MAY 14, 1900.

It is to be a trade-off campaign, from the reports, by the "Union" party. Knowing that they can't carry the county in a square fight the still hunt is resorted to and trades are offered, especially for their legislative ticket. Republicans, be on your guard for the smooth tongue of the man who would swap off his friends.

Editor Nutting, of the Albany Daily Democrat, is a little too broad-zanged for the fusion for spoils combination, and they are having a hard time keeping him in line. Here is his latest bad break: "An Albany man told his relatives east, that every man and woman here in Oregon wanted commercial expansion and prosperity. That is what, and we are doing our best to get it. It is the kind of expansion we need."

The republican joint and county ticket is a clean one and merits your support. It is composed of men true to every trust, free from demagoguery and chronic office seekers. They belong to no ring and are pledged to no one. They stand firmly on the principles of the party, and are in favor of a strictly economical and business-like administration of county affairs. This ticket contrasts admirably when compared to the fusion for spoils, anything-for-office combination that is being paraded before the people under the guise of "union" ticket.

It is observed that the Review is not saying much these days about that "Hobo Letter," which was conspired against Sheriff Stephens by the democratic ring of this city, and a bold effort made to have the libelous effusion published in the PLAINDEALER, in order to more easily defeat Mr. Stephens for re-nomination in the demo-pop convention. It should be remembered that this high-handed, traitorous treachery against Sheriff Stephens was planned and its execution attempted by prominent democrats, one of the ring-leaders at present being a candidate on the union ticket. Thus we have a fair illustration of the material composing the Roseburg ring, over which Boss Fisher presides—a combination so corrupt that treachery is practiced against even its most tried and true servants. The principals in this notorious affair will be brought to light in due time. Down with this gang of hoodlums and conspirators!

The fusion sheet over the way being unable to conceive of a real united, harmonious party movement, since it has thrown its own party into turmoil and bitter strife, marvels at the harmonious manner in which the republican leaders of this county are conducting the present campaign, and alleges that all kinds of trades and political juggling is being resorted to in order to bring about such a result. The Review seems to have forgotten the very enthusiastic and harmonious proceedings of republican county convention, at which time and place all party difference were forever buried and the resolve made to work earnestly together in one common cause—the success of the republican party and triumph of republican principles. It will be remembered since the Review mentioned the name of Judge Fullerton in this connection, that it was this staunch and able exponent of republicanism that gave Hon. A. C. Marsters the nomination in the republican convention for state senator. It is no wonder the Review is greatly alarmed at the harmonious action of the republicans. It means the utter defeat of the whole fusion for spoils and besetting combination, which the Review plainly foresees, hence its frantic efforts to revive the old long buried, anti-Hermann and A. P. A. issues, which in no-wise figure in the present campaign. Republican harmony will surely win the day against fusion in harmony.

### Card of Thanks.

I desire to express my sincere thanks to the many kind neighbors and friends who have shown me such sympathy and consolation to us in our late bereavement and loss of a true and faithful companion and mother. I desire to especially thank the pupils and teachers of the Roseburg Public Schools for the abundant contribution of flowers and many expressions of sympathy.

JOHN BAREY.

## County Clerk's Affidavit.

OFFICE OF COUNTY CLERK OF DOUGLAS COUNTY,  
 ROSEBURG, OREGON, SEPT. 14, 1898.

I hereby certify that I will turn into the Douglas County Treasury from my salary during my terms of office, the sum of \$500 on or before the first day of February, 1899.

Subscribed and sworn to before me this 14th day of September, 1898.  
 J. F. GAZLEY, County Clerk.  
 J. S. FITZHUGH,  
 Notary Public for Oregon.

In order to somewhat justify himself for not returning one cent of his salary back into the county treasury, as he pledged himself as above to do, Mr. Gazley now, with brazen effrontery, sets forth the claim of being the author and finisher of the bill passed in the legislature providing for the reduction of the salaries of the officers of this county. The facts are the man, through whom Gazley claims he urged the passage of the bill, Representative Wilson, opposed the only measure introduced for this object, which bill was drafted and introduced by the Douglas county republican senator, the late Hon. A. W. Reed, and it was only through the persistent personal efforts of Mr. Reed and the union representatives, Wonacott and Conn, that Mr. Gazley's right-hand man was prevailed upon to support the Reed bill, ever word of which can be proven conclusively. The Roseburg Review even repudiated the claims of Mr. Gazley in its issue of May 3, 1900, when it said:

### THE REVIEW'S ADMISSION:

"Senator Reed introduced a bill reducing and re-adjusting the salaries of the officials of Douglas county and in order to insure its passage the Union representatives, Wilson, Wonacott and Conn, introduced no measure, but came to the support of Mr. Reed's bill."

### R. M. VEATCH CALLED DOWN.

Made to Apologize For Pursuing the Usual Fusion Tactics of Misrepresentation.

