The Model Teacher.

(BY OLIVER L. MOOBE.) At last the handsome public school was done Built by the earnest people of the town, With sacrificing sums of money spent, And contributions of much labor lent, That full three hundred boys and girls might

he way of life, and honored prestige earn; For all the folk had entertained the truth, nat future hopes are centered in our youth; That human life, in after years must be ependent on our present charity. . Right often, then, with furtive glance aside, tid all behold the stately village pride: And on appointed day, with full consent Their steps, the people to the nollding beat.
To make the proper plans on which to be The work that would the highest value yield And, ere they ceased discussing every need, A point was reached on which they all agreed. That only he, possessing highest skill, Should e'er the principal's position fill. Then thoughtfully did each one test his mind, The right instructor for the school to find.

o, when twas found that none could c'e they all agreed the Board should advertise; But voted that none should they recompense Except he be possessed of common sens Soon was the notice in the papers spread, And by the teachers of the country read The day strived on which they were to meet And found the Board, each member in his sent Together with a score who'd come to see. Each one, if he the fortunate might be

Behind the polished desk, the members thr Sat, grave, to hear what each one had to say, In proof, that he, by rightful law or rule, Should be employed to teach a model school

The Chairman first called one who sat near by To rise and plainly state his reasons why He thought himself, or thus asnired to be That I may keep my wife and children three From actual want and human misery

Another rose, and, leaning on his cape. (For secident had left him bent and isme) You see" he said, while resting on his staff I need the work to help me o'er life's path. For, likewise. Thave children to support. And well you see. I can't do harder work." A woman, next, with arxious modest tread, Approached the desk and innocently said mod men, I seek to earn some honest bread. I've children four, and a poor husband dead, And if my services you'll kindly try.

Il strive so hard each one to satisfy Tis true, with education I'm not biest But this I'll do. I'll do my very best." The Chairman, as a tear stole o'er his cheek. In choxing voice, said, the the next one speak
