State Normal School. Let those expecting to attend the Normal bear in mind the date of opening—Monday, September 28th—and if possible be on hand the first day.

The Normal essays to put students and teachers on a footing that leads to good certificates. Review work is a feature of our course. The coming year the Normal will be more a home than ever before.

Material improvements of the school building are making for the enjoyment and benefit of students. Physical education a part of the course.

Strong work in English and mathematics will be given from a practical point of view; also in science.

Letters from students, old and new, say, "I'll be with you next year."

The success of our graduates has created a demand for Drain Normalites in good schools. The Normal has helped many to good positions and will help you if you will let it.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CONROY & Co., Toledo, O.

Milk, Milk, Milk.

We claim that under our new process of aerating, purifying and bottling (which should be the case with all milk consumed) you get from twenty-five to fifty per cent more value for less money than any other milk delivery in the city affords. The milk delivered is in quality A 1 and guaranteed to give you entire satisfaction. As published on our former rate cards I allow one week's trial free of charge unless entirely satisfactory. If you think the above is overdrawn, why not give it a trial that we may demonstrate. Why not spend your money where your dollars go the farthest, and patronize a permanent business?

Catarrh of the Middle Ear.

Produces deafness, causes roaring and cracking noises; makes your ears discharge, causing ringing in your ears, makes your hearing worse some days than others. As the catarrh progresses there is a steady disagreeable ringing or roaring in the ears, due to the entrance of catarrhal inflammation into the eustachian tubes connecting the ears with the nasal cavity at a point well back toward the beginning of the throat. This ringing disappears only when the catarrhal inflammation in the nose and throat has been cured. Smith Brothers' S. B. Catarrh Cure taken regularly will reduce and cure all catarrhal inflammation. Book on Catarrh free. Address Smith Bros., Fresno, Cal. For sale by Marsters Drug Co.
