## 25th ANNIVERSARY SALE

This month completes our 25th year in the Dry Goods business in Roseburg. For a quarter of a century we have catered to the wants of thousands of customers, from the little store established in '78 to the present mammoth establishment which we occupy. Our greatest advertisement is that many who dealt with us at the start are in 1903 still honoring us with their patronage. In remembrance of this event we have instituted this sale, which for unapproachable values, excell anything heretofore offered.
