LIFE OF HARRY TRACEY. A Bold Criminal Record Rarely Equalled. HE IS A MODERN JESSE JAMES. Gives Evidence at Times of Being Educated and Refined. Fond of Children.

In all the annals of the last decade there has been no bolder criminal than Harry Tracey. The desperado, cool, agile, cunning, fairly cunning and brutally murderous one of whom for the last few weeks, tormented the entire Northwest.

The life of the frontier was attractive to such a man, and the next time he was brought into notice as an outlaw was when the famous "rookie-in-the-wall" band of cattle thieves, known in Western parlance as "mishers," precipitated what for a time was almost a border war.

While in that city his new notions were the tenderloin, his notions as a man, and things of quiet skulking from officers. His life in Tacoma, whether he drifted, was similar. But in 1898 he again came to the fore as a desperado. In Portland he committed two highway robberies with his pal and brother-in-law, Dave Merrill.

His numerous escapes with Dave Merrill from the Salem penitentiary is now a matter of such recent date that it has attracted the attention of the entire United States.
