CABLE TO THE PHILIPPINES.
ALBANY, N. Y., Sept. 24.—The Commercial Pacific Cable Company, with a capital of \$100,000, was incorporated here today by the following men: John W. Mackay, Clarence H. Mackay, Edward C. Platt, Albert Beck, Geo. G. Ward, Albert B. Chandler and William W. Cook.
Respecting the purpose and prospects of the new company, Mr. Mackay said today that the Commercial Pacific Cable Company had been organized for the purpose of laying a submarine cable from California to the Philippine Islands by way of Honolulu. The length of the cable will be about 8500 miles, the part to be first laid being from California to the Hawaiian Islands. This portion, Mr. Mackay expects will be in operation within nine months. The time required for the laying of the remainder of the cable from the Hawaiian Islands to the Philippine Islands will depend upon how quickly the cable can be made, but Mr. Mackay believes the whole cable will be completed within two years from this date.
HANNA WAS MISUNDERSTOOD.
CLEVELAND, O., Sept. 24.—Senator Hanna declared today that he had been misunderstood when he refused to discuss the policy of President Roosevelt a few days since. While he then did not feel disposed to express an opinion on the subject, he did not mean to imply that he would never talk again for publication. "If President Roosevelt carries out his promise," said Mr. Hanna, "to continue the policy of President McKinley he will have my warm support, as well as that of every other loyal Republican. If McKinley's policy is followed I sincerely believe that the present prosperity of the country will continue indefinitely."
THE CORRECT COURSE.
PATTERSON, N. J., Sept. 24.—The Italian anarchist paper published here, has been suspended. The people indorse heartily the course of the officers in the matter.

DOWN THE GREAT LAKES
In the old days the trip up and down the Great Lakes was the favorite trip of travelers—there were no tourists then. The boats then used did not compare with those now on the lakes, and the trip remains the finest one in the world of its sort. The Northern Pacific, via Duluth, connects with the Lake Steamers, and a trip on the "North Coast Limited"—and these steamers, to the Pan-American Exposition at Buffalo, will be something to recount to your children's children. Send six cents for "Wonderland 1901," now ready, to CHAS. S. FEE, St. Paul, Minn. Any local agent will quote rates.
