**A Big Prune Crop.**—J. B. Riddle, one of the heavy prune growers of the Cow creek valley, spent Tuesday in Roseburg transacting business. In a pleasant call on the PLAIN DEALER, he reported that prune picking and drying operations were finished in his orchards last Sunday and that his total dried prune crop, principally Italian, aggregated 71,000 pounds, he having lost only about 9,000 pounds as a result of the early rains. Mr. Riddle says the trees in his orchard were so heavily laden that the fruit was not up to the usual standard in size and quality, and therefore, when an offer of 25 cents per pound was made for his entire product he accepted it, and taking in consideration the fact that in this transaction he saved the usual expense of grading and boxing, he will realize a net sum and a fair profit from his product, about as much as the average grower will realize after paying his expenses on the market good and boxed.

### Of Local Interest.

**BISHOP IMPROVING.**—S. R. Bristol, who met with a distressing accident near Glendale last Friday by colliding with a locomotive had his left leg above the knee and right foot broken, amputated at the Good Samaritan Hospital, Saturday, and at last accounts it was thought that he would recover. The unfortunate man met the distressing accident while performing an act of true heroism in trying to flag the train to prevent it crashing down on his fellow workmen. After he had put the red signal on the track he crossed the rails to flag and stop the oncoming train when he was cut down by the engine and thrown about 100 feet. He was so badly injured that his fellow workmen saw to it that he was conveyed to the hospital and that he should be kept there until he is completely recovered.

### Weather Bureau Forecast.

ROSEBURG, Ore., Oct. 17.—Tonight and Friday showers.

**SINGLE MILL SOLD.**—Henry Mooney a pioneer mill man, of the Pars creek country is in attendance at circuit court and is an occasional visitor at the PLAIN DEALER office. He recently sold his single mill to Messrs. Krum & Jones of Yoncalla, and the mill is now being moved to that place where it will soon be put into operation. Mr. Mooney tells us the timber of that part of the country is being rapidly cut and shipped away. The large trees are used for lumber and railroad wood and the small ones are cut for pulp, the industry bringing good returns. Mr. Mooney is now becoming interested in the Angora goat business and recently purchased a few registered animals lately brought from Texas, which was on exhibition at the state fair at Salem.

**K. P. GRAND LODGE.**—The Grand Lodge of Oregon, Knights of Pythias, convened in annual meeting in Portland Tuesday. Among the delegates from this county were: W. T. Wright and Joe. Mitchell, Roseburg; J. T. Mayer, Riddle; C. F. Counts and L. M. Perkins, Drain.

**It is an old axiom that "bread is the staff of life" but this depends somewhat on its quality. The fine cream and home made bread made at J. Siever's bakery on Jackson street near the river is of a high quality and is never failed to please. A nice variety of pastries also kept constantly on hand.**

**OKLAND A BIG SHIPPER.**—J. C. Quant, a prominent stock raiser of Oakland, was in attendance at circuit court this week. He made the PLAIN DEALER a pleasant business call and said that shipping of farm products was brisk at Oakland at present. Oakland is the most important shipping point of its size in the state and even excels Roseburg in the shipments of poultry, live stock and farm products. Mr. Quant says stock is doing fine and prices continue high.

**HON. G. W. WASON.** of the Riddle Nickel mine was in town Tuesday on circuit court business. He says the town of Riddle presents a lively appearance now as the immense prune crop of that vicinity is being brought in by shipment. As yet it is hard to estimate the prune output of that vicinity but it will aggregate several carloads.

**STEARNS & CHEENOWET** have Iron Glad wagons, the best and cheapest. They offer all kinds of wagons at reduced prices, new, all steel body wagons, Steel Ranges and Stoves of all sizes, Pioneer White Lead, Lined Oil, Doors and Windows.

**S. C. Bartism** who as one of the trusty rangers of this county has rendered valuable service on the forest reserve in the past summer served out his allotted time for the season and returned home Monday. The reserve has been well protected from fires this season.

"Pride of Douglas" is the brand you will always find on the sacks containing the best flour obtainable in Southern Oregon. Try it and be convinced.

F. L. Kent, who recently returned to Drain from the Eastern Lane county forest reserve where he has been doing duty as ranger the past season is in Roseburg on circuit court business and made the PLAIN DEALER a pleasant call this morning, likewise cash for a year's subscription in advance. The alertness of the rangers resulted in very few fires on the reserve this summer regardless of the fact that the season was an unusually dry one.

Everybody can have nice, light, white bread if they will use Bashford's "Pride of Douglas" flour.

