRATFORD, Chairman. S. C. FLINT, Secretary.

Fusion has a very alluring aspect to Brother Gillette and Brother Gazley. It wasn't for the office hunters and office holders in the populist party, there would be very little fusion in that party. It is the men with axes to grind who foster and bring about fusion.

Bryan will speak in Albany on March 28th, the day of the republican county convention. He will then go to the state of Washington and return to Oregon to speak at Roseburg on April 5th, the day of the republican county convention in this county. This would indicate an earnest desire on the part of the democratic managers to secure a crowd for him to speak to.

R. B. Hendricks has begun the publication of the Pacific Homestead at Salem. It is declared by the management to be the intention to furnish the farmers and stockraisers of the Pacific Northwest, a first-class journal devoted to their interests, and judging by the first issues of the journal, the claim will be amply sustained. As the paper will compare favorably with any of its kind published in the United States.

A few weeks ago the Review declared that the republican bosses were trying to force Dr. E. Shambrook on to the ticket for sheriff against the wish of nine-tenths of the republican voters of the county. Now this self-constituted guardian of republican integrity says that the bosses are trying to shove Dave in the interest of some other candidate. The attempts of the Review to create dissension in the ranks of the republican party will stand as did its attempts to break up the public schools of Roseburg.

It is whispered that Judge J. W. Hamilton of this city is to be the democratic candidate for congress in this district against Hon. Thos. H. Tongue, and that the advent of Bryan in Oregon is for the purpose of furthering the interest of Judge Hamilton. The fact that R. S. Sheridan of Roseburg, who is chairman of the democratic state central committee, has charge of Bryan's itinerary, and that the only three speakers to be made in Oregon, and those at Salem, Albany and Roseburg, all in the first district, leads us to believe that there is something in the rumor.

The Douglas county delegation to the republican state convention will probably present to the convention the name of Judge J. C. Fullerton of this city, as a candidate for presidential elector. But few men in Oregon are better known or have a larger number of personal friends than Judge Fullerton, and while we have no doubt of the result of the presidential election in Oregon, yet the wisdom of making up the electoral ticket of men who are personally popular has been demonstrated over and over again, when in close states those candidates who are personally popular have been elected while the remainder of the ticket has been defeated.

PRISONERS FOR ST. HELENA.

Only the Transvaalers Will Be Sent to the Island.

London, March 17.—A dispatch to the Exchange Telegraph Company from Cape Town, dated today, says it has been decided to send only the Transvaalers to St. Helena, the authorities finding it difficult to prevent conflicts between the Free Staters and the Transvaalers, Colonel Schiel, who was captured in Natal in the early part of the war, has a special agency at his door to prevent him from doing himself bodily violence.

Captain Johnson and Third Officer Botgate, of the steamer Maschoua, captured by a British cruiser and subsequently released, were drowned in a gale last night. Four others were drowned, and a boat's crew from the Chebire is missing.

Transporting Prisoners Delayed. Care Tews, March 17.—The departure of the transports with the Boer prisoners for St. Helena was delayed on account of the fact that many Boers have been sick, including many infectious diseases. The authorities are striving to complete the isolated hospital by Wednesday, and the transports will probably sail that day.

Hon. A. M. Crawford, who was the leading attorney in the big mining case of J. G. Warner et al vs Brunau & Jennings, tried in this city a few days ago, has been highly complimented for his successful management of the case.

This action, which was for the purpose of settling the title to one of the richest mines in Oregon, was one of the most important as well as most hotly contested of any tried in Douglas county, for many years. Mr. Crawford is recognized as one of the most able and thoroughly reliable mining lawyers in the state and he more than sustained his previous reputation in this case.

E. E. Sparr, Edmie O'Brien, Thos. Sullivan and Geo. Mahon, the four boys who were convicted by Justice Miller of killing a goat, an offense of which they were probably not guilty, have served out the term of their confinement in the county jail and have been discharged. They complain very bitterly of the food furnished them by Sheriff Stephens, on which they were compelled to work on the public roads. They have left with us a statement of what they claim to be the facts in regard to the matter, and if an investigation we find their story to be correct, we shall publish it.

A Riddle Republican.

RIDDLE, Oregon, March 17, 1900. EDITOR PLAIN DEALER: The near approach to the primaries causes more or less political gossip, and having mingled with the voters of Southern Douglas in the last two weeks I find the sentiment of most republicans are in favor of putting up the strongest men for candidates. Because a man desires a nomination is not always a good reason why he should be selected as a candidate. Let republicans select their representative men for delegates to the county convention. Let candidates be selected for their fitness and standing, and my words for it, the republicans can win over the three-headed monstrosity that will oppose them. Then there is plenty of good material in the republican ranks. For state senator several names that have been mentioned who would make excellent candidates. Among others, the name of W. B. Clarke, the sage of Millwood, is often mentioned. Mr. Clarke is a man of the people, and closely identified with the industrial interests of the county. At the head of the ticket Mr. Clarke would be a host in himself. The names of ex-Mayor Marsters, Judge Fullerton, Geary Young of Oakland are also mentioned. But it was not the intention of this article to mention candidates but as a word of encouragement to republicans to turn out to the primaries. Let me give a long pull, a strong pull, and a pull all together.

