A NARROW ESCAPE—Earl Fletcher, the 16-year-old son of Jas. Fletcher, of the depot grocery, experienced an incident yesterday evening which he will not soon forget. Earl had been for the past week constructing a small boat or skiff after his own ideas, and yesterday, the boat being finished, the grand launching was to take place. Earl with several of his boy friends, carried the "water imp," which in measurement, was 12 1/2 feet in length, 18 inches wide and 10 inches deep, to the foot of Mosier street. After placing it in the water two of the boys attempted to get in it, but the "water imp," owing to her peculiar build immediately capsized, giving the boy a cold bath. Earl then got in the boat alone, and two of the youngsters who were holding the "imp," shoved it far into the stream where again it upset, giving Earl his second cold bath. A nail in the boat caught his sleeve and held him fast but by hard fighting he got a good hold on the boat and pulled his head out of the water; by this time the mad waters of the South Umpqua had carried him far into the middle of the river, but luckily the current changing carried him close to the bank at the foot of Oak street and master Earl fighting himself clear of his frail craft was enabled to grasp the willows on the bank and was pulled ashore by the willing hands of his friends.

EXPRESS OFFICE MOVED—The Wells, Fargo Express office and Western Union Telegraph office, Miss Kate Brink, agent and operator, were moved Wednesday into the building next door to the First National Bank, which was formerly occupied by Harry M. Holden's shoe store. This move will afford these offices convenient and commodious quarters apart from any other business and will be more satisfactory all around. We understand Mr. C. B. Cannon will occupy the entire room vacated by these offices, in which he contemplates installing a fine soda fountain and ice cream parlor in connection with his new business.

SPRING BUILDING HAS COMMENCED—The contractors are clearing the ground for the fine new block for Mrs. Partie on the lots formerly occupied by the old Roseburg Bakery building. The new brick will be 40x55 ft. and contain two store rooms, plate glass front, and will be a valuable improvement to North Jackson street.

BACK TO ROSEBURG—Chief of Police Finas Dillard of Roseburg arrived on Tuesday morning's train after Eugene V. Smith, who was arrested here Monday afternoon on the charge of stealing a suit of clothes at Roseburg from Aldrich the restaurant man, Saturday night. Chief Dillard took his prisoner back on the 2:08 train Tuesday.—Eugene Guard.

Of Local Interest.

We were informed by Attorney Louis Barzoe this morning that the little farm advertised in our columns under the head of "A Double Bargain" was sold very readily, and that he was surprised at the returns received from the ad, he having received, besides numerous calls, letters from Washington, California and the Middle West, inquiring about the place, and that they are still pouring in by every mail. He was not aware that an ad, though placed in a live local paper would bring such great and far reaching results.

Look up your Eastern catalogue, compare these prices. Rice & Rice.

Miss Lizzie Orpund, a niece of Mrs. W. C. Conner, returned to Roseburg Wednesday evening after a two weeks enjoyable visit with her parents and other relatives and friends at Cottage Grove. She says a number of young people who were converted or took active part in Evangelist Marshall's meetings at that place, contemplate coming to Roseburg the latter part of the week to attend the revival meetings here a few days.

On account of the irregular surveys of many of the townships in the Roseburg land district, it is almost impossible to locate section corners without a copy of the Government survey. Frank E. Alley, Abstractor of this city, has a complete set of tracings of all surveyed townships, and will furnish blue prints of same, showing all vacant lands.

County Clerk Shambrook has mailed notice to all judges and clerks of election informing them of their appointment and clerk is required to notify the county clerk within two weeks from the date of the letter of his acceptance, otherwise the court will appoint a new judge or clerk in his stead.

The progressive farmer to keep up with the times must do away with the old fashioned way of raising cream in pens. The improved U. S. Cream separator will take all the cream out of the milk in a few minutes and the milk can go to the calves or pigs. Churchill and Woolley can tell you about it.

A woman living in the suburbs was aroused by a noise at the window, and dimly saw a man's face peering in through the blind. She silently crept out of bed, and, reaching the window, popped up like a jack-in-the-box with a sudden "Boo!" The man dropped as if shot, and fled.—Hartford Post.

Why waste one-half your material and do no effective work using a poor spray pump. Pressure is what is needed to make a good fog to permeate through the limbs and foliage. The new Loam Forest will do the business. Churchill and Woolley are selling lots of them.

J. P. Jones, traveling passenger agent of the S. P. Company and L. J. Hicks of the Hicks-Chatten Engraving Co., of Portland, are in this city securing industrial scenes, and pictures of our public buildings to be used in illustrating a new descriptive circular or pamphlet for the "Sunset Limited."

If your house is valuable insure it. If your life is valuable why not insure it. Insure in a company that will pay your claim without a lawsuit. Such is the "New York Life." Policies are incontestable and nonforfeitable from date of issue.

The Jessie Shirley Co. which is playing at the Roseburg theatre this week is fast gaining in popularity with our theatre goers. Unlike most repertory companies they keep their best bill until the last. Tuesday night they presented "For Fair Virginia," which from the rise of the curtain kept the audience fully interested in the plot of that beautiful play. Miss Shirley and Mr. Abraham were most effective in their cigarette rolling scene in the first act. Little Verma Felton won the hearts and applause of the audience from her first appearance her emotional scene caused the frequent use of handkerchiefs among the front row as well as the ladies. Wednesday the company presented Nell Gwynne to a packed house, the entire climax of the play was upon Miss Shirley, and the part could not have been more effectively played. Tonight, "Dad's Girl."

Our spring carpets are arriving daily and we can show you a greater variety than in previous years and the prices are reasonable; remember the place to fit them is at Strong's Furniture Store.

She was united in the holy bonds of matrimony with Sam W. Tooley Jan. 1, 1899, and besides the bereaved husband, a father, mother, two sisters and five brothers are left to mourn their great loss. Deceased united with the M. E. church at the age of 18 years and has always lived a true, consistent christian life. She was also a prominent member, and a devoted worker in the Woman's Christian Temperance Union and was an honored member of the order of United Artisans, and wherever her influence went it was felt for righteousness.

Of the relatives, a brother, A. L. Houser, Jr., and a sister, Mrs. H. L. Marsters, reside in this city, the aged father and mother, Mr. and Mrs. A. Houser, now residing in California.

Funeral services were conducted at the M. E. church Wednesday afternoon at 2 o'clock and were very largely attended, the W. O. T. U. and members of the United Artisans attending in a body. A very impressive sermon was preached by Rev. A. S. Malligan and on behalf of the W. O. T. U.
