LAW RELATING TO NEWSPAPER SUBSCRIPTION.

According to some of the latest laws newspaper publishers may cause individuals who take a paper and refuse to pay for it to be arrested for fraud. Under this ruling, also, anyone who allows his subscription to run along for a time unpaid and then orders it discontinued, or orders the postmaster to mark it refused, or sends a postal card to the publishers is liable to arrest and fine the same as for theft.

Clubbing Rate

We have arranged with a large number of papers and magazines for rates which will give to our subscribers two publications for a slight advance over the cost of THE PLAINDEALER alone. Following is a partial list:

HOW IT OPERATES.

The new tax law is now in operation. It gives the prompt paying taxpayer opportunity to profit by his punctuality. If he pays all his taxes by the 15th day of March, he gets a rebate of 3 per cent. For instance, if his taxes be $100, he will only have to pay $97, if he settles the bill by the date named. He will make $3 by the transaction.

Another provision of the new law is, that if he pay half his taxes on or before the first Monday in April, he can then have to the first Monday in October to pay the balance. The balance must, however, be paid by the first Monday in October, or a penalty of 10 per cent and 12 per cent interest from the first Monday in April to the date of payment will be exacted. For instance, suppose his taxes be $100, and that he paid $50 before the first day in April. He would then have to the first Monday in October to pay the balance. If, however, he failed to pay the remaining $50 on the latter date, and did not pay it until say, the second Monday in October, he would have to pay $50 principal, $5 penalty, and a little over $3 interest, or a total of more than $58.

Another provision of the law is, that if he pays no taxes by the first Monday in April, then his whole tax is delinquent, and that whenever he does pay it, or any part of it, a penalty of 10 per cent shall be added, and also 12 per cent interest on the tax from the first Monday in April to the time of payment. For instance, suppose his whole tax to be $100, and that none of it be paid by the first Monday in April, and that he pay it on the first of May. He would have to pay as follows: Original tax, $100; penalty, $10; interest at 12 per cent on $100 for a month, $1; total, $111. If he had paid it March 15th, he would only have had to pay $97. The extra cost to him for waiting to May 1st to pay it, is $14.

A GLOOMY PROSPECT.

Ashbel P. Fitch, a long-time pillar of Democracy, told a New York audience last week the partial truth, at least that the Democratic party was without leadership and without issues. In Congress, as the Chicago Inter Ocean remarks, "the Democratic minority has gone no futher than to align itself on the Bryan anti-expansion platform repudiated in 1900. It has not taken advantage of mistakes made by Republicans. It has been dumb and lethargic in the face of opportunity offered by an almost unwieldy majority.

"Outside of Congress, Mr. Bryan stands by the spiked guns of his old campaigns and refuses to retreat or advance. Mr. Cleveland, on the other hand, is aligning himself with President Roosevelt and Secretary Root on living issues. Mr. Croker, disappointed that the expected reaction against the Republican party did not come last year, has deserted his command and has gone to Europe in the belief that even in New York City the younger men of the day are tending more and more toward the Republican party.

"Mr. Hill, who is not wont to agree with Mr. Croker, is with him here. He, too, can see only a gloomy outlook for the Democratic party. Mr. Hill also has some spiked guns, and he seems to be very much attached to them. But he is not in the field or on active service. He is, like Mr. Cleveland, on the retired list, exerting none of the aggressive force of actual leadership.

"There is no vital question of American politics on which the Democrats are united. There is, among the new issues coming up, none with which Democrats in training for party leadership care to grapple. The rank and file are not demoralized, but rebellious, indifferent or distrustful."

That the perfecting of the organization of a board of trade in Roseburg is a wise movement on the part of our business men, no one with any spirit of enterprise at all will doubt for one moment. In this day of push and progress it is simply impossible to make any general movement a success without organization. The success and growth of any city or county at the present time depends almost wholly on the co-operative enterprise of its citizens. They must meet, consult and decide upon some plan of procedure and then it is an easy matter to work through the officers of the organization, toward the accomplishment of the purpose for which the organization was effected.

