THE RACING.

During this fair the public has witnessed some of the most spirited racing ever seen in this city. The running races were all for blood, as the horsemen were fighting among themselves and the jockeys each had their own personal grievances to settle. Of course, among the trotting horsemen things were different, and the contests were mostly exhibitions of speed.

The judges, Dr. K. L. Miller, J. Weatherly, J. W. Tyson, and H. D. Lane, are to be complimented upon their fairness and promptness in judging the contests, as is Wm. Clark, who officiated as starter of the running races. Following are the contestants not heretofore published:

In the special 2:15 trot Thursday Volo won the first and third heats and Phil N. the second. Time 2:30½, 2:31, 2:26½.

In the half mile dash Thony L. finished first, Black Dugan second, Ten-

Price, of Oak Creek, for the prettiest girl, and to Mrs. Peter Balff, of West Roseburg, for the finest pair of twins (boys).

Just how the management will come out financially has not yet been announced, and probably will not be until all bills have been paid. However, considering the unfavorable weather conditions at the opening of the fair, the occasion was made a pronounced success and the management is to be congratulated.

Judge Prim Charters an Engine.

Judge Prim, of Jacksonsville, with two gentlemen from Jackson county, were passengers on last night's north bound overland for Portland, and while the train was changing crews at this station, the judge and his party decided to take lunch and in some unaccountable manner they tarried too long at the table and when they again returned to the depot they discovered that their train was well on its way north. As it was necessary that Mr. Prim and his party should be in Portland to attend court today, arrangements were made to charter a special engine to catch the regular train.

Engineer Ellis was called and they were soon on their way northward in the cab of engine 1245.
