DENVER, April 16.—The snow and rain storms continue in severity today. We have no bad storms of any kind in Douglas county.

A meeting of the Lane County Fruit-Growers' Association was held at Eugene Saturday. The attendance was small, and no business of importance was transacted, although the principal business for which the meeting was called was to decide upon joining the Northwest Orchard Fruit Association in the matter of adding the crop of this coast by filing. Reports from all sections are to the effect that the crop this season promises to be the largest ever produced in the county. Frost has not injured the young fruit in the least, the trees are full of bloom, and the young fruit is setting strong.

### New Train Service on the O. R. & N.

The double train service to be established between Portland and Chicago, April 22, in which the O. R. & N., the Union Pacific and the Oregon Short Line are interested, will shorten the through time 11 hours. Train No. 2 leaving Portland at 9:15 a. m., beginning on the date named, will be known as the Chicago-Portland special. Its equipment will be new, making it fully the equal of any train now in service from the Pacific coast to the east. It will consist of a mail car, baggage-car, a library-composite car, a first-class Pullman sleeper, a dining-car, two chair-cars, and a tourist sleeper. There will be but one change of cars to all Eastern points. The full time will be three days through to Chicago, or four days and two hours to New York. The second train, known as No. 6, will leave Portland at 6:20 p. m., connecting at East Portland, with the Southern Pacific's overland train from San Francisco, and will carry through equipment to Chicago via the Union Pacific and the Chicago & Northwestern, and also the equipment for the Washington division of the O. R. & N., in connection with the Great Northern for St. Paul. This train will reach Spokane at 10 a. m. A dining-car will be furnished for breakfast into Spokane, and for dinner on corresponding train leaving Spokane at 3:45 p. m. The new schedule as arranged, will supply the most complete service ever furnished on the O. R. & N., as provided in increased service in Eastern Oregon, where it is greatly needed, and gives immediate connection with the Washington division at Pendleton. At this point there is a large interchange of traffic, on account of the various mining districts of Baker county, the Comrad' Alene, the Republic and Kootenai mining camps. Portland is greatly benefited by this change, in as much as increased service is given from Eastern Oregon and Idaho.

No. 2 will arrive in Chicago at 9:30 a. m.; No. 6 at 7:45 a. m., as at present.

The westbound train out of Chicago corresponding with No. 2, is No. 1. This will arrive in Portland at 4:00 p. m. The train corresponding with the eastbound No. 6 is No. 3, out of Chicago. This will reach Portland at 7:33 a. m. Westbound train No. 1 will leave Chicago at 6:30 p. m., and Omaha at 8:20 a. m. the following day. The time will be reduced two hours and 45 minutes. No. 3 westbound train will leave Chicago at 10:30 p. m., and Omaha at 4:25 p. m. the next day.

The service on the Union Pacific on all these trains include Buffet smoking library cars, and dining cars. No. 6 will carry a daily ordinary sleeper to Kansas City, with change en route to ordinary cars to Chicago.

## Acker's Saved Her Life

"About two miles from Vassar, Mich., where I keep a drug store, lives Mrs. T. M. Bratt. She was very sick and hopeless with consumption. I watched her case with interest after she began taking Acker's English Remedy for Consumption, because I had heard so much about its wonderful cures. Well, sir, perhaps you will doubt it, but with my own eyes I saw this woman get well and strong on that remedy. In a very short time the cough stopped, her lungs were healed up, the soreness went away, and she began taking on flesh. She herself said: 'Mr. Bullard, I owe my life to Acker's English Remedy. It is a certain cure.' In Mrs. Bratt's neighborhood her recovery has occasioned much comment, as you can easily understand. Her case was one where everybody thought it was only a question of a little while until she would die. I feel it a duty as a druggist to write this letter, so that there need be no more deaths from consumption."
