ON Seepages Developed. (Ashland Tidings.) Drilling operations at the plant of the Southern Oregon Oil Co., just east of town, have been progressing more favorably during the past few days than at any time since the big drill was first started and indications of ultimate success in tapping the oil sands have increased as the work progressed. Last night, at 12 o'clock, the well had been drilled to a depth of 400 feet and the blue shale, as it was perforated, gave rich evidences of the treasure for which the promoters of the enterprise have been so diligently seeking. Genuine oil seepages have been encountered in the progress of the drill through the blue shale and during the past few days the tools, as they have been hauled up out of the well, have dripped with a light character of the oily fluid to such an extent as to gladden the hearts of the workmen engaged in the operation, and give more than abundant promise to them of their success; in ultimately tapping the coveted oil sands as a result of their labors. When you are in need of a new suit of clothing inspect N. Selig's stock. A very large line to make selections from.

LATEST NEWS. Czolgosz to Expiate His Crime in the Electric Chair. Mrs. McKinley Able to Drive Out. BUFFALO, Sept. 24.--The trial of Leon F. Czolgosz, for the murder of President McKinley, was resumed today with the prospect that it would be concluded with adjournment of the court at 4 o'clock. The vigilance of the police was in no way relaxed today. The same careful scrutiny of each person entering the court was observed. The courtroom, owing to the care exercised by the Sheriffs and police as to who was admitted, was nearly empty 15 minutes before the time of opening, but it filled rapidly after that. There were many more women in the audience today than yesterday. The prisoner was brought over from the jail at 9:45, and placed in the same chair as yesterday. Members of the grand jury which indicted Czolgosz were present as guests of the District Attorney. It became known this morning that application for seats had been made by representatives of several anarchist papers, but they have been refused. Justice White arrived exactly at 10, and the crier immediately uttered the formal notice of the opening of the court. The case was given to the jury at 3:51. COURTHOUSE, BUFFALO, Sept. 24.--The jury, at 4:26, found Czolgosz guilty of murder in the first degree. Judge White said previously that he would not pass sentence today. The law allows him two days to do so. Under the laws of the state of New York the assassin will be electrocuted. The prisoner never changed his manner when the verdict was read. Those present cheered the verdict. EMMA GOLDMAN RELEASED. CHICAGO, Sept. 24.--Emma Goldman, the anarchist lecturer, was liberated today after two weeks' incarceration following the assassination of the President. Attorney Owens, for the city, informed Magistrate Prindeville that the upper court had freed the men named as Miss Goldman's co-conspirators, and that there was no evidence against her. THE CZOLGOSZ FAMILY. Father Wishes Son to Receive Full Punishment for Crime. THINKS HE HAD ACCOMPLICES. WILL Endeavor to Get a Full Confession from His Son, Other News. CLEVELAND, Sept. 24.--Paul Czolgosz, father of the assassin, accompanied by his son, Waldock, and his unmarried daughter, Victoria, left this city early today for Buffalo. Detective Jacob Monte also accompanied the party at the request of the elder Czolgosz, who is in constant fear that an attempt will be made upon his life, as the result of his son's crime. While no member of the family has been announced as a witness at the trial of Leon Czolgosz, both the father and son, Waldock, declared they would offer to testify, but express the hope that the assassin would receive full punishment for his act. Immediately upon his arrival at Buffalo the father will seek permission from the authorities for an interview with the assassin. The old man declared this morning that he would make every effort to get a confession of any possible plot from his son. It is said he firmly believed that some one influenced Leon to commit the deed. PASSED THE EXAMINATION. Mr. and Mrs. Geo. Whitney are Both Full-Fledged Lawyers. The following is from the Woodland, Cal., Daily Democrat of Sept. 12, concerning two former Engage people. "On Thursday the Supreme court admitted both Mr. and Mrs. George Whitney to practice in all the courts of the state. We are informed that the examination was a rigid one, but they passed it with high honors. Mr. Whitney has been agent of Wall's Fargo & Co. in this city for several years. About three years ago he was admitted to the bar, and with a view of ultimately adopting it as a profession. They kept their own counsel about the matter, and but few of their most intimate friends knew of their intention. They applied themselves so industriously and to such good purpose that they were soon well grounded in the principles of law, and no doubt could have passed an examination several months ago, but they decided not to make an attempt until they were absolutely no doubt about the result. New Democratic Secretary. Richard W. Montague, of Portland has been appointed secretary of the Democratic State General Committee, by Chairman Samuel White, of Baker City.