AGED CITIZEN DEAD.

Mr. W. Hughes died at his home at Lone Rock on the East Umpqua on Sunday, March 18th, aged 88 years. Mr. Hughes was born in Crawford county, Missouri, and moved to California in 1849. He returned to Missouri and after living there a few years returned to California and came to Oregon in 1870, locating on the East Umpqua in this county, where he resided until his death.

Mr. Hughes was a pioneer of the pioneers, having crossed the plains three times with ox teams. He was always an upright and honorable man and citizen, and honored and respected by all who knew him. He united with the M. E. Church South some time in the seventies, and lived a consistent Christian life, expressing on his dying bed his faith in Christ.

Mr. Hughes leaves a large family and a wide circle of friends to mourn his loss. His widow and four sons and two daughters survive him.

The funeral will take place tomorrow, Tuesday, at 1 p. m., in the Oak Creek cemetery.

Railroad Building Record Threatened

CHICAGO, March 16.—The Railway Age says: More miles of new railroad were built in the United States last year than any since 1899. There is every indication that the present year will witness even greater activity. In the aggregate there are nearly 50,000 miles of projected road.

The Creamery Meeting.

The creamery meeting held in this city on last Saturday was quite well attended, every thing being considered. Steps were taken to incorporate a company and put in a creamery at once. Lack of space will not permit us to discuss the matter fully in this issue. We will give a full account of the plans outlined by those interested in Thursday's issue.

T. K. Richardson today received a large shipment of bicycles, Imperials, Spaldings and Clevelands.

James Inman of Looking Glass was doing business in the city today and did not forget to call at our office with some hard cash for the building fund.

IN THE CIRCUIT COURT.

Court Adjourned For the Term Saturday.

Judge Hamilton has practically cleared the docket of the March term and adjourned court to meet June 8, 1900. The term just closed was of more than the average importance. In the main case of Warner et al vs Jennings Bros., the court after hearing arguments dissolved the injunction, which heretofore prevented Jennings Bros. from working the mine. This leaves them in control with power to work the mine. Cases were disposed of as follows since our last report:

No. 24. W. B. Singleton vs William Langh, action to recover money; J. A. Buchanan for Plff. Continued.

No. 25. W. T. Emery vs W. R. Nease, to recover money; J. A. Buchanan for Plff. Referred to F. G. Micelli to take evidence and report the facts and law in the case at the next regular term of court.

No. 26. E. DuGas vs Esther and L. N. Smith, appeal from Justice Court; J. C. Fullerton for Appellants. Judgment for defendants.

No. 27. State of Oregon vs George Clay, forgery; Geo. M. Brown, Dist. Atty.

No. 28. State of Oregon vs Bert Hardbrook, assault; Geo. M. Brown, Dist. Atty. Dismissed on motion of the district attorney.

No. 29. State of Oregon vs Collins, larceny; Geo. M. Brown, Dist. Atty. Continued for term.

Motion for a new trial in the case of the estate of H. Quinn vs the S. P. Co., action for damages, overruled. Plaintiff's motion until May 1st to file a bill of exceptions upon which to base an appeal.

In the cases of P. L. and W. R. Willis vs G. A. Smith, involving the costs in previous suits, was settled by allowing \$68 in the former and \$71 in the latter case in favor of the defendant, Smith.

Anna Kent vs R. M. Kent; order confirming sale.

Undertaking of A. M. Herrington to keep the peace is discharged.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors prescribed a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by J. F. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, J. F. Throat Troubles "Hardwell, Ky., where I live, is in the extreme western part of the State and only a few miles from Cairo, Ill., where the Ohio enters the Mississippi River. It may be that throat troubles are common here because of location, but whatever the reason, I find it wise to constantly keep a supply of Ackle's English Remedy for Consumption on hand. It is the best thing I ever came across for coughs, colds and throat troubles, and I have used it in my family for years. No druggist here can be depended upon to have it always, so I am writing this letter to W. H. Hooser & Co., 229 Broadway, N. Y., to order a dozen bottles at a time. My wife is bothered lately with sore throat and difficult breathing, but just as soon as the dozen bottles get here, I will give her a few doses, and she will certainly be well again. I expect to write another letter in a short time saying my wife is cured, for I feel absolutely sure it is what she needs." (Signed) T. A. WATTS. Sold at 25c, 50c and \$1 a bottle, throughout the United States and Canada; and in England, at 2s, 3s, 3s 6d, 4s, 6s. If you are not satisfied after buying, return the bottle to your druggist, and get your money back. We warrant the above guarantee. W. H. HOOSER & CO., Proprietors, New York. For sale by M. F.
