On account of the irregular surveys of many of the townships in the Roseburg land district, it is almost impossible to locate section corners without a copy of the Government survey. Frank E. Alley, Abstractor of this city, has a complete set of tracings of all surveyed townships, and will furnish blue prints of same, showing all vacant lands.

Why fool away time and money repairing your old harners when you can buy a fine new set so cheaply of F. Long & Sons at the new harness shop near the depot. If, however, you are in need of repairs Long & Sons will satisfy your wants in short order and at reasonable prices.
