# Catarh of the Nose

Chronic or obliterative, causes ulcers to  
form which produce scabs and fetid  
breath, first one and then the other  
nostril is stopped up. The mucous  
membrane, when in a healthy con-  
dition, secretes a thin, watery fluid called  
mucous, which serves as a lubricant to  
the parts. Mucous is, in reality, cer-  
tain watery elements of the blood  
which are filtered through the blood  
vessels lying immediately beneath and  
next to the mucous membrane. When  
we take cold the mucous membrane of  
the nose becomes thickened and the  
blood vessels are congested and the flow  
of mucous is augmented to a greater de-  
gree, according to the severity of the  
attack. No local application alone is  
ever known to cure catarrh of the nose.  
By using the S. B. Catarrh Cure locally  
and internally as directed a speedy cure  
can be relied upon. For sale by all  
druggists. Book on catarrh free. Ad-  
dress Smith Bros., Fresno, Cal.

# Stool Reward \$100.

The readers of this paper will be  
pleased to learn that there is at least  
one dreadful disease that since has been  
able to cure in all its stages, and that is  
Catarrh. Halls Catarrh Cure is the only  
positive cure known to the medical  
profession. Catarrh being a constitutional  
disease, requires a constitutional  
treatment. Halls Catarrh Cure is taken  
internally, acting directly upon the  
blood and mucous surfaces of the system  
thereby destroying the foundation of  
the disease, and giving the patient  
strength by building up the constitution.  
The proprietors have so much faith in  
its curative powers, that they offer One  
Hundred Dollars for any case that it  
fails to cure. Send for list of testimonials.

Halls Family Pills are the best.

# Do Good—It Pays.

A Chicago man has observed that  
"Good deeds are better than real estate  
deeds—some of the latter are worthless.  
Act kindly and gently, show sympathy  
and lend a helping hand. You cannot  
possibly lose by it." Most men appre-  
ciate a kind word and encouragement  
more than substantial help. There are  
persons in this community who might  
thatchfully say: "My good friend, cheer  
up. A few doses of Chamberlain's  
Cough Remedy will rid you of your cold,  
and there is no danger whatever from  
pneumonia when you use that medi-  
cine. It always cures. I know it for it  
has helped me out many a time." Sold  
by A. C. Marsters, druggists.