It is stated in Washington that President Roosevelt has decided upon a "shake up" in the Territorial officials of Hawaii, and that Col. Sam Parker, Hawaiian member of the Republican National Committee, will succeed Gov. Dole.

Democratic congressmen have been given caucus license to advocate any old thing that will get votes in their districts, regardless of the party platform. Heretofore they have done the same thing without license.

President Roosevelt would be justified in vetoing any bill placing upon him the responsibility of choosing the route for the Isthmian canal. It is a responsibility which rests upon Congress.

The Senate did the right thing in ordering an investigation of Philippine affairs. It will be the quickest and easiest way to put a stop to the circulation of irresponsible lies about the islands.

Of course those democratic members of the house who voted against the proper sheltering of our troops in the Philippines will take pleasure in telling their constituents just why they did it.

Somebody blundered in making a shipbuilder boss of Tammany. An experienced wrecker would have come nearer to what Tammany needs.

ADDITIONAL LOCALS.

Deputy Sheriffs B. J. Deadman and Wm. H. Morgan of Klamath county, passed through this place on this morning's local, bound for Salem, with Mrs. Angeline Morrison, insane, of Fort Klamath. The unfortunate woman is but 26 years old and became insane by grief for the loss of her youngest child a short time ago. Mr. Deadman reports a very hard trip from Fort Klamath to Ashland, the roads being very bad and a continuous rain. Mrs. Morrison was so violent at times, that it was necessary to sew her up in a blanket and strap her to the wagon.

The railroad carpenters are building a new sand house between the turn table and main line in front of the round house, When it is finished the old sand bin in the round house will be removed.

Wesley Free, the S. P. engineer, who has a run out of Grants Pass, passed through on this mornings local enroute to Portland on business.

Mrs. W. R. Willis left on this morning's local for Portland, where she goes to visit her daughter, Mrs. C. W. Sherman.

School Supt. F. B. Hamlin and Attorney Louis Barzee will address an educational meeting at Wilbur tomorrow evening.

Mrs. D. Y. Allison returned from a visit at Astoria, Portland and Cottage Grove on Wednesday evening's train.

Editor Ira L. Campbell of the Eugene Guard, was stricken with paralysis this week, but is slowly recovering.

A. E. Kent, who has spent the past week in Drain and vicinity, returned to this city Tuesday evening.

City Recorder D. S. West is confined to his home, being considerably indisposed, we are sorry to learn.

John P. Jones, the S. P. General Passenger Agent, is registered at the McClallen House.

Engineer B. L. Lucas has an extra run out of this place.

Wm. Back of Grants Pass, is in the city on business.

CITIZENS' MASS MEETING

For the Purpose of Organizing Board of Trade.

TEMPORARY ORGANIZATION.

Leading Citizens Favor the Movement. Permanent Organization Next Tuesday.

Pursuant to a call issued through the local papers a number of Roseburg's representative citizens assembled at Slocum's hall Tuesday evening for the purpose of discussing the organization of a commercial club or board of trade, its object being to encourage, stimulate and promote the commercial, mineral and agricultural interests of Roseburg and Douglas county.

The meeting was called to order at 8 o'clock by Attorney Louis Barzee and upon motion by Attorney Frank Micelli, Mr. Barzee was chosen as temporary chairman of the meeting, W. C. Conner being elected temporary secretary. Attorney Barzee upon taking the chair stated the object of the meeting and entered upon a discussion of the great needs of such an organization in this city and county and in conclusion thanked the citizens present for the honor conferred in choosing him as temporary chairman of the meeting.

Attorney Frank Micelli was next to address the meeting. He offered a few words of encouragement and suggestions in regard to effecting such an organization and expressed himself as heartily in accord with the movement.

