Matrimonial Snags.

"She wasn't like this before we mar-ried," muses Mr. Younghusband disconsolately. And he is quite right. If he would only carry the idea of change in his wife far enough he would be able to understand her feelings and sympathize with her condition. But his estimate of change stops at externals-at the tears, nervousness and irritability which are but surface symptoins of the real change she is undergoing.

There is no time when young women stand so much in need of good motherly advice as in the early days of married life, and there is perhaps no time when, as a rule, the young wife is left so entirely alone to grope her own way to happiness in doubt and uncertainty. Of laws governing her womanly health she knows nothing. She becomes nerv-

ous, irritable, sleepless, dejected. her, already, marriage is a failure. She sees long unhappy years before her, and shrinks from them.

THE HELP SHE NEEDS. Reidently in such a case a woman needs help, and the help she needs will be found in Dr. Pierce's Favorite Prescription. It will cure nervousness, sleeplessness and irritability, encourage the failing appetite, and bring back the physical buoyancy which has been lost, "When I wrote to you some time ago asking for advice I was in very poor bealth," writes Mrs. Ethel Trepto, Merrill (West Merrill), Wis., Box 54, "suffering continually with severe pains and terrible headaches, and confined to my bed the greater part of the time. I thought I was in a delicate condition, and thinking that something must be wrong I consulted three different doc-tors. None could tell me what my case tors. was. One said that in no way could I be helped except by having an operation. Every woman dreads the thought of an operation, and so did I. After one of Dr. Pierce's pamphlets I decided to write to him. I did so, and was told my case resulted from catching cold and not properly caring for my health at the time of monthly period, also that my kidneys were in bad condition. My back was fairly sore from continual aching, and sometimes when I would lie down some one had to rub my back for nearly an hour before I could get any rest. I had a had cough all the time, and my friends thought I had consumption, or was surely running into it. After taking three bottles of Dr. Pierce's Favorite Prescription and two of the 'Golden Medical Discovery' and two vials of Dr. Pierce's Pellets I am able to say truly that I am cured. I thank God and Dr. Pierce so much for being

in as good health as I am to-day." A GREAT RECORD. Doctor Pierce's Pavorite Prescription makes weak women strong, sick women well. In seven little words is summed up the care of hundreds of thousands of weak and sick women. But it would take volumes to tell the story of these cures; for they cover every variety of womanly disease curable by medicine, Often the cure has passed the border line where the use of medicine ends and surgery begins, and in not a few cases where the ailing woman had been told
