It was announced today that his shortage was $60,000 instead of $57,000, as given out yesterday. Thompson is still at liberty. It is said that the order may have trouble in collecting all of the shortage from the surety company. It is asserted that part of the money was stolen before July 1, on which date the auditors of the order furnished the bonding company then on Thompson's bond with a statement that his accounts were correct. This statement, it is said, releases the bonding company.

NOT THE RIGHT MEN.

EUGENE, Nov. 8.—C. M. Markham, constable from Gardiner, Douglas county, arrived in Eugene on this morning's early train with two men who were arrested at that place the other day on suspicion of being the men who held up and robbed the S. P. train at Walker a week ago. The men were taken in charge by Policemen Croner and Pratt and placed in the city jail, but were liberated this morning as there was no evidence whatever to connect them with the robbery. Sheriff Withers refused to take charge of the men as they were brought here without his instructions. Douglas county or the Gardiner precinct officers will have to bear the expenses incurred.

My first crate last spring sold for $9.60. They are what would be called everbearing, as I pick berries off of them almost every month in the year. I shipped a crate to Portland the first of October and there is at least ten gallons on my vines now—just think of fine ripe strawberries almost every day in the year, and then say you wont put out a patch of your own.