Hon D. S. K. Buick responded to the call of his name and reviewed at some length his experience with a like movement in this city some two years ago. However, he did not feel discouraged with the failure of the former organization, but stated that the time now seemed more propitious for taking up with renewed vigor the organization and establishment on a permanent basis, a commercial club or board of trade; that our citizens should lay aside all bickerings, strife and jealousy and work for a common cause—the progress and advancement of the interests of Roseburg and Douglas county. He explained that never in the history of our state had there been a time, when Oregon's prospects for speedy development, was brighter than right now, when hundreds of Eastern and Middle Western homeseekers, investors and manufacturers were turning their attention to this state where opportunities are so favorably presented, and unless some organization is effected and a vigorous effort put forth on the part of our citizens, as is being done by the citizens of the other progressive towns of Southern Oregon and other parts of the state, Roseburg and Douglas county, will surely be outclassed and left in the background by our more enterprising competitors.

Chairman Barzee read an extract from the Grants Pass Observer regarding an enthusiastic meeting and organization of a board of trade for that enterprising city and Josephine county, the membership fee being $5.00, with 50 cents per month dues.

The chairman also made an eloquent and able plea for a like movement on the part of the citizens of Roseburg.

F. W. Woolley also spoke very encouragingly on the subject of organization for the advancement of the city and county's interests and volunteered his assistance and hearty support of the movement toward the permanent organization of a board of trade.

B. W. Strong addressed the meeting briefly and expressed himself as being in hearty accord with the movement looking toward the organization of our citizens for mutual advancement and progress.

Attorney C. S. Jackson addressed the meeting and at some length set forth the great advantage to be derived from such an organization as a board of trade to a city and county and the need of such an organization in Roseburg, through which medium inducements or encouragement might be offered to secure new industries and our share of the immigration pouring into the state.

Hon. D. S. K. Buick placed the matter of effecting permanent organization at once before the house, which was freely discussed by many citizens present, J. G. Flook ably leading the discussion, followed by T. K. Richardson and others.

John W. Veatch expressed himself as strongly in favor of immediate organization, feeling sure that the prominent business people of the town not present would soon fall in line and co-operate in the good work.

The motion to proceed to permanent organization at once prevailed, but was afterwards reconsidered and deferred until the meeting set for Tuesday evening Feb. 11th.

A motion providing for the appointment by the chair of a committee of three to solicit membership and endeavor to awaken a more general interest in the permanent organization of a board of trade, prevailed, and the following persons were appointed to constitute this committee: C. S. Jackson, F. W. Woolley and B. W. Strong.

A motion prevailed that the chair appoint a committee of three on constitution and by-laws and the following persons were named: J. W. Veatch, Ed Lenox and I. F. Rice.

F. W. Woolley was appointed as a committee of one upon motion, to confer with the city council in regard to securing a room upstairs in the city hall as a place for holding the next and future meetings.

Adjournment was then taken until next Tuesday evening when permanent organization will be effected, and it is hoped every business and professional man in town will attend this very important meeting.

From Our Correspondents.

Glendale News.

John W. Redfield a pioneer of this valley, left recently to visit his son, T. ti Redfield, at North Yakima, Wash. On his arrival at that place, he called at a saloon to enquire the way to his son's house; a young man offered to guide him, and he guided the old gentleman to a back street where he proceeded to knock him down and rob him. The old gentleman made a violent defense, although he has but one arm; the would-be robber was joined by another of his ilk. One of the robbers was arrested; the other could not be found. We hope they both may be apprehended and punished.

Born, Feb. 3, 1902, at the family home on McCulloch creek, to Mr. and Mrs. Fritz Shonke, a daughter.

Born, at Glendale, Feb. 4, 1902, to Mr. and Mrs. Orge Farmer, a nine pound boy.

Frank Miles Shank, the 18 year old son of Mrs. Carl Nelson, of San Francisco formerly of Douglas county, who was operated upon for appendicitis, at that city in December last, is now able to be removed from the hospital to his mother's home, and his physicians think he is out of danger, we are pleased to say.

Mrs. Dick Miller and family are visiting Mrs. Eliff at the Cedars.

Miss Effie Palmer, of Binger, will leave for Chico, Cal., next week, to spend the summer.

Miss Lucy Hamilton was visiting friends at Holmes Valley, last week.

