#### BURNED TO DEATH.

Little Bertha Wilson of Camas Valley the Victim of a Deplorable Accident

Died, in Camas Valley Nov. 22, 1902, Bertha Wilson, aged 4 years and 6 months. She was a daughter of J. H. and Eliza Wilson, who are prostrate with grief. The little one's clothing caught fire Friday morning and she was so badly burned that death came to relieve her sufferings Saturday. It is another of those sad and unavoidable accidents which no loving care can avoid. Little Bertha was a bright, sweet child and will be sadly missed by all. The family have the heartfelt sympathy of the entire community in their bereavement. Funeral services were held today at the Martinlake Cemetery. A lonesome quiet reigns tonight. We never have felt before. For Bertha has passed the portal bright. Where angels guard the door. One little girl is missing. From our cottage home tonight. One little bed unoccupied. With pillow soft and white.

A FRIEND.

Ashland 15-Roseburg 0.

Last Saturday the foot ball enthusiasts of this city witnessed the prettiest and most gentlemanly contest of that popular game ever seen in Roseburg, and although our home team was defeated they demonstrated that they were a good little team anyway, as the Ashlanders averaged 55 pounds heavier to the man and of course, had very little trouble in forcing the line, but all agree that Roseburg put up a stiff game. Captain Chester Easter of the Ashland team, was wearing a bandage on his head on account of injuries received in a previous game and was unable to play as was also Hoover who was suffering with an attack of inflammatory rheumatism. Consequently coach Scott was allowed to captain and play left half back, and proved to be the right man in the right place as he never failed to make yardage when given the ball. The line handling of Hammond was exceptionally good work and it seemed that Roseburg was unable to stop it. Holmes of Ashland, was considerable queer on account of his poor kicking, making three tries for the goal and failing short each time. The Roseburg team had a wonder in the person of Ed Bradley, who did phenomenal kicking for the home team, and always got his man when he went after him. Doyle, the left half proved himself an exceptionally good, cool headed player and had it not been for these two men, we would in all probabilities have been almost ashamed to publish the score. Wollenberg, Ramp, Hannan, Ferguson, Fraley and Short did their usual good work.

Following is the line up. Roseburg Ashland. Bazzal.....\$.....McIntyre. C Short.....\$.....McIntyre. Fraley.....\$.....Davidson. Ferguson.....\$.....Allen. Townsend.....\$.....Gowland. Bradley.....\$.....Holmes. Hannan.....\$.....Milner. V Short.....\$.....Valley. Doyle.....\$.....Ramp. Wollenberg.....\$.....Matthews. Hammond.....\$.....

First half, 35 minutes—Ashland, 10; Roseburg, 0. Second half, 20 minutes—Ashland, 5; Roseburg, 0. Final—Ashland, 15; Roseburg, 0. Officials, Easter, referee; Ramp, umpire; Woodward, time keeper.

The young ladies of the Roseburg High School, tendered the two football teams a banquet Friday evening, at the Native Sons Hall. The banquet room and hall were tastefully decorated with the colors of the contesting teams, and the table which was set in the form of a cross was a lower of chrysanthemums. All those present enjoyed themselves and the several players were forced to compel Coach Scott to refrain from overdoing himself in partaking of the goodies. The menu's were hand drawn cartoons of football players drawn and arranged by our young artist Vernon Dixon, of this city, and were something that will be kept by every member of the Ashland team as a memento of the most enjoyable evening spent during their northern tour. Those Townsend acted as toastmaster and the following person responded: Prof. A. M. Sanders, "To the visitors;" Mr. Holmes, "Reply to same;" Capt. C. Easter, "To the young ladies;" Mr. Valley, "To the Roseburg eleven;" Mr. Hammond, "Cake that Coach Scott stole at Eugene;" Coach Scott, "The Ashland-Albany football game." The merry assemblage was also favored with some fine instrumental music, rendered on the piano by Misses Anita Kalat and Gertrude Rast. At a comparatively early hour the party broke up to allow the players to obtain their usual sleep to enable them to be in good form for their following days work.

#### What Life Insurance Does

It keeps the family together. It educates the children. It takes care of the mother. It pays the mortgage on the home. It provides ready money to keep a business solvent. It supports the insured in his old age. It saves the respect of the family. It saves the credit of the insured. It saves money which would otherwise be lost. It saves the insured from anxiety as to the future of his family. It saves the insured from anxiety for his own old age. It saves the capital which is locked up in human life. It does the very things which the insured plans for, works for, prays for, is happy if he secures, and unhappy if he fails to get. It helps him to make a success of life, takes up his work when he dies and carries it forward to completion. Can you afford to be without it? W. J. Moon, Agent, Roseburg Ore.

#### The Best Remedy for Croup.

This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost sure to be lost, in case of croup, as a revolver is sure to be lost in case of burglars. There used to be an old-fashioned remedy for croup, known as hivesyrup and tain, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by A. C. Marsters.
