Mrs. B. F. Russell, accompanied by her sister Miss Mattie Perry, will leave for Portland tomorrow to reside.

H. R. Roadman, who has been in California for the past two years, was a passenger on Wednesday's mail for his home in Oakland.

There will be regular services held at the Christian church Sunday. Rev. W. A. Wood will begin a series of meetings at Riddle next week.

Prof. J. H. Cochran, principal of the Oakland public school, returned to Oakland Wednesday after spending a few days at the home of R. B. Lane on Deer Creek.

Married, at the residence of R. B. Benedict at Florence, Lane Co. Ore., June 23, 1902, Elbert K. Benedict to Lottie L. Landerking, Rev. Geo. A. McKinley officiating.

That prince of good-fellows, O. R. Ball, of the Portland branch of the American Type Foundry Co., was in Roseburg Wednesday and took our order for a fine new supply of type and printing material. He reported good business all along the line.

D. T. Prichard, the old reliable jeweler, is now located in the building formerly occupied by L. J. Norman near the depot on Cass street and is better equipped to repair or clean your watch than he has ever been before. It will pay you to call and get his prices on repairing.

Resolutions of Condolence.

To the officers and members of Roseburg Lodge No. 16, A. O. U. W.

WHEREAS, God, the Supreme Master of the Universe, has in his infinite wisdom, called from labor here on earth to that brighter and better world where all is peace, joy and happiness, one who, by his faithful, loyal and exemplary life, had won the esteem and brotherly love of all. Therefore be it

Resolved; that in the death of Brother Asker C. Moore, Roseburg Lodge No. 16, A. O. U. W., has lost an ardent supporter of the principles of our Order, one who was ever ready and willing to conform to its teachings of charity, hope and protection, and while we humbly bow to the edict of the most Supreme Grand Master Workman on high, we nevertheless deeply lament the loss of our brother, inasmuch as his life work had only begun, leaving a vacancy in our lodge, in society and in the community.

Resolved; that we extend to the mother and family of our departed brother, our heartfelt sympathy in this their hour of affliction and may they be consoled by the thought that his upright honorable and Christian life has been an example worthy of emulation, and has made an impression with whom there will always be pleasant memories.

Resolved; that a copy of these resolutions be spread upon the minutes of the Lodge, a copy furnished each of the city papers for publication, and a copy be suitably engrossed and presented to the family of our deceased brother.

"There is no death." An angel form walks o'er the earth with silent tread; He bears our best loved ones away, And then we call them "dead."

And ever near us though unseen, Their dear immortal spirits tread; For all the boundless Universe Is life—there are no dead."

County Court Opens.

The regular July term of county court convened Wednesday morning with Judge M. D. Thompson and Commissioners A. E. Nichols and J. C. Young present. The day was occupied with the examination of bills and other routine matters.

Ben Fisher is appointed road supervisor for Alameda precinct, road district No. 46.

Upon petition of Jos. Lyons and twenty others, J. W. Kewson is appointed Justice of the Peace, for Pass creek precinct.

The resignation of Geo. McDougal as road supervisor for district No. 24, is accepted and Wallace Thompson is appointed to serve the unexpired term.

The resignation of L. L. Mathews as road supervisor for district No. 55, is accepted and John Holmquist is appointed to serve the unexpired term.

This evening county court will take an adjournment until Monday, July 7th. The county officers with the exception of assessor, will be re-elected in their respective offices and will furnish new bonds next Monday. Mr. Staley will not succeed Mr. Gillette as assessor until next January when that official's term expires.

Will Celebrate in the Court House.

The W. R. C. give notice that their Fourth of July program will be carried out as originally planned with the exception of the out-of-door dinner.

The court house has been engaged for the occasion and the program as advertised will be carried out in the circuit court room. Accommodations will also be afforded those who bring lunch as tables and chairs will be furnished on that to spread and partake of the delicacies of the season in regular home style. All of our citizens are invited to bring lunch and assemble at the court house and have a good time despite the inclement weather.

INTEREST TO FRUITGROWERS.

Methods of Disposing of Various Fruit Pests by the State Board of Horticulture.

Fruitgrowers throughout the North-west will be deeply interested in the new spray bulletin soon to be issued by the State Board of Horticulture. It contains the latest and most up-to-date methods of dealing with pests so deadly to the fruit industry.

Among other things it says: "Bordeaux mixture is a powerful preventive for all fungus growth, and the modified form when trees are in foliage. Lime should be always fresh slacked, and the combined fungicide and insecticide sprays should be used soon after making."

Following is some of the preparations in a condensed form:

Apple scab—First application, spray No. 8 containing one pound of copper sulphate and 35 gallons of water; apply strong solution for dormant trees. This is to be used before buds swell. After buds swell use spray No. 8, containing three pounds of sulphate of copper, six pounds of lime and 50 gallons of water.

Bitter rot—This disease may be treated in essentially the same way as scab. As the bitter rot fungus often continues its destructive work after the fruit is harvested, care should be taken in storing to remove all fruit showing evidence of the disease.

Codling moth—One week after the blossoms fall use No. 1, containing one pound of white arsenic, two pounds of sal soda and one gallon of water; spray No. 2, containing one pound of Paris green, one-half pound of quick lime and 50 gallons of water. Repeat at intervals of two weeks within three weeks of harvest.

Scale—When trees are dormant use No. 4, containing 50 pounds of unslacked lime, 50 pounds of flour of sulphur, 25 pounds of common salt and the necessary quantity of water; also No. 5, containing 50 pounds of unslacked lime, 50 pounds of sulphur, 15 pounds of salt and 60 gallons of water.

Aphis—As soon as aphis hatch and wherever aphis appear on foliage use No. 6, containing one pound of boiled soap dissolved in four gallons of water. Apple canker or dead spot—Cut all dead and diseased tissue, clean and wash with Bordeaux mixture.

Collar rot or muscadine disease—Dig a trench around the tree, cutting off all roots, as the disease is communicated from tree to tree through the roots. Destroy all affected trees.

Cherry trees, aphis—When aphis appear use No. 6.

Cherry "wing"—When fruit has set, if wing appears, dust trees with air-salt. Red time.

Gummosis—Cut out gum pockets, split outer bark from gum to branches when sap begins to flow, wash with Bordeaux mixture.

Pear: Scale, codling moth and scab—Use same sprays as for apples.

Leaf blight—Use spray No. 8. Peach trees: Cod leaf—Before buds open use spray No. 7, containing six pounds of copper sulphate (blue vitriol), six pounds of lime (unslacked), and 50 gallons of water. After blossoms fall use spray No. 8.

Blackberries, raspberries and dewberries—Use No. 8 as a band insect killing.

Rust and anthracnose—Just before blossoms open use No. 18, containing one and one-half pints of arsenite of lime and 50 gallons of Bordeaux mixture from spray No. 8.

Rose mildew, red spider and plant lice—One pound bar of Ivory soap and 15 gallons of water, apply warm as it thickens after cooling.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Halls Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Halls Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
