

RETURNED TO REPUBLICANISM.

Free-Silver Man Reads Himself Out of the Party.

C. H. Baker, of Waverlyville, Lane county, has abandoned free silver and has resigned as a member of the State Central Committee of the Silver-Republican party. He has written to Chairman Seneca Smith, tendering his resignation, and has sent The Oregonian a copy of the letter with authority to publish the same. Following is the letter:

"Waverlyville, Or., April 6.—Hon. Seneca Smith, Chairman State Central Committee, Silver-Republican Party—Dear Sir: Yours of March 28, notifying me of the meeting of the State Central Committee, Silver-Republican party, at Portland, April 12, has been received. In reply thereto, I deem it my duty to inform you that in view of the fact that, by a recent act of Congress, this Government has been financially firmly established upon the gold standard policy, therefore, in my judgment, the question of the free coinage of silver has been permanently eliminated as a leading political issue. I, therefore, return to the ranks of the regular republican party. Accordingly, I hereby tender my resignation as a member of the State Central Committee, Silver-Republican party. Very truly yours,

"C. H. BAKER."

A distinguished Kansas populist leader is now an officer of a trust, and has the goat. The pops can't stand prosperity.

Oregon will surely go republican this coming June. Bryan made votes while here for the republican party.—Gervais Star.

Kansas corn went up in price last week and still there is as much corn in the state as the railroads can possibly manage. That means increased prosperity for Kansas.

The senate committee on elections decided unanimously in favor of the unseating of Senator Clark, of Montana. The report is to declare the seat of Clark vacant and not expel him.

There are from 15 to 20 prisoners in the Oregon penitentiary from Lane county, who have been prosecuted and convicted by Prosecuting Attorney Geo. Brown and his able deputy, Attorney L. T. Harris of Eugene. At the last term of circuit court for Lane county seven criminal cases were on the docket. No better recommendation could be given the prosecuting attorney of this district and Attorney Harris than the foregoing. The prison rolls show the efficiency of their work and the fact that the entire criminal docket pleaded guilty, is conclusive that the average attorney does not wish to take any chances when Brown and Harris are the prosecutors. Mr. Brown has indeed made an able prosecuting attorney.—Cottage Grove Nugget.