Windy Veatch made an assertion over at Coburg in his canvass that he apologized for up at Waberville the next day. He said the railroad had a piece of land adjoining his own on which the company was assessed at \$1.50 an acre. Veatch said he bought it and the assessor concluded it was more valuable after it left the hands of the railroad company and immediately assessed it at \$2.50 an acre. When the candidates returned to Eugene from Coburg the matter was investigated and it was found that Mr. Veatch was assessed on that land the same as the railroad company had been, \$1.50 an acre. The fact was sprung on Veatch at Mohawk by Robt Smith, the lightning striker from Grants Pass, and Mr. Veatch was under the painful necessity of getting up and apologizing. When they reached Waberville Veatch took occasion to get up and apologize for his Coburg assertion in advance and then, turning to Mr. Smith, pleadingly asked him to forego further mention of it. Veatch still owes Coburg an apology.—Eugene Register.

### FOR JOINT SENATOR.

Mr. R. A. Booth is a gentleman who is well and favorably known to the people of Josephine county and the whole district in fact. He bears the reputation of being a business man of ability and his reputation as a man is beyond reproach. Not only is he keenly alive to the interests of our people, but is also extensively interested in their welfare by having a great interest in the property which he owns and controls in this county. As a legislator he will be able to accomplish as much as any man whom the people could select. He is well and favorably known throughout the state and doubtless will have a host of friends in the coming session.

Mr. Booth is a speaker of ability and will be as able a man as his honorable opponent could hope to be should he be elected, and will have the support and co-operation of a strong party, and a host of friends to aid and assist.—Grants Pass Observer.

### FUSION PRESS IRRESPONSIBLE.

That little mongrel sheet at Junction City, the Bulletin, alleges that many Japs are employed in and about the Wendling Saw Mill in which Hon. R. A. Booth holds a joint interest. This is another campaign lie pure and simple.

The only Japs employed in that vicinity of Lane county is on the spur of railroad being constructed from the S. P. railroad to these mills by the S. P. Co. The fusion press has become so irresponsible that the old saying must be revised to be applicable, as follows: "If you read it in a fusion sheet it is not true."

Dr. J. C. Twitchell stands high in the medical profession of this county and is withal a genial and whole-souled gentleman. No better choice could be made for coroner. Remember him when you are making out your ticket.

### Glendale.

Robert A. Booth the candidate on the republican ticket for joint senator of Douglas, Jackson and Lane counties, is a man so well and favorably known all over the state, that words of ours can scarcely add to his popularity. He is a man of the highest standard of morality, of purity, of thought and action. Whose best recommendation is to be found inside the ideal home of which he is the beloved and honored head. Next we see him in the character of a public benefactor. His well-known lumbering industries giving employment to something more than eight hundred. We have visited several of his mills and wood camps, and have noted with pleasure the harmony existing among his employes. He passes around among his hired hands with kind and gentle words and words of commendation, more like an elder brother, than the joint owner of such a vast industry. The result is his men almost idolize him, and such an occurrence as a strike is unheard of in the Booth-Kelly mill and lumber business. In Mr. Booth we find a public benefactor, whose utmost endeavor is to extend his business so as to give employment to almost a thousand men rather than retard progress by prophesying "bad times." Mr. Booth is a republican a genial intelligent gentleman who has prospered exceedingly by his own honest endeavor, and who has brought prosperity to Southern Oregon by enterprise and generosity. The affairs of our state will be very safe in the hands of Mr. Booth and we feel sure he will be elected by a large majority.

The order of A. O. U. W. gave a grand ball at their hall in this place on the evening of the 11th which was well attended. They gave an elegant dinner at Hotel Glendale, and also had provided the best music. The management was a success, and the occasion much enjoyed by the large crowd present.

Geo. Roberts and Russel Welsh, of the Gold Bug Mine, came in to attend the A. O. U. W. ball.

Rev. N. E. Jenkins of Grants Pass, preached at Woodford's hall on Wednesday to a small congregation; Mr. Jenkins is a very able speaker and his sermon was much appreciated by all who were present.

The little son of Mr. and Mrs. Ed Wallace died at the Greenback mine on the evening of 12th of blood poison. The interment took place at the Wolf Creek cemetery Sunday morning.

Mr. and Mrs. Grant Levens of Galesville, attended the A. O. U. W. ball at this place. We acknowledge a much appreciated call.

Dr. Darrin, so well known all over the state, has rooms at Hotel Glendale and is doing a large business.

Dr. J. W. Strange of Roseburg has his office at Hotel Glendale and is crowded with dental work.

Mr. Sonneman, of the well known firm of Sonneman & Kiegele, called a special meeting to arrange for the construction of a church building in Glendale, for which Hon. Sol Abraham has donated three lots. Mr. Sonneman deserves great credit for leading on in this laudable enterprise.
