E. L. McDonnell of Michigan, has left a will in which it is supposed he intended to bequeath \$60,000 to found a home for indigent old women at Fairmount, Ind., but it appears he used the word "indigent" instead of "indignant" in describing the worthy beneficiaries. The home will not be built, owing to the testator's slip of the pen.

A joint committee, appointed by the commander-in-chief of the Spanish War Veterans, and the Spanish-American War Veterans, has agreed on the name "Legion of the Spanish War" for the new consolidated organization of soldiers and sailors engaged in the war with Spain. Klamath Falls Republican: "Last week I. D. Applegate received a letter from his son, Money, who has been in Manila, P. I., for more than a year. He is doing exceedingly well there. He went to Manila to accept a clerkship, in which he was promoted and well paid but has recently resigned that position to follow a still more lucrative business, importing and selling horses. In this line he has every prospect of soon becoming rich. He reports that there are now excellent opportunities in the Philippines for men with some means."

LATEST NEWS.

Tracy Again in Evidence—King Edward Will Never Fully Recover—The Big Fight—Other News

SEATTLE, July 22.—The hunt for Convict Tracy seems to have been abandoned entirely and the outlaw is now free to roam the woods at ease—at least, until he again makes his appearance at some farm house for food.

It has been proven beyond a doubt that Tracy did not have two ex-convicts with him in the cabin at Lake Sawyer, and also that the story that he was badly wounded by buckshot from J. A. Bunce's gun was absolutely unfounded. The story of the seriousness of the wounds was given out by an ex-convict, who imposed upon Sheriff Cudihee. Tracy may have escaped across the mountains from Covington, and some of the officers fear he may now never be captured. They believe that he will disguise himself and make his way to some Eastern city.

SHERIFF ON A STILL HUNT.

SEATTLE, July 23.—Since Tracy's disappearance last Thursday not one word has been received as to his whereabouts. Sheriff Cudihee has left Seattle without saying a word as to his destination, and it is presumed that he is on a still hunt. Cudihee went alone last Monday night.

TRACEY AGAIN PUTS IN AN APPEARANCE.

TACOMA, July 23.—Tracey the outlaw, appeared at Miller's logging camp, four miles from Kanaskat, yesterday, and ate dinner. When asked why he did not take advantage of the lull and escape from Green River Valley, Tracey said: "I have some business to settle with Merrill's brother. I understand that the brother wants to see me." Tracy is not wounded and looks fresh and rested. He is wearing a derby hat; he had a slouch hat in his pocket. He still has his Winchester and two revolvers and has a good supply of ammunition. This report comes from a reliable source to Sheriff Hartman from a brakeman who formerly worked on the Northern Pacific, and was in Miller's camp and knew Tracey years ago as a Tacoma brakeman.

THE KING'S DAYS ARE NUMBERED.

LONDON, July 23.—A high court official who has seen King Edward many times since the operation was performed, made the following statement today: "With the utmost precaution the King will get through the coronation, though it is likely he will not go to London until the night before the ceremony, and will afterward immediately return to Cowes. The reason for having the coronation so soon is a grave one, as the King's physicians believe he will never be so well again." He added that the first operation revealed a diseased condition of the intestinal cavity, and that a second operation will be necessary. This probably will be performed next autumn.

WITH THE BIG FIGHTERS.

SAN FRANCISCO, July 22.—Fitzsimmons was out on the road early this morning. He walked to the park, a distance of two miles, and running back, worked his shoulders at every step. This afternoon he did light exercising in the Olympic gymnasium.

Jeffries was also out on the road this morning. He sprinted time and time again, returning covered with perspiration. This afternoon he boxed eight rounds before the Merchants' Club of Oakland, with his brother Jack and Kennedy. He showed up in splendid condition, and is faster and stronger than when he fought Fitz before. He now weighs 214. Both men seem to have full confidence. The betting is now 2 to 1 with Jeff on the long end. There is plenty of Fitz money in sight, as the Eastern sports are beginning to arrive in numbers. The sale of tickets has already reached the \$20,000 mark and the indications are that there will be a \$50,000 house, Friday night, when the fit ghomes off.

ST. VINCENT AGAIN TERROR STRICKEN.

KINGSTOWN, Island of St. Vincent, Monday, July 21.—There was another severe earthquake here at 1:10 this morning. It was of long duration and was accompanied by a repetition of the phenomena of Thursday last. The shock caused intense excitement among the inhabitants, who fled in their nightclothes into the streets and remained out of doors until daybreak. Partially demolished buildings are being pulled down today for public safety. There was a thunderstorm last night. Today the weather is very squally, and the sea is receding. Some people anticipate a tidal wave.

HERDER AND 7000 SHEEP SLAIN.

DENVER, July 23.—A telephone message received by Mrs. Leonard Sedgwick, at her home, 2128 Curtis street, conveyed the information that upon her husband's sheep ranch, near Rock Springs, Wyo., one of his herders had been murdered, presumably by infuriated cattle-herders. The message also stated that 7000 sheep had been slain. Jealousy between sheep and cattle men is the cause.

AMERICAN TEACHERS WERE MURDERED.

WASHINGTON, July 23.—The War Department today received the following cablegram regarding the school teachers who have been missing from Cebu since June 10: "John E. Wells, 209 Montgomery avenue, Providence, R. I., and his cousin, Louis A. Thomas, same address; Ernest Heger, 1413 Vine street, Cincinnati, O.; Clide A. France, Berea, O., missing in Cebu, murdered by Ladrones; bodies recovered. Leader of murders killed; eight others captured by the constabulary."

DEATH OF TAX MULLER.

Prominent Pioneer and Public Official of Jackson County, Oregon.

ASHLAND, July 21.—Max Muller, th. late county treasurer, died at his home in Jacksonville last evening, at 8:15 o'clock, as a result of a recent paralytic stroke. He was reared and educated in Bavaria, and emigrated to America in 1851, living for forty years on the Atlantic seaboard. He came to the Coast by way of the Nicaragua route. He engaged in clerking for the first few years after his arrival here, an in 1858 commenced the merchandise business for himself. Mr. Muller always made his home in Jacksonville. He was first elected to public office in that town in 1867, and served as president of the board. He was elected as town treasurer in 1864, and re-elected in 1867 and 1868, and in 1868 was also elected county treasurer on the Republican ticket. In 1870 he was appointed post-master at Jacksonville and served very efficiently in that position for 18 years. In 1880 he was elected county clerk of Jackson and re-elected in 1882 and 1884. In 1890 he was elected county treasurer. For nearly 32 years Mr. Muller has been secretary of Warren Lodge, No. 10, A. E. & A. M., and has been the secretary of Oregon Chapter, Royal Arch Masons. He was also financier at the time of his death, of the Banner Lodge, A. O. U. W. Mr. Muller was married June 11, 1865 to Miss Eliza Hesse, a native of Prussia, who with five children survived her husband. The children are Isaac M., Amelia, Beata, William and Sophia. Two children, a son and daughter, are dead.

The funeral was held Monday from his late residence under Masonic auspices.

The heat of last Friday was something entirely new to our usually cool climate. When the mercury rises to over 100 degrees we feel like retiring to an ice house for a while or going into cold storage.
