Your doctor says take care of yourself and take plain cod-liver oil, but you can't take it. Only the strong, healthy person can take it, and they can't take it long. It is so rich it upsets the stomach. But you can take

SCOTT'S EMULSION

It is very palatable and easily digested. If you will take plenty of fresh air, and exercise, and SCOTT'S EMULSION steadily, there is very little doubt about your recovery.

There are hypophosphites in it; they give strength and tone up the nervous system while the cod-liver oil feeds and nourishes.

Wednesday's Fire Alarm.

Wednesday the telephone central received a message that a fire had broken out at the residence of David Davidson on Fowler St., an alarm was immediately turned in and the fire department responded at once and started down Main St. By the time they arrived at the McClallen House the engines at the S. P. railroad depot commenced to blow their usual fire alarm and the department immediately turned around and started for the depot. By the time they arrived at Recorder Dave West's residence on Cass and Pine streets, they found their mistake and returned to the city hall with their implements. In the meantime the fire which was a very small one on the roof and had caught from the fine had been extinguished with practically no loss.

One noticeable feature during the alarm Wednesday was "Jumbo" the hook and ladder truck; this is the first time "Jumbo" has taken exercise since July 4th last.

Ivy Dean and little daughter, of Riddle, made this office a pleasant call Wednesday. We were extremely sorry to learn through Mr. Dean, that the Italian prune crop of the Cow Creek and South Umpqua valleys had again been almost totally ruined by the late frosts. However he reports the petite and silver prune and apple crop very promising.

Dr. J. W. Strange returned to this city Wednesday from Ashland where he enjoyed a pleasant visit with his brother, Rev. F. G. Strange. The doctor confirms the report that the peach crop was severely damaged by the late frosts in that section of the state. He enjoyed the pleasure of listening to the lecture of Ex-Governor Taylor at Ashland and says it was one of the best he ever heard and that our people missed a rare treat by not turning out and hearing it.

A new store has just been opened in the Hunter building on Cass street near the depot by Mike DeVaney. The store will be made a popular resort and will be known as "The Shamrock." Mr. DeVaney will keep a fine assorted line of confectionaries, tropical fruits, tobacco, cigars, and gloves, overalls, etc., suitable for railroad men. He has also fitted up a cozy ice cream parlor in connection and will be prepared to serve ice cream soda or plain ice cream at all times. Mr. DeVaney has sufficiently recovered from the severe injuries sustained in the train wreck of over a year ago, in which he lost one of his lower limbs, to give the business his own personal attention. It is to be hoped that a liberal share of the public patronage, which he so justly deserves, will be accorded him.