**CIRCUIT COURT NOTES.**  
**Perdue, Lerwill and Garvis are Sentenced to Short Terms in the Penitentiary.**

The case of J. F. Rose vs. the London & Lancashire Insurance Co., occupied the circuit court all day Monday and the jury retired for deliberation about ten a. m., Tuesday. The plaintiff seeks to recover the amount of insurance which he carried upon the contents of a barn in Round Prairie, which was destroyed by fire. The company has refused to pay the loss, alleging fraud and holding that the amount of loss stated in the insurance policy. The jury, at 2:45 p. m., returned a verdict for the plaintiff for \$529.99, the amount asked for. The defense at once filed a motion for a new trial.

The case of the State vs. Wm. Lerwill, assault, went to trial Tuesday, before the following jury: J. A. Underwood, T. R. Blakey, Roland Agee, Geo. Stephens, Wm. Gillam Cyrus Powell, S. W. Cellers, T. E. Singleton, L. M. Perkins, W. C. Sagerber, Simon Caro and Andrew Wilkie. Hous. J. C. Fullerton and W. S. McFadden are attorneys for the defendant, and Dist. Atty. Brown represents the state. Quite a number of witnesses were examined by both sides. Lerwill is being tried for stabbing Wm. Horn at a dance above Canyonville a few months ago.

W. J. Lander, S. L. Dillard, W. C. Sagerber, A. O. Rose, Simon Caro and J. S. Cockrease were summoned by the sheriff to serve as jurymen, the original panel being exhausted before the second jury was secured.

Orvil Perdue, who has been confined in the county jail awaiting trial, charged with stealing some cattle from Gaddie Bro. and selling them to Louis Kobl-bogen, was examined Monday by County Judge Thompson and Doctors Hoover and Barrow as to his mental condition, as he appears to be insane. Perdue, after being arrested, spent two days in weeping over his downfall and has entirely lost the use of his vocal organs. He has been acting strangely and his attorney, John Long, demanded his examination for insanity. It was thought that his insanity was feigned as well as the pretended loss of his voice. Every device was used that he could not be made to speak. Even chloroform was administered until respiration stopped, but when he was revived he uttered no word. While his power of speech seems to be entirely gone it was held that he is not insane.

The last will of Aaron Burt has been admitted to probate. His property, both personal and real, is bequeathed to his brother and sister, Cyrus and Saphronia Burt. It is provided that should he survive both his sister and brother, that one-sixth of his real property should go to his niece, Eliza Henderson, and the remainder of his real and personal property should go to his nieces, Amanda and Lillian Brown, in equal shares. The sister two are named as executrix to serve without bonds.

Isaac Mathews, guardian of Phillip and Seth T. Mathews, minors, asks an order confirming the sale of certain real property of said minors in vols. 13 and 16, pp. 27, s. 4 w. to Alice J. Mathews for \$100. In the matter of the estate of Mattie Chandler, deceased, E. B. Chandler, administrator, petitions the court for an order to sell the east 100 feet of lots 7 and 8 in block 74, second northern addition to the city of Roseburg. It is ordered by the court that a citation be issued to the heirs at law requiring them to appear in court on Monday, Oct. 29th, at 10 a. m., to show cause, if any there be, why such order should not be made.

**WEDNESDAY AND THURSDAY.**  
The case of the State vs. Wm. Lerwill, which was on trial Tuesday before a jury, occupied most of the forenoon session Wednesday, the jury retiring about 11 o'clock for deliberation. There was considerable contradictory testimony introduced. The jury was evidently not able to reach an agreement until 7 o'clock of today they rendered the verdict of guilty as charged. Lerwill was sentenced at 1 o'clock today (Thursday) by Judge Hamilton to serve a term of one year in the penitentiary and pay cost of trial.

The next case called was that of the State vs. Orvil Perdue, the defendant being charged with stealing some cattle, from Gaddie Bro. and selling same to Louis Kobl-bogen. A jury was soon secured as follows: C. T. Nall, W. A. Mayer, A. L. Black Frank Correll, L. B. Remington, Harvey C. Cleburn, J. C. Quant, Horace Putnam, William Sagerber, S. L. Dillard, J. L. Cockrease, H. Martindale. The plea of insanity was offered by the attorneys, L. Barrow and John Long. The accused maintained the same appearance and demeanor as for several days past. He had not spoken a word for many days and appeared devoid of hearing. He seemed to take no notice of the proceedings and while his insanity was perhaps feigned, it was pretty well done. The jury returned a verdict of guilty at 5:30 Wednesday evening and Judge Hamilton sentenced him this morning to a term of two years in the penitentiary.

James Garvis, colored, pleaded guilty to a charge of larceny this morning and was sentenced to two years in the penitentiary.

This forenoon the attention of the court was occupied with the case of Emilie Brookhart vs. H. P. Brookhart, suit for divorce; O. P. Coshaw and Dexter Rice attorneys for plaintiff and E. E. Parker and W. B. Willis attorneys for defendant. Many witnesses were examined from Drain and the case was submitted for argument before noon.
