THE GOLDEN KOYOKUK.

\$100 to the Pan; According to Some Reports.

SEAGWAY, April 15.—The news has been brought up the Yukon by way of Dawson that reports of strikes of almost incredible wealth in gold have been made along the Koyukuk, and that camps along the Yukon have been greatly excited, and half of them are deserted by the men going on stampedes to the districts.

Jack Bourne arrived at Dawson from Circle City by dog team, bringing the report. Mr. Bourne says the wild stories are in circulation as to the extent of the pay. One report has it that \$100 to the pan is a common thing, and he was assured by a reliable and conservative man that the diggings would average \$50 a day to the man. The gold is bright, pure, and assays \$19 to the ounce.

New Train Service on the O. R. & N.

The double train service to be established between Portland and Chicago, April 22, in which the O. R. & N., the Union Pacific and the Oregon Short Line are interested, will shorten the through time 11 hours. Train No. 2 leaving Portland at 9:15 a. m., beginning on the date named, will be known as the Chicago-Portland special. Its equipment will be new, making it fully the equal of any train now in service from the Pacific coast to the east. It will consist of a mail-car, baggage-car, a library-composite car, a first-class Pullman sleeper, a dining-car, two chair-cars, and a tourist sleeper. There will be but one change of cars to all Eastern points. The full time will be three days through to Chicago, or four days and two hours to New York. The second train, known as No. 6, will leave Portland at 6:20 p. m., connecting at East Portland, with the Southern Pacific's overland train from San Francisco, and will carry through equipment to Chicago via the Union Pacific and the Chicago & Northwestern, and also the equipment for the Washington division of the O. R. & N., in connection with the Great Northern for St. Paul. This train will reach Spokane at 10 a. m. A dining-car will be furnished for breakfast into Spokane, and for dinner on corresponding train leaving Spokane at 3:45 p. m. The new schedule as arranged, will supply the most complete service ever furnished on the O. R. & N., as provided increased service in Eastern Oregon, where it is greatly needed, and gives immediate connection with the Washington division at Pendleton. At this point there is a large interchange of traffic, on account of the various mining districts of Baker county, the Coeur d'Alene, the Republic and Kootenai mining camps, Portland is greatly benefited by this change, inasmuch as increased service is given from Eastern Oregon and Idaho.

No. 2 will arrive in Chicago at 9:30 a. m.; No. 6 at 7:45 a. m., as at present. The westbound train out of Chicago, corresponding with No. 2, is No. 1. This will arrive in Portland at 4:00 p. m. The train corresponding with the eastbound No. 6 is No. 3, out of Chicago. This will reach Portland at 7:30 a. m. Westbound train No. 1 will leave Chicago at 6:30 p. m., and Omaha at 8:20 a. m. the following day. The time will be reduced two hours and 45 minutes. No. 3 westbound train will leave Chicago at 10:30 p. m., and Omaha at 4:25 p. m. the next day.

The service on the Union Pacific on all these trains include Buffet smoking library cars, and dining cars. No. 6 will carry a daily ordinary sleeper to Kansas City, with change en route to ordinary cars to Chicago.

An Astonishing But True Story

"My home is in Sidney, Ohio. I have been nearer death with consumption than any other living person in the world, and I want you to read this, so you can tell others. I took a severe cold and neglected it, I grew worse all the time, and at the end of two years I had run into consumption. I coughed terribly, lost flesh, could not sleep, and became so dreadfully weak that I had to take to bed. In the following eighteen months I gradually reached the last stages of consumption. No less than seven physicians treated me and all gave me up saying I was incurable. I was absolutely helpless. The whole family wore themselves out caring for me. One day mother and sister came to my bedside, and said I had but a day or two more to live. Tears rolled down their cheeks as they sobbed the news. The doctors had declared I was in the last stage, and no human being could save me. I was willing to die, but before going to the cruel grave, I wanted to go out and see my dearly beloved town of Sidney once more. They told me such a thing was impossible—that I would surely die before I got back. But I insisted, and to gratify my dying wish, a carriage was fitted up with a bed of pillows, and to this I was carried and slowly driven around Court House Square. I got home more dead than alive. Through the mercy of Providence, someone brought a trial bottle of medicine said to be a consumption cure. No one imagined for an instant it was worth trying. But as a drowning person grasps at a straw, so I tried this medicine. I was better after taking two doses. Mother got more of the medicine and I took it, improving all the time. Today I am as well as any reader of this paper, and the medicine that cured me was Acker's English Remedy for Consumption. I declare before God and man that every word here printed is true."

This remarkable testimonial, on file in the office of Messrs. W. H. Hooker & Co., New York, proprietors of Dr. Acker's Celebrated English Remedy, is vouched for by them, as well as by prominent druggists of Sidney, Ohio.

Acker's English Remedy is sold by all druggists under a positive guarantee that your money will be refunded in case of failure, 50c, 75c, and \$1 a bottle in U. S. and Canada. In England 12s. 6d., 2s. 6d., and 4s. 6d.

A man in Montana named Coffee has applied for a divorce on the ground that his wife roasted him and kept him in hot water. A young lady was out in the country attending a society "hop" recently. She was attired in style with a fine silk waist. Of course she did not want this waist ruined or soiled by perspiration. As the music began a tall country swain approached, asking for "that dance." They made a circle of the room, when she suddenly realized that he was not using his kerchief in the hand that was around her waist. This of course would not do. Stopping in the middle of the room she said: "Will you please use your handkerchief?" Why of course he would, and he forthwith drew it from his pocket and—"blew his nose." And the dance went on.
