THE FIRST PACIFIC CABLE Laying of Trans-Pacific Wire Form-

ally Begun.

BIG CROWD WITNESSED CEREMONY.

Cable Authorities and California's Distinguished Men Saw Work Safely Commenced.

his morning to witness the commencediaes to bring Uncle Sam's newsst iswith the mother country.

Early morning going beachward began to show unwonted life for this seaaidden from human sight by old occan ereamery in the spring." whose elevations and descents have been accurately recorded by the survey ship Nero and furnished by the Government to the Pacific Commercial Cable Company for use in laying the cable.

When the prow of the big vessel finalshowed itself around the end of Seal Rocks, a mighty cheer went up from the assembled crowds. The cheering continued as the vessel steamed to her designated anchorage about a mile south of the Cliff House, to await a favorable opportunity for sending the end of the cable ashore. Owing to an unfavorable tide the work was delayed somewhat and during the interval the crowds on the beach b came more dense and carriages bearing the cable officials, nor-elect Pardee and many invited tion. ests from civic and private life ar-

The Silvertown lay at her anchorage for several hours waiting for an epporane time for commencing the work of ending the end of the cable ashore, but he sea was so rough that it was deemed azardous to undertake the task. ..

ew of the cable ship had not been idle. side ready and launched, and boats ad to be manned to carry the end of cable toward shore. Finally one d of the cable was made fast to a nov, and assisted by a boat manned by crew ir in the Silvertown, was started shoreward. As the boat containing the beats from the cable ship, assisted by the wind and tile, carried the end of thrust as he was engaged in his prayers | not be more than 100 miles ap in . he calle closer inland the cheering increased. The rollers were high and it the "mirgele" of his daughter's cure with was feared by those on the beach that a hospital "open to all who suffer and gerous work, the end of the cable ap- to enter the kingdom of heaven" pieceproached within a hundred yards of the meal. shore a lifeboat with a smaller cable was launched from the shore to connect with the larger cable and to tow the end ashore to the point where the splice was to be made, tromendous cheers rent

The work of towing the end of the cade to shore was not accomplished withut difficulty as the end approached the shore bundreds of willing hands, including the officials of the cable comany, laid hand on the tow line and asisted in bringing the end to the Feach As the spice end emerged from the enter a mad rush was made for it, the crowds being abxions to participate in the wo k of landing the Sap Francisco end of the first oceanic cable to be landed on the shores of the Pacific on United tates territory. Finally the end of the able touched terra firms. Added to the continued cheering was the mingled whistling of the great siren of the Silvertown, and the many tugboats and steam launches which had gathered or and the big vessel.

Ween the splicing of the shore end of he cable with the end of the submarine able was completed and the final coil Opposite Pirst National Bank of insulation wrapped around the joined nds, Governor Gage's little daughter christened the cable by breaking a bottie of California champagne, encased in a silver frame and inscribed with the date of and name of the cable steamer. which will bring Honolulu into quick to the late Minister Buck. mmunication with the rest of the civi-

The officials of the cable company and Captain Morton, of the Silvertown, confidently believe that communication