Mr. and Mrs. W. P. Totten are visiting Mr. and Mrs. C. P. Totten at Glenallen this week.

Mrs. F. G. Buell came up to Glendale and removed her household goods to Myrtle Creek, where they will reside in the future. Many friends in Glendale regret their departure from our city. They were compelled to go on account of Mr. Buell's serious illness. At present he is no better. MOLLIE.

Olalla News.

Mr. and Mrs. Mark Waters of Palouse, Wash., are visiting friends and relatives in this valley.

Grandma Coats will depart for Grants Pass, Thursday, to visit her daughter, Mrs. Jennie Cheesre and friends.

Mr. T. F. Fisher is making some substantial improvements on his fine ranch by building fence and slashing brush.

The miners of Olalla are complaining of a scarcity of water, that they are getting some of the yellow metal, is shown by the amount brought out.

Mr. and Mrs. Fred Parmentier have returned to this valley to reside, after an absence of two years at Marysville, Wash. Fred says Olalla is good enough for him.

Mr. A. Plantz visited the U. S. Land Office today to make final proof on his homestead. He will have as witnesses our popular road supervisor and constable, F. D. Newland and E. E. Wells.

Mr. S. C. Bartrum of Roseburg, and W. S. Ireland of this place, made a trip to Camas last week and brought out some beef cattle, also some high grade milch stock for the first named gentleman. Any one wishing a milk cow would do well to call on Mr. Bartrum.

Our Postmaster, W. R. Wells, has returned from Portland, While there he purchased some new goods for his now large and growing trade.

Nasal Catarrh quickly yields to treatment by Ely's Cream Balm, which is agreeably aromatic. It is received through the nostrils, cleanses and heals the whole surface over which it diffuses itself. Druggists sell the 50c. size; Trial size by mail 10 cents. Test it and you are sure to continue the treatment.

Announcement.

To accommodate those who are partial to the use of atomizers in applying liquids into the nasal passages for *catarrhal troubles*, the proprietors prepare Cream Balm in liquid form, which will be known as Ely's Liquid Cream Balm. Price including the spraying tube is 75 cents. Druggists or by mail. The liquid form embodies the medicinal properties of the solid preparation.

High School Notes

THOS. R. TOWNSEND, Editor.
MISS BESSIE KIDDER, Associate

The students of the High School are now eagerly awaiting the games of Basket Ball to be played on Friday evening, Feb. 7. The boys will play first and the teams will be composed of the following young gentlemen: Floyd Rupp, Walter Leonard, Edward Morris, Victor Short, Lenore Ragsdale, Earl Strong, Wilbour Faulkner, Fred Adams, Mac Hanan and Fred Wollenberg. The girls teams will be composed of the following: Gertie Rast, Kate Fullerton, Hannah Wollenberg, Wiletha Reed, Lilian Stanton, Bessie Barker, Eda Black, Bessie Kidder, Vivian Jewet, Elsie Benedick, Edna Parsley and Hazel Jewet. The last game was very interesting, but this will be far more so, as the two teams have been practicing diligently and are more evenly matched, than at the former game. The boys' teams have also been selected so they play an even game. The proceeds will be divided between the two teams.

The social Friday night was a success both socially and financially. From eight to ten o'clock various games were indulged in, when lunch was served in the dining room. After lunch the merry time still continued until 12 o'clock when all dispersed, voting the social a grand success.

We regret very much to announce the departure of student Herbert Pruner, who quit school last Friday and returned to his home at Riddle, Saturday. Herbert is a bright and intelligent youth and we sincerely hope that he may be with us again at some future day.

The present editor has resigned and this is his last editorial work this year. Throughout our editorship we have tried to have some news each week and when we had nothing else we wrote on foot-ball or basket ball. But now our term is done and a new editor will grace the chair. Edward K. Morris has been elected to fill the vacancy.

High school elections took place this week. The results are as follows: President, Floyd Rupp; vice-pres, Kate Fullerton; sec, Gertie Rast; treas, Hannah Wollenberg; sergt at arms, Fred Wollenberg; editor, Edward K. Morris.

