Education

DEMANDS CAREFUL CONSIDERATION

There are two kinds of education—practical and ornamental. The former should be secured by everyone, because it may be put to use quickly in earning a living. Therefore, secure the former first; the latter, afterwards, if you have the time and money. The courses of the

CAPITAL BUSINESS COLLEGE
are arranged with a view to usefulness. We do not dabble in a little of everything but devote our energies to conducting a first-class business school. Living expenses cheap. Students admitted at any time. Our graduates are successful. Send for catalogue.

leaped from windows were picked up living, but died on the way to the hospital.

A REWARD OF \$850 OFFERED.

PORTLAND, Oct. 26.—There is already a reward of \$850 for the capture of the train robbers. The Wells, Fargo Express Company has a standing offer of \$300. The State of Oregon, under an act passed by the Legislative Assembly and approved by Governor L. F. Grover, October 20, 1876, has a similar standing reward for the capture of train robbers. In addition to this the Southern Pacific Company has offered a reward of \$250 for the capture of the robbers.

There are now four postal inspectors at work on the case, and they will not relinquish their efforts until the culprits are run down. Uncle Sam is a persistent pursuer of the guilty, and the robbers will be pursued by the machinery of the Government until they are caught, if it takes 20 years. The Pinkerton detective service has also been enlisted in the case, Captain Nevins, superintendent of the local agency, having gone to the scene of the hold-up in person. The United States Marshal is also engaged in the pursuit of the robbers.

BUFFALO EXPOSITION A FINANCIAL FAILURE.

BUFFALO, Oct. 26.—The Pan-American Exposition Company has \$804,000 cash to its credit to be devoted to paying an additional proportion of the first mortgage bonds. Already \$1,250,000 of the \$2,500,000 first mortgage bonds has been paid. The amount now due on the first mortgage bonds is \$446,000.

The exposition has nine days more. If it should clear \$50,000 a day for the nine days it would have sufficient cash to make the last payment on the first mortgage bonds. If it fails to average a net profit of \$50,000 a day there may be a default on a part of the first mortgage bond payment.

The holders of the second mortgage bonds seem to agree that no payment will be made to them. The stockholders, of course, understand that no payment will be made to them. The unpaid contractors are clamoring to get the 70 per cent still due them on their claims, but thus far they have been unsuccessful.

The second mortgage bonds total \$500,000. The stock represents \$2,100,000. The amount of contractors' claims is not stated exactly at present.

PRUNEGROWERS UNEASY.

SAN JOSE, Cal., Oct. 26.—Local packers estimate the amount of prunes of the crop of 1900 now on hand at 1000 carloads. The estimated crop of Santa Clara County prunes this year is 40,000,000 pounds, which, together with the estimated 20,000,000 pounds of the Italian variety produced by Oregon, Washington and Idaho, constitute the stock to be disposed of. So far this season neither commercial packers nor California Dried Fruit Association have made any particular effort to dispose of this season's crop. All feel inclined to get last year's crop out of the way first.

The growers are showing signs of uneasiness, but the fruit association is confident of eventually finding a market for the new crop at a good figure. Prices remain the same, with few buyers.

ENGLAND CALLS OUT ENTIRE FIGHTING FORCE

LONDON, Oct. 25.—An error committed by some of the provincial police has led to the premature leaking out of the fact that the war office contemplates the possibility of having to call out every volunteer in the country. The war office has distributed to the police officers throughout the Kingdom bills ordering all reservists, military, yeomen and volunteers to report themselves without delay to headquarters with the view of active service. These bills are accompanied by letter ordering that the bills be kept in a safe place until telegraphic orders to post them up are received. The police of Lancaster overlooked the letter and posted the bills, causing widespread perturbation.

CONDUCTOR KILLS BRAKEMAN.

ASHLAND, Oct. 26.—Conductor Page, of the McCloud railroad, Thursday shot and killed brakeman Newby, of the same road.

Coroner Fairchild of Yreka was telephoned for and reached McCloud yesterday. The coroner's jury brought out the fact that Newby had armed himself with a knife and started on a hunt for Page to settle some old grievance. When they met Newby attacked the conductor, who fired two shots, both of which took effect in Newby's heart, death being instantaneous. The jury exonerated Page.

MARION OFFICERS DISAGREE.

SALEM, Oct. 25.—The county court in session today, made an official order to have the county books experted. Clerk Hall and Sheriff Durbin are still resisting. The sheriff is a democrat and the clerk republican. The board is republican.

THE WOMAN FIEND.

DAYTON, Ohio, Oct. 26.—Mrs. Witmer, the wholesale poisoner, has been held without bail. It is said she has killed twenty people or more with poison.

STRAWBERRY PLANTS FOR SALE
—I have the Excelsior which is a large, red berry and very early. I have shipped the first crate of Oregon berries to the Portland market for the last two years. My first crate last spring sold for 40.00. They are what would be called overbearing, as I pick berries off of them almost every month in the year. I shipped a crate to Portland the first of October and it contained ten gallons on my vines now—just think of this ripe strawberries almost every day in the year, and then say you want out a patch of your own. I also have the Hood River which is a large, white berry and a good shipper. Prices on care a dollar; 250, \$1.50; 500, \$2.00; 1,000 \$3.00.