And now we will bid the readers of this column, adieu. Wishing the new editor every success in his new work. We will now say our last as editor of the Roseburg high school, farewell! farewell!

DEATH OF MRS. L. F. LANE.

Funeral Services Will Be Held in Roseburg Friday.

The sad intelligence of the death of Mrs. Amanda Lane, wife of the late, Hon. L. F. Lane at St Vincent's hospital, Portland, Wednesday morning, Feb. 5. 1902, was received by Mrs. R. S. Lane and other friends in this city Wednesday. Deceased was 52 years of age and had suffered severely for the past several months from cancer of the bone.

After the death of her husband, which occurred in Roseburg five years ago last November, Mrs. Lane continued to live here for two years and then removed to St. Paul, Oregon, near Salem, to reside with her son, Rev. Arthur Lane, and later went with him to Astoria, where he has since been stationed. For some months past she has been under treatment in Portland, as above stated. Her two sons Lafayette and Arthur and daughter, Miss Rosa, have been with her almost continuously during her illness. The body will be brought here for interment and the funeral will be held at the Catholic church on Friday morning at 10 o'clock, after which the remains will be laid to rest besides those of her late husband in the Catholic cemetery just east of Roseburg.

Mrs. Lane had numerous friends here, being endeared to them by her kind disposition and very exemplary character. The sincere sympathy of all go out to the bereaved family.

Here's a Double Snap.

For some one with a little ready cash; Over 100 acres of good land, about a mile from railroad, consists of bench land, contains lots of good timber, good garden spot, about 40 young fruit trees, hair house, barn and other outbuildings. Forty acres fenced. The improvements are worth nearly the price asked. Title perfect. Terms cash. We hold this to be the best bargain ever offered in Douglas county. $300 spot cash takes it all. OVER THE LINE.

Procrastination is the Thief of Health.

Nature is a very wise and careful mother but she is dumb. She speaks by signs. The man or woman who does not heed her signs or fails to understand them must pay the penalty. Some day there will be a step over the line beyond which Nature's warnings cease and her penalties begin. For instance there is a man who for years never knew he had a stomach, it performed its work so perfectly. Some day after eating he has a little sour or bitter rising in the throat. He does not heed it. Later he feels an uncomfortable fullness after eating, a distress in the region of the stomach and perhaps he is uncomfortable enough to wonder whether he ought not to "do something" for himself. But he does not get any farther than

wondering. He becomes sleepless, loses flesh and has other warnings of the development of disease but he still tries to work. Some day he collapses, drops down perhaps at his task and when he comes to himself in bed he is seriously ill. He is paying the penalty for his heedlessness of Nature's warnings. Whenever there are undue fullness after eating, sour or bitter eructations, belchings, and kindred symptoms it is the sign that disease is fastening on the stomach and digestive and nutritive tracts. Disease unless checked is always progressive, and it is only a question of time in such cases, when the health and strength will be seriously undermined.

TAKE NO RISKS.

The wise man or woman will take no risks but will attend to the first symptoms of disease of the stomach. Doctor Pierce's Golden Medical Discovery which has cured thousands of people who were suffering from the most aggravated forms of disease of the stomach and its allied organs of digestion and nutrition may be relied on quickly and permanently to cure such diseases in their earlier stages. Its action is prompt and efficient. Its effects are lasting. The whole body being fully nourished is built up with sound flesh, not with flabby fat.

"For about two years I suffered from a very obstinate case of dyspepsia," writes R. E. Secord, Esq., of 13 Eastern Ave., Toronto, Ontario. "I tried a great number of remedies without success. I finally lost faith in them all. I was so far gone that I could not bear any solid food on my stomach for a long time; felt melancholy and depressed. Could not sleep nor follow my occupation (tinsmith). Some four years ago a friend recommended your 'Golden Medical Discovery.' After a week's treatment I had derived so much benefit that I continued the medicine. I have taken three bottles and am convinced it has in my case accomplished a permanent cure. I can conscientiously recommend it to the thousands of dyspeptics throughout the land."

HOW STRENGTH IS RESTORED.

People as a rule have a somewhat vague idea of the manner in which life is sustained and supported. They know they must eat to live. But they do not consider that when the stomach and digestive and nutritive tracts are diseased, the object of eating, which is the nutrition of the body, cannot be perfectly attained. Only part of the food eaten is converted into nutrition, and the body is but partly nourished. Yet the body is required to do as much daily as if it were being fully nourished. The result is the wasting of the flesh, loss of weight which goes hand in hand with loss of strength, and general debility. When the diseased stomach is cured by "Golden Medical Discovery," the food is digested and assimilated and in the form of nourishment restores the strength and vigor of the body, the proof of this being written in the pounds and ounces of lost flesh which are rapidly regained. The only way in which physical strength can be made is by food, digested and assimilated. When the stomach and its allied organs are diseased the digestion is imperfect, the assimilation partial, consequently there is a daily loss of strength. When Dr. Pierce's Golden Medical Discovery cures the diseases of the stomach and other organs of digestion and nutrition, the food eaten is properly digested and assimilated, the body is adequately nourished, and thus its strength is restored.

"I will express my thanks to you for the kindly advice you have given me in regard to my case," writes Miss Carrie J. Wharton, of Dunavant, Spottsylvania Co., Va. "When I wrote to you last spring I was in a terrible state of health. Had given up all hope of ever being better. I spit up my food all the time and it seemed sour as vinegar. I would have a bad sick headache every other week; in fact, my head never felt clear, and I was perfectly broken down under the strain of losing my food constantly. I was not able to have a physician attend me, but had read a great deal in your books of what your medicine had done for others, so I wrote you and got your advice. Bought two bottles of 'Golden Medical Discovery' and the first dose I took I felt better. When I had finished taking the two bottles the spitting up had entirely stopped and my head was much better. I do not say it has yet made an entire cure of me, as it required more than that for me, as I was so very bad, but I believe your medicines are just what you have said of them.

"I carefully read the books you sent me and shall always speak a good word for the 'Golden Medical Discovery' whenever I have a chance.

"You can publish this if you think it worth while. It might induce some one else to try your medicine who was suffering as I did. It was by the testimonials of others that I was induced to try it. I shall always rely upon your advice and feel safe to do as you tell me."

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It cures through the stomach diseases which seem remote from that organ but which have their origin in disease of the stomach and its allied organs.

If the dealer offers a substitute for "Golden Medical Discovery," remember that the sole motive of substitution is to enable him to make the little more profit paid by the sale of less meritorious preparations.

STRAWBERRY PLANTS FOR SALE —I have the Excelsior which is a large, red berry and very early. I have shipped the first crate of Oregon berries to the Portland market for the last two years. My first crate last spring sold for $9.00. They are what would be called ever-bearing, as I pick berries off of them almost every month in the year. I shipped a crate to Portland the first of October and there is at least ten gallons on my vines now—just think of fine ripe strawberries almost every day in the year, and then say you wont put out a patch of your own. I also have the Hood River which is a large, red, sweet berry and a good shipper. Prices on cars a Dillard: 100, $1 50; 500, $2 00; 1 000 $3.00 L. S. COON,
tf Dillard, Oregon.

DEAR SIR—We send you by this mail sample of sulphur taken from our stock of spray material. Please make a careful analysis of same and inform us if it is of such standard of purity that it will fill all requirements for making first class spray compounds. If it is not sufficiently pure for such purpose please inform us where we can obtain sulphur which will meet all requirements.

Very respectfully,
A. C. MARSTERS & CO.

Mr. A. C. Marsters & Co.,
Roseburg, Ore.

GENTLEMEN:—Your letter concerning sulfur and the sample of sulfur, have been received.

I have examined this sample and find that it is almost entirely pure sulfur. I think that it would answer the purposes very satisfactorily for spraying compounds or insecticides. I think that if you have plenty of this quality, or can get it, that it will be as good as any sulfur that we can obtain for spraying materials.

Very truly yours,
A. L. KNISELY.
